Knowing How John Bengson, Marc A. Pregnancy in a High-tech Age Robin Gregg, 1995-04 Too often in the debate over reproductive rights and technologies we lose sight of the fundamental emotional and psychological issues that define the experience of pregnancy Robin Gregg here draws on the words and stories of over thirty women to provide a first hand perspective on pregnancy in the modern age In an age where a new advance in reproductive technology occurs seemingly every month pregnancy has come to be defined by such medical procedures as prenatal screening amniocentesis fetal monitoring induced labor and cesarean sections Public policymakers ethicists religious figures and the medical establishment control the debate drowning out the voices of women who grapple in the most immediate sense with the issues Even feminist theorists often overlook the nuances and paradoxes of the reproductive revolution as experienced by individual particular women The reader follows these thirty women as they speak about whether to become pregnant and by what means how to choose a health provider what meaning they attribute to their pregnancies and how they navigate their way through the contradictory pressures they face during pregnancy The intimate nature of Gregg s research consisting as it does largely of women s pregnancy narratives lends her book a vibrancy often lacking in academic writing about reproduction

How to Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a

slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here s the problem Daniel doesn t think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you re fighting your own body Truth is you really can t enjoy sex when you re fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn t have to hold back He doesn t have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn t matter Previous experience doesn t matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don t stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night **Naked and Unashamed** Davenia Jones Lea,2016-03-30 After two years Shula still cant believe her husband Seth is gone In an effort to live again and to feel again she accepts an offer to counsel women about marriage love and fulfillment at Namaans a Christian spa and retreat center designed to meet the spiritual emotional mental and physical needs of women It all begins with Shulas first week long retreat Naked and Unashamed where she leads four women on a journey exploring the ins and outs of the big S Barbaras husband just retired and has finally joined her at home Shes dreamed of this moment but so far nothings changed Barb reasons there must be passion after sixty and shes hoping shell discover ways to spice things up in more ways than adding cayenne pepper to her chicken tetrazzini Lindsey hopes to boost her confidence as her wedding draws near Shes done it rightvirgin til I doyet the man she loves took an alternate route How will Lindsey measure up to Gabriela the mother of her fiancs son and how on earth will she fare as a stepmother and new wife Then theres Savannah who believes she has the perfect marriage So why did her husband Reed suggest she attend this retreat Savannahs hoping some new moves in the kitchen and bedroom will solve her problems But Shulas hoping she can help Savannah uncover the root of her struggles and do what it takes to penetrate the wall that guards her heart And finally theres Alex Shes already determined divorce is the answer She makes six

See Me Naked Amy Frykholm, 2011-11-01 A fascinating troubling and finally heartening book that subtly shows ways that Christians might reconcile their bodies with their devotion

to God Highly recommended for individual Christians but also for pastors and church groups Library Journal starred review

Stories of sexual scandals in churches throughout the nation have been downright routine in recent years suggesting to many Americans that a deeply rooted problem plagues American Christianity and prompting some to abandon their congregations altogether In *See Me Naked* Amy Frykholm takes us beyond simple indictments of or blind allegiance to Christian cultures to explore the complex intimate intersection of sexuality and spirituality as it affects the lives of ordinary Christians Recounting with care and nuance the life histories of nine American Protestants Frykholm shows us the harm done by the rules based sexual ethic now dominant which alternately denies and romanticizes sexuality But she also points to how American Christians might otherwise access their spiritual tradition to heal the divide between religion and sexuality One story examines the intricate relationship between a man s religious faith and his sexual addiction In another a man defines religion as a wall that kept him from the discovery that he was gay One young woman uses sex to defy her devout parents while another seeks to transcend her body by going without food Nearly everyone interviewed in *See Me Naked* remains a Christian with some further on their journey than others Yet each of them is working to understand the connection between their desires and their faith Ultimately their stories stories of pain and violence perseverance and courage attest to the healing power of struggling through the wild and uncertain experiences of life *See Me Naked* explores the many ways that people work to recover from harmful beliefs and restores the notion that one of the key insights of Christianity is that the body with all its struggles pains and difficulties is a vehicle of the holy and can lead us into a more full relationship with God

The Culture Code Clotaire Rapaille, 2006-06-06 Why are people around the world so very different What makes us live buy even love as we do The answers are in the codes In *The Culture Code* internationally revered cultural anthropologist and marketing expert Clotaire Rapaille reveals for the first time the techniques he has used to improve profitability and practices for dozens of Fortune 100 companies His groundbreaking revelations shed light not just on business but on the way every human being acts and lives around the world Rapaille s breakthrough notion is that we acquire a silent system of codes as we grow up within our culture These codes the Culture Code are what make us American or German or French and they invisibly shape how we behave in our personal lives even when we are completely unaware of our motives What s more we can learn to crack the codes that guide our actions and achieve new understanding of why we do the things we do Rapaille has used the Culture Code to help Chrysler build the PT Cruiser the most successful American car launch in recent memory He has used it to help Procter Gamble design its advertising campaign for Folger s coffee one of the longest lasting and most successful campaigns in the annals of advertising He has used it to help companies as diverse as GE AT T Boeing Honda Kellogg and L Or al improve their bottom line at home and overseas And now in *The Culture Code* he uses it to reveal why Americans act distinctly like Americans and what makes us different from the world around us In *The Culture Code* Dr Rapaille decodes two dozen of our most fundamental archetypes ranging from sex to money to health to America itself to give

us a new set of glasses with which to view our actions and motivations Why are we so often disillusioned by love Why is fat a solution rather than a problem Why do we reject the notion of perfection Why is fast food in our lives to stay The answers are in the Codes Understanding the Codes gives us unprecedented freedom over our lives It lets us do business in dramatically new ways And it finally explains why people around the world really are different and reveals the hidden clues to understanding us all
