## **Sex In Religion:**

**When Sex Was Religion** Larry Falls, 2010 Evidence of the connection between sex and religion can be found in fertility cults in all nations of the past When Sex Was Religion takes a comprehensive look at how sexual practices were originally considered a religion before the introduction of Christianity Dr Larry Falls a registered clinical sexologist specializing in sexual abuse trauma and emotional health spent five years traveling throughout the United States Canada and Europe learning about different religions cultural history and sexual behavior while working on his doctoral thesis In his fascinating exploration into the beginning of human reason and the birth of religious thought includes the importance of reproduction virgins and temple prostitutes the original meaning of the cross Devil worship witches Sabbath and the curse of the evil eye Dr Falls also proves that the Kama Sutra an ancient Hindu religious narrative about pleasure love and sexuality was really a Bible designed for the purpose of teaching others to gain favor from the gods by engaging in sexual intercourse Dr Falls examination into sex worship demonstrates that phallic reverence was not only a religion but also a cause for dominance and sexual exploitation that to this day remains part of our social structure *Sex and Religion* Dag Ølstein Endsjø, 2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In Sex and Religion Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsjø explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage Sex and Religion reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it Sex and Religion is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience *Sex, Religion, Media* Dane S. Claussen, 2002-02-05 Each chapter in this unique volume explores intersections of sex religion and media in our society An interdisciplinary cast of contributors examines a wide variety of themes including entertainment producers roles in disseminating sexual and religious content news coverage of stories about sex and religion religious conservatives efforts to influence media coverage of sex and values and how religious consumers are influenced by and react to sexual

content in media      **Sex, Gender and the Sacred** Joanna de Groot, Sue Morgan, 2014-04-03 Sex Gender and the Sacred presents a multi faith multi disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4 000 years of history Contains readings relating to sex and religion that encompass 4 000 years of gender history Features new research in religion and gender across diverse cultures periods and religious traditions Presents multi faith and multi disciplinary perspectives with significant comparative potential Offers original theories and concepts relating to gender religion and sexuality Includes innovative interpretations of the connections between visual verbal and material aspects of particular religious traditions      Forbidden Fruit : Sex & Religion in the Lives of American Teenagers Mark D. Regnerus Associate Professor of Sociology University of Texas at Austin, 2007-02-05 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions Forbidden Fruit tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren't less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations The only and largely ineffective sexual message most religious teens are getting is Don't do it until you're married Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making      **Sex, Marriage, and Family in World Religions** Don S. Browning, M. Christian Green, John Witte Jr., 2006-02-01 Spanning thousands of years this new collection brings together writings and teachings about sex marriage and family from the Jewish Christian Islamic Hindu Buddhist and Confucian traditions The volume includes traditional texts as well as contemporary materials showing how the religions have responded to the changing conditions and mores of modern life It reveals the similarities and differences among the various religions and the development of ideas and teachings within each tradition Selections shed light on each religion's views on a range of subjects including sexuality and sexual pleasure the meaning and

purpose of marriage the role of betrothal the status of women the place of romance grounds for divorce celibacy and sexual deviance Separate chapters devoted to each religion include introductions by leading scholars that contextualize the readings The selections are drawn from a variety of genres including ritual legal theological poetic and mythic texts The volume contains such diverse examples as the Zohar on conjugal manners a contemporary Episcopalian liturgy for same sex unions Qur'anic passages on the equality of the sexes the Ka masu tra on husbands wives and lovers Buddhist writings on celibacy and Confucian teachings on filial piety Contributors include Michael S Berger Emory University Azizah Y al Hibri Richmond School of Law Alan Cole Lewis and Clark College Paul B Courtright Emory University Patricia Buckley Ebrey University of Washington Raja M El Habti Muslim Women Lawyers for Human Rights Luke Timothy Johnson Emory University Mark D Jordan Emory University

*Sex and the Soul* Donna Freitas, 2008-04-11 Based on dozens of face to face interviews *Sex and the Soul* explores the sexual and spiritual lives of today's college students Donna Freitas crisscrossed the country visiting a range of America's colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas's research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing *Sex and the Soul* will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what's happening on today's college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor

