Patterns Of Infidelity And Their Treatment Emily M. Brown,2013-05-13 The new edition of this highly regarded book includes comprehensive discussion of the nature of an affair and the five types of affairs and their underlying dynamics The author addresses issues regarding revealing the affair management of the consequences rebuilding and treating an unmarried third party as well as the host of complex issues regarding children and custody arrangements New material for the second edition includes cybersex and the effects of new technology on fidelity in marriage the effects of managed care on treatment marriage to the third party and a new chapter on affairs and violence *What Happens After Shattered?* Dr. Deanna Sims,2015-09-04 It is no secret that many hearts have been shattered by infidelity With affairs and sexual addiction at all time highs in our society it is no wonder that those affected by the real life trauma and agonizing pain of unfaithfulness search for ways to cope forgive and eventually heal In her comprehensive Christian self help guidebook *What Happens After Shattered* licensed mental health counselor Dr Deanna Sims shares gentle guidance that includes case examples strategies for coping and healing and over one hundred biblical passages With the hope of encouraging and supporting those on a journey to healing after infidelity Dr Sims addresses many key issues including how to identify the different types of affairs honor anger as a natural phase of grieving navigate through the discovery and disclosure phases of an affair understand narcissism and its correlation to infidelity answer questions to determine whether to reconcile or terminate the marriage implement an affair prevention plan to safeguard your marriage work toward a spirit of forgiveness *What Happens After Shattered* reinforces the important message that hope personal growth and healing are possible even after the life altering experience of an affair A unique and valuable resource for those in the Christian community Peggy Vaughan author of *To Have and To Hold* and host of *DearPeggy.com* A well thought out Christian counseling book on the topic of infidelity Rona Subotnik LMFT coauthor of *Surviving Infidelity* 3rd Edition and author of *Why Did He Cheat on Me* *The Extramarital Affair* Herbert S. Strean,2000 An extramarital affair is according to Dr Herbert Stream a form of neurotic behavior that reflects the person s unresolved childhood conflicts and present level of maturity Using numerous case histories that provide excellent illustrations he describes conflicted marriages and the expectations disappointments and frustrations of those who use affairs as a means of escape Issues such as mate choice types of marriages spouses reactions and unconscious compliance add depth and complexity to this important and often provocative subject **The Etherized Wife** Leslie Margolin,2021 The

Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender. The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men's expectations. What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality. To support these claims Leslie Margolin maps a series of case studies drawn from the discipline's own literature, the articles and books that have been and continue to be treated as exemplars of the discipline's collective consciousness. Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less, the book shows how therapists have favoured the man's side. The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal, natural, healthy sexuality.

Walter and Ingrid Trobisch and the Globalization of Modern, Christian Sexual Ethics Anneke H. Stasson, 2021-05-13. Walter and Ingrid Trobisch played a major role in shaping a transcultural conversation about love, sex, gender, identity and marriage during the mid twentieth century. The Trobisches are most well known for Walter's book *I Loved a Girl* 1962 which he wrote while teaching at Cameroon Christian College. Within a decade one million copies of the book were in circulation, it was translated into seventy languages and Trobisch had received ten thousand letters from African and American readers of the book asking for relational advice. The Trobisches founded an international marriage counseling ministry to answer these letters. While the Trobisches held paternalistic attitudes common among western missionaries of their generation, their vision of sexuality helped Christians in Africa and the United States to navigate changing sexual norms of the mid twentieth century.

The Act of Marriage Beverly LaHaye, 1998. This updated and expanded edition expands some of the subjects that were discreetly touched on in the earlier edition, explores how the latest discoveries in the field of medicine and social practice confirm the principles taught in the book.

