Sex Is A Spiritual Act:

Sex Is a Spiritual Act Dale H. Conaway, 2002-03-20 These two volumes are authoritatively written and lay a solid spiritual foundation for sexual morality. These books are educational, instructional, and inspirational; they also provide detailed information about the sources and dangers of current sexual trends in our society. Both books represent a unique combination of biblical and biological truth centered upon a theme of sexual purity. *Sex Is a Spiritual Act* Purity Press Publishers, 2000-06-01

The Battle Against Sexual Sin Uchechukwu K. Ozua, *The Battle Against Sexual Sin* A Christian Perspective is all about the importance of learning and understanding sexual sins, its dangers, and freedom from it through sexual purity. The book explains the unnaturalness of sexual perversions, its harbingers, and the characters involved in the acts. Highlights include sexual sin and sexual perversions, masturbation, sexting, sexual sin and teenagers. The author uses this book to tell the readers that despite how sexually amoral the world has become, Christians can live a chaste and undefiled life through the grace of God. After reading this book, you will understand how sexual perversions are generated, who generates them, what consequences are involved, and most importantly, how to be free from them. The book will tell you how to keep yourself, body, soul, and spirit undefiled like a purified life in this crooked and perverse generation.

Deliverance From Spirit Husband And Spirit Wife Dr. D. K. Olukoya, The issue of spirit husband and spirit wife, spirit spouses, evil spiritual marriage is one of the greatest spiritual problems which has pervaded societies of the world. There are vicious sexual spirits which molest and torment individuals. This book teaches you how to receive deliverance from spirit spouses and other associated wicked powers.

Teachings of Andrea, The Tungate Tina, 2000-05 **The Politics of Love** Carla Christina Hustak, 2024-02-13 *The Politics of Love* explores the entanglement of emotions, social movements, and science in reconfiguring human and nonhuman relations. As Darwin's evolutionary theory informed the development of sexual science and the sex reform movement between the 1890s and the 1920s, sex reformers emerged as a group of diverse and culturally influential professionals: doctors, psychologists, artists, political activists, novelists, and academics who shared a profound commitment to changing the world by changing the practice of sex. Sex reformers reinvented love as a scientific practice of sex that brought humans and nonhumans into the fold of early twentieth-century racial, gender, and sexual politics. Carla Christina Hustak illuminates how sex reformers' insistence that love can shift human and nonhuman relations is more than just a historical narrative; it is a moment in time interconnected with urgent contemporary concerns over the global implications of our emotional relationships to other humans, animals, the earth, and atmospheric and technological forces.

Why True Love Waits Josh McDowell, 2002 How can parents, youth workers, and teachers help teens resist the immense pressure to be sexually active before marriage? Josh McDowell's classic *Why Wait* has been updated and revised in this new reference work to prepare adults with answers and a solution to kids' struggles to remain sexually pure in today's culture. *Why True Love Waits* equips readers with emotional, relational, physical, and spiritual reasons to share with young people to

