Sex Love And You Making The Right Decision:

Sex, Love, and You Thomas Lickona, Judith Lickona, William Boudreau, 2003-03-03 The pressure on teens to be sexually active only increases and multiplies as the years go on Today teens are under enormous pressure to be sexually active Popular culture tells them that uncommitted responsible sex is possible Television movies and the Internet anxious to depict reality find themselves promoting as perverse of sexual behavior imaginable More than ever teens continue to need a clear understanding of the physical and psychological fallout of acting out sexual behavior apart from marriage Strongly rooted in Catholic Tradition Sex Love and You Making the Right Decision promotes the value of chastity and tells teens how their lives will be better if they refrain from sexual intimacy before marriage In a direct no nonsense fashion authors Tom and Judy Lickona examine the dangers of sexual activity and the rewards of waiting They explore all side of the sex debate from helping distinguish between myth and fact to examining the physical and emotional dangers of uncommitted sex from unearthing fallacies and popular misconceptions about premarital sex to developing a personal plan that will allow young people to live a chaste life

Sex, Love & You Thomas Lickona, Judy Lickona, William Boudreau, 1994 Rooted in the Judeo Christian tradition promotes the value of chastity to teens In a direct no nonsense fashion the authors examine the dangers of sexual activity and the rewards of abstinence A perfect follow up resource to give to teens

Sex and the American Teenager R. Murray Thomas, 2009-07-23 Sex and the American Teenager provides an expert s assessment of the controversies surrounding the sexual development of adolescents and their beliefs and problems regarding such matters Using numerous case studies Dr Thomas illustrates specific ways that sexual issues arise in school and the variables that impact each case while suggesting ways parents and school officials can deal with problematic situations Though not simply statistics laden Dr Thomas s book is replete with information about teenagers who engage in sexual acts become pregnant are sexually abused and contract sexually transmitted diseases Dr Thomas also discusses the coping methods teenagers use and he describes the types of sex education programs in which students are most likely to participate Dozens of case studies illustrate how problems of students sexual behavior can differ from one incident to another depending on the teenagers ages family backgrounds school settings and the culture of the surrounding communities Thomas concludes the book by summarizing the recent past and speculating about the likely status of sex in schools in the years ahead

Are You Making Love or Just Having Sex? Elliot D. Cohen, 2024-10-15 In making love one is elevated beyond the carnal desires it satisfies For the religious it is Divine for those who are not religiously inclined it is still a spiritual experience one of seamless solidarity a unity of two as one that defies mere orgasmic stimulation You don t have to make love to have sex Even strangers can be sexually attracted and have an orgasmic escapade But in the act of making love there is symbolic meaning that is felt through and through the sex act Two in love are joined in life and the sexual expression of this unison is deeply felt in the sex act itself This is sexual intimacy the making of love the likes of which is rarely if ever seen outside a loving relationship There is

no escape from the philosophical dimensions of such a loving relationship It is as abstract as it is concrete in the ideals that ground it There is a mystery about it a kind of transcendent experience that defies translation into words Making and being in love are thus joined at the hip Loving relationships make the bed in which true lovers sleep Unfortunately many relationships flounder or never get off the ground Just having sex may ease the tension but it then becomes a means not truly an end in itself The moment the sex act ends the couple may retreat and fall into discord It is an oasis in a barren desert that provides temporary relief a titillating temporary escape from reality This book can help you to overcome the obstacles the unlovable habits that encumber your relationship both inside and outside the bedroom It can help to create the harmonic balance between your sex life and other aspects of your personal and interpersonal relationships which are preludes to making and being in love To accomplish this it applies a five step method based on Logic Based Therapy Consultation LBTC a popular form of evidence based philosophical counseling modality First it introduces you to six types of unlovable ways of thinking and acting and helps you to identify the ones that may be sabotaging your own relationship Second it shows you how to counter these self defeating habits with certain lovable goals virtues of love Third it helps you to identify and embrace a personal love philosophy that empowers you to reach for your lovable goals Fourth it provides core philosophical ideas that are key to any successful quest for romantic love Fifth it helps you construct a behavioral plan that applies your philosophies to making constructive changes in your relationship The latter may require making changes both inside and outside your relationship Thus this book also shows you how the problems you are having in one area of your life at work in your social life etc can affect the quality of your relationship inside and outside the bedroom and it offers guidance including self improvement exercises to overcome these impediments and attain enduring love and sexual intimacy Sexuality Education