Father-Daughter Incest in Twentieth-Century American Literature Christine Grogan, 2016-10-03. The first major study to challenge the narrow definition of post-traumatic stress disorder (PTSD) by rereading six American literary texts, this book argues for the importance of literature in representing not just circumscribed singular traumatic events as Cathy Caruth argued in the late nineties, but for giving voice to chronic and cumulative or complex traumatic experiences. This interdisciplinary study traces the development of father-daughter incest narratives published in the last hundred years from male-authored fiction to female-authored memoir, bringing new readings to Fitzgerald's *Tender Is the Night*, Ellison's *Invisible Man* and the Dylan Farrow-Woody Allen case. This study builds on the work of those ushering in a second wave of trauma theory which has argued that the difficulty of speaking about a traumatic experience is not necessarily caused by neurobiological changes that prevent victims from recalling details. Rather, it's from social and political repercussions. In other words, they argue that many who experience trauma aren't unable to deliver accounts; they fear the results. There is a significant gender component to trauma whose implications, along with those of race and class, have largely gone unexamined.

in the first wave of trauma theory Exploring two additional questions about articulating trauma this book asks what happens when the voice of trauma is crying out from what Toni Morrison has called the most delicate most vulnerable member of society a female child and second what happens when the trauma is not just a time limit event but chronic and cumulative experiences Some traumatic experiences namely father daughter incest are culturally reduced to the untellable and yet accounts of paternal incest are readily available in American literature This book is written in part as a response to the psychological community which failed to include complex PTSD in the latest edition of the DSM DSM 5 denying victims many of whom are father daughter incest survivors the validation and recognition they deserve and leaving many misdiagnosed and thereby mistreated

Parents as Sexuality Educators Susan Untener Snyder, Sol Gordon, 1984 2531 entries to monographic literature audiovisual materials and organizations Also contains section on Spanish materials Arranged according to sections for parents and professionals Each entry gives bibliographical information and annotation

Miscellaneous appendixes Author subject and title indexes Parenting George W. Holden, Amanda W. Harrist, 2024-09-03

Parenting A Dynamic Perspective explores the interaction between parents and children as they shape each other over time George Holden and new co author Amanda Harrist present the latest research on parenting in an engaging and accessible matter The updated Fourth Edition addresses contemporary issues such as media influence diverse family dynamics and societal challenges drawing on interdisciplinary research and perspectives The text takes a life course perspective exploring the parent child relationship from the prenatal and infant period through adulthood through an ecological lens Readers will have a deeper understanding of effective parenting in a healthy society and will be equipped to apply knowledge to their own lives

Parents Who Cheat Ana Nogales, 2010-01-01 Nationally known psychologist Ana Ledwin Nogales addresses the affects of parental infidelity on childhood development and on these children s relationships as adults Many books explore the affects of marital infidelity on a marriage but Parents Who Cheat is the first book to examine not only how this behavior contributes to the breakdown of a family structure but how it directly affects the children in that family With compassion and piercing insight Dr Ana Ledwin Nogales explains how adultery damages a child s understanding of love marriage and trust As these children grow toward adulthood their ability to have healthy relationships is compromised Through stories of children struggling to understand their parents adultery as well as case histories of adult children coping with unresolved issues related to parental infidelity Dr Nogales shows how destructive habits are formed and points the way toward healing and the creation of healthier relationships with parents and partners

A Parent's Guide to Sex Education Mary Ann Mayo, 1986

Transcending Post-Infidelity Stress Disorder Dennis C. Ortman, 2011-09-21 Have you been traumatized by infidelity The phrase broken heart belies the real trauma behind the all too common occurrence of infidelity Psychologist Dennis Ortman likens the psychological aftermath of sexual betrayal to post traumatic stress disorder PTSD in its origin and symptoms including anxiety irritability rage emotional numbing and flashbacks Using PTSD treatment as a model Dr Ortman will show

you step by step how to work through conflicting emotions Understand yourself and your partner Make important life decisions Dr Ortman sees recovery as a spiritual journey and draws on the wisdom of diverse faiths from Christianity to Buddhism He also offers exercises to deepen recovery such as guided meditations and journaling and explores heart wrenchingly familiar case studies of couples struggling with monogamy By the end of this book you will have completed the six stages of healing and emerged with a whole heart a full spirit and the freedom to love again **Sexual Ethics** Stanley

James Grenz,1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God s grace to all **Infidelity** Paul R.

