

Gender-Based Violence Pyramid

This is a starting point, not an exhaustive list of how gender-based violence manifests.

Adapted from Ashley Fairbanks @zlibing

Sex And Violence

Tara N. Richards, Catherine D. Marcum

Sex And Violence:

Sex, Violence and Crime Adrian Howe, 2009-01-21 What happens when you sex violent crimes More specifically what happens when you make men s violence against women the subject of a conversation or the focus of scholarly attention The short answer is all hell breaks loose Adrian Howe explores some of the ways in which this persistent and pervasive form of violence has been named and unnamed as a significant social problem in western countries over the past four decades Addressing what she calls the Man question so named because it pays attention to the discursive place occupied or more usually vacated by men in accounts of their violence against women she explores what happens when that violence is placed on the criminological and political agenda Written in a theoretically informed yet accessible style *Sex Violence and Crime* Foucault and the Man Question provides a novel and highly original approach to questions of sex and violence in contemporary western society Directed at criminologists students and more widely at anyone interested in these issues it challenges readers to come to grips with postmodern feminist reconceptualisations of the fraught relationship between sex violence and crime in order to better combat men s violence against women and children **Social Problems in Global Perspective** Ronald M. Glassman, William H. Swatos, Jr., Barbara J. Denison, 2004-11 The global high tech economy has generated a technological and scientific productive miracle But along with the miracle has come problems This important book provides a detailed account of some of these problems **Sexual Deviance** D. Richard Laws, William T. O'Donohue, 2008-01-07 Now in a fully revised and updated second edition this important work provides authoritative scientific and applied perspectives on the full range of paraphilias and other sexual behavior problems For each major clinical syndrome a chapter on psychopathology and theory is followed by a chapter on assessment and treatment Challenges in working with sex offenders are considered in depth Thoroughly rewritten to reflect a decade of advances in the field the second edition features many new chapters and new authors New topics include an integrated etiological model sexual deviance across the lifespan Internet offenders multiple paraphilias neurobiological processes the clinician as expert witness and public health approaches *Sexual Violence* Elizabeth L. Jeglic, Cynthia Calkins, 2016-10-24 The purpose of this edited volume is to examine the disconnect in the sexual violence prevention field between legislation research and practice The work is focused primarily on United States policies and initiatives with key case studies internationally Contributions show that current policies are mainly based on repeat offenders residence restrictions registration and notification statutes and post sentence initiatives While these initiatives address public fears they are not evidence based and do not necessarily reduce offending Research shows that post sentence policies may destabilize offenders and limit their ability to reintegrate with society at a critical period therefore increasing the chances of recidivism Furthermore the majority of sex crimes 95% are committed by first time offenders This innovative book is divided into two parts juxtaposing what is currently being done legislatively with what the research evidence suggests would be best practice **Sexual Victimization** Tara N.

Richards, Catherine D. Marcum, 2014-02-13 *Sexual Victimization Then and Now* provides scholars easy access to information that specifically examines the continuum of sex crimes and the perception of victims by our criminal justice system and society as a whole. This text features contributions from well known researchers in the field and serves as an important resource to provide scholars with up to date research on sexual victimization that will educate students on this complex and evolving challenge for the criminal justice system. Editors Tara N Richards and Catherine D Marcum approach the concept by examining how the criminal justice system handles sexual victimization, the association between individuals in a relationship and sexual assault and unusual and special issues associated with contemporary sexual victimization. By discussing these issues, the theoretical explanations for these crimes and the effectiveness of the policy that has been applied will effectively link the criminological areas of theory, research and policy.

Sex Without Consent Shireen J Jejeebhoy, Iqbal Shah, Shyam Thapa, 2013-07-04 The pressing need to break the silence on non consensual sex among young people, an issue shrouded by denial, underreporting and stigma, is self evident. Despite the growing body of research regarding young people's sexual behaviours, the study of coercive sexual experiences has generally been overlooked by both researchers and national programmes. Available evidence has been scattered and unrepresentative and despite this evidence, non consensual sex among young people is perceived to be a rare occurrence. This volume dispels any such misconception. It presents a disturbing picture of non consensual sex among girls as well as boys and among married as well as unmarried young women in a variety of settings. This volume documents moreover the expanse of non consensual experiences that young people face from unwanted touch to forced penetrative sex and gang rape. Although the focus is on young females, the volume also sheds light on the experience of young males as both victims and perpetrators. This pioneering volume highlights key factors placing young people at risk whilst outlining the significant distinctive health and social implications they face. *Sex Without Consent* also documents the unsupportive and sometimes abusive or negligent roles of families, teachers, health care providers and law enforcement agents, outlines promising efforts intended to prevent non consensual sex or support survivors and argues for profound changes in norms and values that tolerate or encourage non consensual sex. The editors, based at the Population Council, New Delhi, the World Health Organization, Geneva, and Family Health International, Virginia, argue compellingly for a radical review and reform of existing programmes designed to prevent this kind of abuse and to support young survivors of sexual trauma in the developing world. Addressing the magnitude, determinants and consequences of sex without consent, this volume provides evidence based directions for programming.

