Sex Priestly Ministry And The Church:

Sex, Priestly Ministry, and the Church Len Sperry, 2003 Would removing the celibacy requirement really eliminate priest pedophilia Won't tough corrective measures such as a zero tolerance policy only exacerbate the priest shortage These questions reflect the kind of concerns many of us are thinking and talking about lately Despite the ongoing media coverage of sexual impropriety in the Church there is relatively little known about sexuality issues involving priests Sex Priestly Ministry and the Church provides an objective and authoritative account of psychosexual development in priests and key background information on the many sexual issues facing the Church today It is a concise comprehensive one of a kind resource of the most current information needed to understand these sexual issues and controversies and make reasoned responsible decisions Chapters under Part I Essential Facts Psychosexual Development are Sex and Sexuality Everything You Need to Know The Process of Psychosexual Development and Sexuality Intimacy and Celibacy Chapters under Part II Essential Facts Sexual Misconduct are Determinants of Ministry Health and Sexual Misconduct Abusiveness and Sexual Misconduct Narcissism Sexuality and Sexual Misconduct and Priest Sexual Misconduct with Children Adolescents and Adults Chapters under Part III Pressing Sexual Issues are Selecting Suitable Candidates for the Priesthood Homosexuality and the Priesthood Decisions About Removing Priests and Preventing Sexual Misconduct in Ministry *Human Sexuality in the Catholic Tradition* Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation Celibacy, Seminary Formation, and Catholic Clerical Sexual Abuse Vivencio O. Ballano, 2024-04-30 Does the current celibate semi monastic and all male seminary formation contribute to the persistence of clerical sexual abuse in the Roman Catholic Church Applying sociological theories on socialization total institutions and social resistance as the primary conceptual framework and drawing on secondary literature media reports the author's experience interviews and Church documents this book argues that the Catholic Church's institution of the celibate seminary formation as the only mode of clerical training for Catholic priests has resulted in negative unintended consequences to human formation such as the suspension of normal human socialization in society psychosexual immaturity and weak social control against clerical sexual abuse The author thus contends that celibate training while suitable for those who do live in religious or monastic communities is inappropriate for

those who are obliged to live alone and work in parishes As such an alternative model for diocesan clerical formation is advanced A fresh look at the aptness and effects of celibate formation for diocesan clergy this volume is the first to relate the persistence of Catholic clerical sexual abuse to celibate seminary formation exploring the structural links between the two using sociological arguments and proposing an apprenticeship based model of formation which has numerous advantages as a form of clerical training It will therefore appeal to scholars and students of religion sociology and theology as well as those involved with seminary formation