*Sex, Religion, Media* Dane S. Claussen, 2002-10-16 Each chapter in this unique volume explores intersections of sex religion and media in our society An interdisciplinary cast of contributors examines a wide variety of themes including entertainment producers roles in disseminating sexual and religious content news coverage of stories about sex and religion religious conservatives efforts to influence media coverage of sex and values

and how religious consumers are influenced by and react to sexual content in media

### **The God-idea Of The Ancients**

Eliza Burt Gamble, 2023-07-18 Delve into the provocative subject of sex in religion with Eliza Burt Gamble's groundbreaking work. Drawing on sources from across the ancient world, Gamble argues that sexual symbolism and ritual played a central role in many of the world's earliest religions. Her insightful analysis challenges readers to reconsider their assumptions about the intersection of spirituality and sexuality. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

### **Sex & God** Darrel Ray Ed D., Darrel Ray, 2012

Why are all the major religions consumed with sex? What makes sex so important, whether Buddhism or Islam, Christianity or Mormonism? What is the impact of religion on human sexuality? This book explores this and more. It ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality, who you marry, the pleasure you get or don't get from sex, and what you can do about it.

### **Forbidden Fruit** Mark Regnerus, 2007-03

Americans remain deeply ambivalent about teenage sexuality. Many presume that such uneasiness is rooted in religion. But how exactly does religion contribute to the formation of teenagers' sexual values and actions? What difference, if any, does religion make in adolescents' sexual attitudes and behaviors? Are abstinence pledges effective? What does it mean to be emotionally ready for sex? Who expresses regrets about their sexual activity, and why? Tackling these and other questions, *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers, paying particular attention to how participating in organized religion shapes sexual decision making. Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America, Mark Regnerus reviews how young people learn and what they know about sex from their parents, schools, peers, and other sources. He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious, moral, and responsible persons. Religion can and does matter, Regnerus finds, but religious claims are often swamped by other compelling sexual scripts. Particularly interesting is the emergence of what Regnerus calls a new middle-class sexual morality, which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs. And strikingly, evangelical teens aren't less sexually active than their non-evangelical counterparts; they just tend to feel guiltier about it. In fact, Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations. The only and largely ineffective sexual message most religious teens are getting is "Don't do it until you're married." Ultimately, Regnerus concludes, religion may influence adolescent sexual behavior, but it rarely

motivates sexual decision making      **Sex, Religion, and the Making of Modern Madness** Ann Goldberg, 2001-02-22 Drawing on a rich set of asylum patient case records this book reconstructs the encounters of state officials and medical practitioners with peasant madness and deviancy during a transitional period in the history of both Germany and psychiatry Focusing on religious madness nymphomania masturbatory insanity and Jewishness this study probes the daily encounters in which psychiatric categories were applied experienced and resisted within the settings of family village and insane asylum Goldberg's careful examination sheds light on a range of issues concerning gender sexuality religious politics class relations state building and antisemitism      *What the Bible Really Does (and Doesn't) Say about Sex* Matthew O'Neil, 2015 A biblically based counter to the arguments made by the Christian right in debates over gay marriage women's rights contraception and abortion People are constantly judged for their sexual choices their frequency of sexual activity their selection of partners and their decisions regarding birth control and much of this judgment stems from the element of culture perhaps most preoccupied with sex religion What the Bible Really Does and Doesn't Say about Sex addresses this often unhealthy and troublesome relationship between sex and religion Focusing principally on Christianity it examines the arguments religious moralizers and sanctimonious politicians make to condone or condemn certain sexual practices and lifestyles But do they even get it right What does scripture really say about the how when why and with whom of sex Is homosexuality really an abomination Is abortion murder Is premarital sex a sin The answers may surprise you the Bible does not always make the claims those who wave it passionately in the air say it does In fact the Bible often says nothing at all about many of the practices and lifestyles the faithful argue so vociferously for or against By setting the biblical record straight this book offers highly compelling arguments for those who want to keep religion off their bodies and out of their bedrooms It also reminds puritanical crusaders that before they thump their Bible on street corners or in campaign speeches they should perhaps read and understand it first      *Sex and the Constitution: Sex, Religion, and Law from America's Origins to the Twenty-First Century* Geoffrey R. Stone, 2017-03-21 A New York Times Book Review Editors Choice Selection A volume of lasting significance that illuminates how the clash between sex and religion has defined our nation's history Lee C Bollinger president Columbia University Lauded for bringing a bracing and much needed dose of reality about the Founders views of sexuality New York Review of Books Geoffrey R Stone's *Sex and the Constitution* traces the evolution of legal and moral codes that have legislated sexual behavior from America's earliest days to today's fractious political climate This fascinating and maddening Pittsburgh Post Gazette narrative shows how agitators moralists and especially the justices of the Supreme Court have navigated issues as divisive as abortion homosexuality pornography and contraception Overturning a raft of contemporary shibboleths Stone reveals that at the time the Constitution was adopted there were no laws against obscenity or abortion before the midpoint of pregnancy A pageant of historical characters including Voltaire Thomas Jefferson Anthony Comstock Margaret Sanger and Justice Anthony Kennedy enliven this commanding synthesis of scholarship Publishers