Shades of Grey - Domestic and Sexual Violence Against Women Anna Carline, Patricia Easteal, 2014-09-19 Arguing that law must be looked at holistically, this book investigates the hidden gender of the so called neutral or objective legal principles that structure the law addressing violence against women. Adopting an explicitly feminist perspective, it investigates how legal responses to violence against women presuppose, maintain and perpetuate a certain context that may not in fact reflect women's experiences.

Carline and Eastaugh draw upon relevant legislation case law and secondary studies from a range of territories including Australia England and Wales the United States Canada and Europe to contextualize and critique different policy responses They go on to examine the potential and limits of law making recommendations for best practice models of policymaking and law reform Aiming to help improve government community and legal responses to women who experience violence *Shades of Grey Domestic and Sexual Violence Against Women Law Reform and Society* will assist law makers academics policymakers and a wider audience in understanding the complexities of violence against women **Physical Abusers and Sexual**

Offenders Scott Allen Johnson, 2006-07-13 Until recently professionals in both investigation and treatment have considered the fields of sexual violence and domestic abuse as separate and distinct Numerous studies have shown however that these fields may not be so neatly pigeonholed as once believed Statistics indicate that there is an overlap in both the level and type of violence exp **Emotional, Physical and Sexual Abuse** Giovanni Corona, Emmanuele A. Jannini, Mario

Maggi, 2024-02-24 This new edition aims to examine the impacts of maltreatment of both children and social minorities such as homosexuals and gender dysphoric individuals or those affected by disabilities in women in patients and describes skills that are of value in supporting victims of maltreatment and preventing discrimination On this purpose the new book is not only an update of the current literature on the topic but will be also enriched by chapters dealing with the subtle border between courtship and harassment with the responsibilities of the health professionals with the role of internet and pornography in the economy of abuses and sexual slavery with forensic aspects of the abuses and with therapy of both suffered and operated sexual violence starting from prevention as social education until medical approaches This new edition will be particularly useful to sexual medicine specialists medical doctors psychologists and psychiatrists as well as graduate students in these disciplines but also to sociologists educators and law professionals By fostering a better understanding of discrimination triggers and effects this new edition will help clinicians and mentors to provide improved support through the tailoring of therapies to the needs of maltreated and abused individuals *Troubling Sex* Elaine Craig, 2012-07-01 When

legal scholars or judges approach the subject of sexuality they are often constrained by existing theoretical frameworks For instance queer theorists typically focus on sexual liberty but tend not to consider issues such as sexual violence Feminist theories focus on violence but often don't give recognition to the joy of sexuality To assess the possibility of devising a legal theory of sexuality that can ensure equality without assimilation diversity without exclusion and liberty without suffering Elaine Craig examines the Supreme Court of Canada's approach to sexuality in cases that range from sexual violence to discrimination based on orientation Although the Court continues to hold an essentialist understanding of sexuality that renders certain harms invisible its feminist inspired approach to sexual violence recognizes the socially constructed nature of sexuality and produces legal reasoning that promotes sexual integrity as a common interest Blending feminist theory with the inclusiveness of queer theory Craig advances an iconoclastic approach to law and sexuality that has the power to transform

