**Sex and Anarchy** Anne Coombs, 1996      **Fringe to Famous** Tony Moore, Mark Gibson, Chris McAuliffe, Maura Edmond, 2024-01-25 *Fringe to Famous* examines exchange between small scenes of cultural production and mainstream institutions and markets Drawing on Australian examples in music streetwear comedy screen and digital games it argues that there has been much greater crossover between the two than is generally recognized The book resists a tendency to represent fringe and mainstream as abstract opposites bringing a focus instead to concrete historical formations It offers an alternative both to romantic celebrations of a pure fringe discredited now by half a century of critical responses to the counterculture and to an increasingly hardened anti romantic reaction Drawing on extensive original interviews *Fringe to Famous* offers an overview of transformations in Australian culture since the 1980s concluding with suggestions for cultural policy after the creative industries It proposes an idea of generative hybridity between fringe and mainstream that allows us to imagine new possibilities for arts and culture in the 2020s and beyond      **Our Familiars** Anne Coombs, 2024-07-30 A beautiful meditation on the awe inspiring responsibility we hold with other living creatures from their containment and loss of freedom to our intense and mysteriously mutual love How do animals guard serve and care for us And how and why do we love them so much Anne Coombs spent her entire life working to understand the profound answers that come from these two deceptively simple questions Before her death in late 2021 she researched the topic extensively and reflected deeply on her own experiences with animals both domestic and in the paddocks The animals in her life were privy to her deepest and darkest emotions her despair her tears and her love In *Our Familiars* Anne calls for all animal caregivers to use our great creative imaginations to see animals as conducting lives as meaningful as our own intersecting in our intimate spaces She has left us with a beautiful meditation on the awe inspiring responsibility we take on with other living creatures from their containment and loss of freedom to our intense and mysteriously mutual love Opening with the story of Anne s childhood familiar Elsie the goat this tender book takes us on an expansive journey that is part personal memoir part insightful research and part noble call to action With her last book Anne leaves us an invaluable gift With wit humour and insight she implores us to feel wonder as we watch how our animal companions live      **Glass Houses** Anne Coombs, 2023-04-03 Raymond causes a stir in country town Glaston when he buys Glastonbridge a house of vast neo Gothic fantasy abandoned for decades It s an ambitious project and all previous renovators have come to grief Out of the woodwork come real estate agents a jealous sister the heritage council prospective tourism operators and journalists proffering opinions and making his life a misery As the restoration goes on Raymond becomes increasingly isolated unable to trust anyone alienating his friends and giving courage to his enemies He believes that unseen forces are trying to remove him from his grand project At turns pitied admired humoured and loved Raymond undoubtedly has the knowledge vision and fortune to make Glastonbridge thrive again but will he be able to see it through *Glass Houses* is a gentle satire with a rapier edge perfectly capturing the

socially mobile mid nineties milieu of city folk with country houses The final novel from acclaimed author and activist Anne Coombs is about finding your place of refuge and reaching for what you want **Australian Book Review** ,2004-02
