talk about sex But the reality is that sexuality is one of the most neglected aspects of men s lives From the woefully inadequate sex talks many young men receive from parents little more than an anatomy lesson or a purity lecture if anything at all to cultural messages that unhelpfully weave both shame and permissiveness into men s understanding of their own sexuality and masculinity too many boys and men experience sexual desire as an area of struggle confusion and brokenness But it doesn t need to be this way God made men to be moved to live with wonder and awe and sexual desire must be formed within the context of that design Sam Jolman a professional therapist who specializes in men s issues and sexual trauma recovery shows men the way out of the wilds of sexual struggle This timely and incisive book will help readers learn about the vital link between sexual desire and their identity as worshipers regain a wild and vigorous sexuality within the context of God s design understand how purity culture has needlessly put men in a conflict ridden relationship with their sexuality see sexual purity not as the goal but as the preparation for becoming fully alive to beauty awe and worship and discover how to trade shame and confusion for a sexuality that s filled with innocence and wonder In the Bible Jesus greatest kindness was often offered to those suffering sexual harm and brokenness He offers this same kindness today He does not want men to repent of their sexual desire Rather through reconnecting sexuality with innocence and awe God opens the door for men to experience the wild joy of desire rightly ordered toward worship and God s good purposes for their life     Seduced by Sex, Saved by Love Jan Kern,2008 Teens can learn to break free from the past and make choices needed to take hold of the authentic love God offers     Sex, Love Or Romance Ray E.