both theory and practice **Addressing Student Sexual Violence in Higher Education** Clarissa J Humphreys, Graham J Towl, 2020-05-01 This book is the first practical guidance on how to address sexual violence using a comprehensive institution wide approach The authors provide how to level information on policy writing responding to disclosures developing comprehensive prevention and response education programmes conducting trauma informed investigations and sanctioning **Summer Flowers Some Are Not** P. A. Kowalski, 2009-02 Sexual Predators Robert A. Prentky, Howard E. Barbaree, Eric S. Janus, 2015-06-26 Convicted sex offenders released from custody at the end of their criminal sentences pose a risk for re offense In many US states Sexually Violent Predator SVP laws have been enacted that allow for the post prison preventive detention of high risk sex offenders SVP laws require the courts to make dispositions that protect the public from harm while at the same time respecting the civil rights of the offender This book describes these SVP laws their constitutionality and aspects of their operation Courts hear expert risk testimony based heavily on the results of actuarial risk assessment Problems associated with this testimony include the lack of a theory of recidivism risk bias due to human decision making and the insularity of scholarship and practice along developmental lines The authors propose changes in legal standards as well as a unified developmental model that treats sexual violence as an evolving condition with roots traceable to childhood and paths that extend into adolescence and adulthood **Sexual Offending in Asia** Heng Choon (Oliver) Chan, 2023-01-04 SEXUAL OFFENDING in ASIA AUTHORITATIVE AND THOUGHT PROVOKING WORK DETAILING THE PSYCHO CRIMINOLOGICAL FACTORS INFLUENCING AND AFFECTING SEXUAL OFFENDERS IN ASIA Sexual Offending in Asia examines sexual offending from a general Asian perspective with a psycho criminological approach i e personal social and environmental mechanisms to provide comprehensive coverage of different topics from both theoretical and practical i e practice and policy standpoints This book is part of The Wiley Series in the Psycho Criminology of Crime Mental Health and the Law which aims to publish original high quality authored and edited collections on all aspects of crime mental health and the law from a psycho criminological perspective Sexual Offending in Asia is divided into two main sections i e Part 1 Theories of Sexual Offending and Part 2 Sexual Offending in Asia with five chapters in each section In the second section each chapter concludes with two case examples to illustrate the sexual offending phenomenon of each geographical location Written by an award winning author with significant experience in the field Sexual Offending in Asia provides coverage of topics such as Multi level theories of general sexual offending including multi factorial Level 1 single factor Level II and micro level or offense process Level III theories of sexual offending for specific sex offender populations including female sex offenders and sexual homicide offenders Sexual offending in Asia is discussed based on 5 geographical regions namely East Asia Southeast Asia South Asia West Asia and Central Asia Sexual offending in each geographical region is discussed comprehensively including the prevalence and nature of sexual offending cultural values and norms related to sexual offending offender victim and offense characteristics penal codes and case examples Sexual Offending in Asia will be

of immense interest not only to researchers and field practitioners whose work brings them into contact with sexual offenders but more specifically to those who wish for an informed and informative understanding of Asian sexual offending regarding prevention and intervention strategies

Trans Reproductive and Sexual Health Damien W. Riggs, Jane M. Ussher, Kerry H. Robinson, Shoshana Rosenberg, 2022-12-22 Focusing on reproductive and sexual justice this important book explores in detail both the challenges that trans people face when negotiating reproductive and sexual health in restrictive social contexts and their agency in advocating for change Chapters cover a breadth of topics such as intimacy sexual violence reproductive intentions sexuality education oncology and pregnancy introducing readers to the latest research in the field as well as key emerging concepts The authors identify core principles for trans reproductive and sexual justice providing a broad overview of what is currently succeeding and what can be built on going into the future Trans Reproductive and Sexual Health offers a comprehensive exploration that is essential reading for academics and students in psychology sociology gender studies and related areas as well as clinicians and policy makers offering direct implications for professional audiences working in health and social care

Women, Sex, and Madness Breanne Fahs, 2019-07-22 Covering a wide variety of subjects and points of inquiry on women's sexuality from genital anxieties about pubic hair to constructions of the body in the therapy room this book offers a ground breaking examination of women sex and madness drawing from psychology gender and sexuality studies and cultural studies Breanne Fahs argues that women's sexuality embodies a permanent state of tension between cultural impulses of destruction and selfishness contrasted with the fundamental possibilities of subversiveness and joy Emphasizing cultural social and personal narratives about sexuality Fahs asks readers to imagine sex bodies and madness as intertwined and to see these narratives as fluid contested and changing With topics as diverse as anarchist visions of sexual freedom sexualized emotion work lesbian haunted houses and the insidious workings of capitalism Fahs conceptualizes sexuality as a force of regressive moral panics and profound inequalities deployed in both blatant and more subtle ways onto the body while also finding hope and resistance in the possibilities of sexuality By integrating clinical case studies cultural studies qualitative interviews and original essays Fahs offers a provocative new vision for sexuality that fuses together social anxieties and cultural madness through a critical feminist psychological approach Fahs provides an original and accessible volume for students and academics in psychology gender and sexuality studies and cultural studies