help them resist sexual pressure Sexual Ethics Stanley James Grenz,1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God s grace to all *Is There a Samson in You?* Ronald Roseboro H. Ronald Roseboro,H. Ronald Roseboro,2010-03 Men oftentimes suffer in silence during their time of midnight bondage Many of our issues are secretly masked behind academic achievements fame tittles positions and financial status Our quiet screams knife through the atmosphere but only to pierce the realm of our own frustrations Is there a Samson in you takes a candid look into the life of one of history s most famous and strongest men to draw a parallel between Samson s weaknesses and that of many men today Men will uncover the need for inner healing and true masculinity Women will discover male struggles as we gaze in the mirror of freedom The Holy Spirit Will Deliver You Patricia L. Loranger,2018-06-15 Does it seem you just cannot win the battle over the devil Are you battling the temptation to sin or hiding secret sins from your church and family Do you find it difficult to participate in church groups or struggle to pray and read the Bible When we think of deliverance we think of salvation but this is only the first step Deliverance is receiving freedom and many Christians need freedom from their loaded baggage of sin We say the sinner s prayer and we think that s it we ve got our deliverance But this is just the beginning Some Christians struggle their whole lives with temptation they need deliverance and there are so few deliverance ministries out there The Holy Spirit Will Deliver You offers hope and guidance toward relief and redemption With the aid of the Holy Spirit author Patricia L Loranger undertook two lengthily spiritual deliverances in which she cast a large number of evil spirits out of herself She knows that through the aid of God s Spirit that dwells within all believers can set themselves free from the chains that bind them Based on one woman s personal experiences and grounded in scripture this guide provides Christians seeking deliverance with answers and steps to take toward their ultimate freedom *Christianity: The Devil's Greatest Trick* Adam Weishaupt,2013-01-25 It s a simple fact that most Christians know next to nothing about Christianity How many people are aware of the many heresies that were stamped out by the early Church Had any of these heresies triumphed the world would be a very different and much saner place Find out about the monstrous St Augustine and his doctrines of grace Original Sin Predestination and the Total Depravity of the human race This saint was happy to send to hell unbaptised babies that died in infancy His great enemy was the humane and rational Celtic monk Pelagius The great tragedy of Christianity is that it listened to Augustine rather than Pelagius Were the Jews advocates of temple prostitution even within the confines of Solomon s holy temple to Yahweh The material in this book is provided by the Pythagorean Illuminati the oldest secret society in the world and is not for petty cheap narrow minded religious fanatics *Sex, Jesus, and the Conversations the Church Forgot* Mo Isom,2018-03-06 Sex In a world overwhelmingly obsessed with it why is the church so silent about it

While our secular culture twists perverts cheapens and idolizes sex there are gaping holes in the church's guidance of young people. The result is generations of sexually illiterate people drowning in the repercussions of overwhelming sin struggles. Enough is enough says Mo Isom. With raw vulnerability and a bold spirit she shares her own sexual testimony opening up the conversation about misguided rule following virginity temptation porn promiscuity false sex expectations sex in marriage and more and calling readers back to God's original design for sex a way to worship and glorify him. This book is for the young person tangled up in an addiction to pornography for the girlfriend feeling pressured to go further for the good girl who followed the rules and saved herself for marriage and then was confused and disappointed for the married couple who use sex as a bargaining tool for every person who casually watches sex play out in TV and movies and wonders why they're dissatisfied with the real thing and for every confused or hurting person in between. Sex was God's idea. It's time we invited him back into the bedroom.

CONTENDING FOR THE FAITH Christopher H.K. Persaud, 2013-05-21. Doubt and disbelief in God's existence and his plan of redemption for lost humankind is becoming increasingly evident in today's hedonistic self-directed world. Many Christian believers even choose to listen to and to acknowledge a feel good now Gospel notwithstanding its deviation from Biblical truth and its possible damning implications. Conversely many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and or destruction called hell. A good God cannot be so cruel they opine. Jesus commissioned his followers to take his Gospel to the far reaches of the Earth and the Holy Scriptures encourage Christians in Jude 1-3 to earnestly contend for the faith. More than at any other time in history believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ's offer of eternal life in a place named Paradise. The miscellany of contemplative inquiries and arguments presented in **CONTENDING FOR THE FAITH** purposes to do just that endorse and advance the Gospel of Christ and help establish Biblical truth. Much too much is at stake for not spreading or not listening to Christ's entreaty. *From Sacrament to Contract, Second Edition* John Witte Jr., 2012-01-31. This newly revised and enlarged edition of John Witte's authoritative historical study explores the interplay of law theology and marriage in the Western tradition. Witte uncovers the core beliefs that formed the theological genetic code of Western marriage and family law. He explores the systematic models of marriage developed by Catholics Lutherans Calvinists Anglicans and Enlightenment thinkers and the transformative influence of each model on Western marriage law. In addition he traces the millennium long reduction of marriage from a complex spiritual social contractual and natural institution into a simple private contract with freedom of entrance exercise and exit for husband and wife alike. This second edition updates and expands each chapter and the bibliography. It also includes three new chapters on classical biblical and patristic sources.