Peluso,2007-06-15 When one partner in a relationship is unfaithful to the other it takes a lot of work by both parties involved to salvage the relationship In today s therapy friendly climate marriage couples counseling is often a part of that rebuilding process Many couples seek out professional therapy after an affair is out in the open but often the act of infidelity is revealed while uncovering and discussing unrelated issues for which the couple is in counseling And yet amazingly as common as this complex and difficult topic arises in therapy there is relatively little professional literature devoted to understanding and treating infidelity In this volume Paul Peluso has assembled a truly impressive list of contributors from a range of disciplines and backgrounds including marital therapy family therapy evolutionary psychology marriage research and cyberstudies with the aim of filling this void Darling Georgie Dennis Friedman,2014-02-01 Eminent psychiatrist Dennis Friedman turns his

acute gaze on our present Queen Elizabeth s grandfather King George V 1885 1936 to reveal the man behind the monarch Taking as his starting point the widely held belief that the personality and behavior of parents and grandparents have a powerful influence on the children and grandchildren and even great grandchildren Dr Friedman s insightful biography contains new evidence It suggests an emotional inheritance partly derived from his father Edward VII s psychologically damaging upbringing at the hands of Queen Victoria that he was to pass on to his own children In the case of George a suffocating relationship with his mother compounded by the absence and neglect of his father caused him as a child to suffer extreme separation anxiety which was reinforced by his being sent away to boarding school at the age of 11 where he was bullied by other victims of similar parenting His often unhappy time in the Navy and later sexual development is also scrutinized as are his years on the throne History depicts George V as a model husband a near perfect father and a self confident monarch Dr Friedman s study of his personal life reveals a quite different man whose legacy is still evident in today s royals **Recovery from Sexual Addiction: a Man'S Guide** Paul Becker,2012-05-14 Recovery from Sexual Addiction A

Mans Guide and a companion workbook help men learn how to achieve a high level commitment to change their behavior and thinking Men are introduced to insights on how to move out of compulsive behavior depressed mood and isolation into a

more fulfilling life Readers will learn about the Addicts Life Scale a simple yet insightful tool that illustrates how ones mood is directly related to destructive acting out behaviors Once a man becomes aware of his mood levels he can begin to take proactive steps to reach and sustain a mood level where he feels confident and motivated to remain free of destructive acting out behaviors Book chapters are structured to help men examine their most personal issues including the nature and origin of sexual addiction the roles of anger anxiety isolation and depression in sexual addiction how co dependency fosters sexual addiction how to cultivate self awareness and improved attitude and creating a healthy life style absent sexually acting out Ultimately readers will discover the satisfaction that comes from improved relationships with their spouses children other men and God Paul Beckers unique Recovery From Sexual Addiction series includes a core book client workbook and a clinician guide The three texts use an interactive approach to help therapists and clients thoroughly explore the roots of sexual addiction and effective ways to achieve long term recovery The series is especially helpful to therapists who prefer to base recovery on principles proven by Dr Patrick Carnes **Building Bridges** Kendra Weddle,Jann

Aldredge-Clanton,2018-05-03 Letha Dawson Scanzoni changed the landscape of American evangelicalism through her groundbreaking work on the gospel based intersection of gender and LGBTQ justice She coauthored two of the first books that support women s equality and LGBTQ rights with the Bible All We re Meant to Be and Is the Homosexual My Neighbor In all her work Scanzoni applies the liberating message of Jesus to women and to people who have been marginalized by church and society because of sexual orientation Building Bridges combines an exploration of the life and work of Letha Dawson Scanzoni with stories of people she continues to empower through her writing and the Evangelical Ecumenical Women s Caucus Christian Feminism Today an organization she cofounded This book illustrates her growing influence as she continues her prophetic collaboration with new generations In addition it provides resources for churches as they build bridges for their ministries of liberation justice and peace