Tackling Sexual Violence at Universities Graham Towl, Tammi Walker, 2019-03-04 Sexual violence is a problem well beyond universities however universities are uniquely well placed to contribute to reducing sexual violence encouraging those affected to come forward and speak about their experiences and actively encourage increased reporting This book is unique in that it offers an international perspective on the incidence reporting and impact of sexual violence at universities Drawing on evidence from the UK North America Australia and Europe Towl and Walker explore the psychological and structural challenges to reporting sexual violence They provide a set of policy and practice guidance recommendations that

move beyond awareness campaigns to call for systems to be put in place whereby reports of sexual assault are handled promptly fairly and consistently They also discuss how universities can strengthen their approach to prevention promoting safeguarding and the welfare of victims and survivors and involving victims and survivors in the development and improvement of services However fundamental to their approach is keeping decision making with the victim and survivor and emphasising that their health and recovery is paramount Tackling Sexual Violence at Universities is an invaluable and ground breaking resource for students and researchers in forensic psychology and criminology as well as professionals working in higher education The authors are donating their royalties in full to Kirklees and Calderdale Rape Sexual Abuse Centre KCRASACC UK a small registered charity that provides specialist therapy counselling advocacy and support for survivors of sexual or domestic violence and abuse Running for nearly 30 years the centre works with young people and adults over the age of 13

Sexual Violence Policies and Sexual Consent Education at Canadian Post-Secondary Institutions D. Scharie Tavcer, Vicky Dobkins, 2023-01-18 This book is the culmination of three years of research into sexual violence policies and sexual consent education at post secondary institutions across Canada The prevalence of sexual violence has not changed in more than 30 years and its reporting to police or school authorities has only waxed and waned over those years In response this book asks what can be done differently to reduce the number of victims and potential perpetrators The book provides an environmental scan of over 120 post secondary institutions PSIs across Canada as well as a deeper analysis of 7 PSIs that also include student and staff experiences and opinions The three year research project employed various phases to capture over 160 student voices and over 20 sexual violence staff and subject experts Subject experts and students were also involved in reviewing the draft iterations of the proposed sexual consent education module This book delivers readers with a broad brush approach to understanding the landscape of sexual violence prevention and education services at PSIs across Canada It provides a narrowed focus on 7 PSIs where student and staff survey responses and interviews provide positionality in response to the available literature The book concludes with a proposed sexual consent education module including its strengths and limitations as a point of discussion for PSIs to include into their sexual violence prevention education repertoire This book is intended for post secondary audiences in Canada North America and elsewhere for undergraduate and graduate students and faculty staff and administrators where it is crucial to consider ways to address its prevalence and the ways we can incorporate prevention education into our campus communities

Understanding and Proving International Sex Crimes Morten Bergsmo, Alf Butenschøn Skre, Elisabeth J. Wood, 2012-04-25 This anthology addresses the gap between international standard setting prohibiting international sex crimes and actual accountability for individuals who are responsible for such crimes The book provides detailed analysis of the legal requirements of international sex crimes and types of fact that can be used to meet these requirements It includes a unique knowledge base that digests international case law on such crimes The anthology also contains several studies of institutional and evidentiary challenges in the prosecution

of international sex crimes Series pref **Conflict-Related Sexual Violence in Myanmar** Phyu Phyu Oo, 2025-02-17 The prevention of Conflict related Sexual Violence CRSV often relies on states to lead prevention and response mechanisms at the domestic level However state actors such as the military are frequently responsible for this violence Can states play an effective role in preventing and responding to CRSV Conflict Related Sexual Violence in Myanmar The Role of the State provides a deeper understanding of the state s role as a prevention actor and explains why strategies aimed at preventing CRSV often fail and can sometimes even result in more harm Myanmar is a politically complex state that has experienced several decades of armed conflict persistent military regimes and a high prevalence of CRSV incidents committed by the state armed forces the Tatmadaw The book offers unique insights into CRSV prevention efforts in Myanmar tracing the implementation process of the Joint Communiqu JC an agreement signed between the Myanmar government and the United Nations to effectively prevent and respond to CRSV This book is based on a comprehensive qualitative analysis of internal and public documents and interviews with multiple stakeholders over a two year period It reveals how the gendered power structure and formal and informal practices of Myanmar s state institutions constantly impeded the implementation process of the JC and offered a very limited political opportunity structure for local women s CSOs to be involved in the JC implementation A significant portion of the data in this book was collected in 2021 following the military coup in Myanmar The author describes her experiences as a local researcher in solidarity with the local research participants experiencing the brutality of the military crackdown and conducting data collection in a particularly challenging context