Weekly that dramatically reveals how our laws about sex religion and morality reflect the cultural schisms that have cleaved our nation from its founding

**Sex and Religion** Christel Manning, Phil Zuckerman, 2005 Offers a collection of diverse and authoritative viewpoints on the relationship between spirituality and sexuality in the world's major religions Each chapter explores the teachings and practices of a particular religion regarding sex and sexuality explains controversial issues and describes the diverse responses to those issues that exist within that traditions This collection is perfect for courses in religion and sexuality religion and gender world religions or the social aspects of religion Page 4 of cover

**Sex Therapy with Religious Patients** Caleb Jacobson, 2024-05-27 Sex Therapy with Religious Patients is a comprehensive guidebook for mental health professionals who work with those struggling with sexual issues within a religious context The book provides practical guidance on how to approach sensitive topics related to sex and religion including addressing religious beliefs and values that may impact sexual behavior beliefs and attitudes Drawing on research and clinical experience the book offers a range of evidence based interventions for working with individuals from different Jewish Christian and Muslim backgrounds It also explores the unique challenges and opportunities presented by patients religious beliefs and provides strategies for integrating spirituality into the therapeutic process The book is written in an accessible and engaging style with real life case examples and exercises that can be used in therapy sessions It is an essential resource for mental health professionals seeking to enhance their skills in working with religious individuals who are seeking sex therapy

**Census of India, 1911 ...** India. Census Commissioner, 1912

**Sex Discrimination and Sex Stereotyping in Vocational Education** United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education, 1975

**Psychology of Religion and Families** Loren D. Marks, David C. Dollahite, 2025-07-21 Now in its second edition this multidisciplinary text addresses the growing scholarly connection between religion and family life while offering an accurate and engaging account of why and how families are impacted by their religion This updated volume integrates the social science literature from family studies psychology sociology and religion with narratives drawn from in depth interviews with 300 racially religiously and regionally diverse families that bring the concepts to life Written in a thought provoking accessible style by two of the leading researchers in the field this book reflects the author's first hand experience in teaching today's students about religion's influence on families This book examines Christianity Judaism and Islam addresses the impact of religious involvement on longevity divorce rates and parenting styles and considers demographic family couple and individual level data that relate to prayer and other sacred practices New chapters explore The Conflicts Struggle and Stressors of Religion Racial and Ethnic Minorities and Religion Religion Sex and Gender Roles in Marriage Pedagogical features include boldfaced key terms defined in the glossary text boxes chapter conclusions summary points and review questions Intended as a text for undergraduate courses in family and religion the psychology or sociology of the family the psychology or sociology of religion pastoral biblical counseling or family and youth ministry taught in human development

and family studies psychology sociology religion social work pastoral counseling and philosophy this book is also relevant to family therapists and counselors **COMPSTAT 1982 5th Symposium held at Toulouse 1982** H. Caussinus,P.
