Gerald Nissenbaum, John Sedgwick, 2010-02-04 One of the nation's top divorce lawyers opens his case files to share true stories that rival the most outrageous fiction Gerald Nissenbaum knows everything about his clients how much is in their bank accounts what kind of sex their spouses like if they married for money or power and who cheated with whom For the first time in his long career Nissenbaum gives the lowdown on all the antics he's experienced in dealing with clients who have money to burn From a C note hooker turned trophy wife who put her dying husband into a nursing home and drained his bank accounts to the dad who spent millions to recover the kids his wife kidnapped this memoir is by turns dark cathartic vengeful and hilarious as it describes the high end high conflict divorces that ruin the lives of everyone involved Currently commanding 700 per hour Nissenbaum sees firsthand how neurotic unrealistic status hungry manipulative and sex crazed his multimillion dollar clients can be In the style of Anthony Bourdain's Kitchen Confidential Nissenbaum and Sedgwick blow the doors off the dark side of marriage making this outrageous and compelling memoir a truly guilty pleasure Bad Girls and Dirty Pictures

Alison Assiter, Avedon Carol, 1993 For well over a decade half baked analysis and phony science have been used by some feminists to side track the women's movement into puritanical campaigns against sexual material and imaginative sexual exploration Many feminists would say that this widely publicised version of feminism is itself sexist and that the increasingly vocal anti pornography campaigns are founded on theoretical dead ends that have allowed feminists to deviate drastically from the basic goals of women's liberation Bad Girls Dirty Pictures puts these anti sex anti porn arguments under the microscope of a more thorough and considered feminist analysis It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right as well as exposing the dangers of anti porn feminist arguments Contributions from a wide range of women including sex workers and academics remind us that pornography does not have a special place in our oppression and that censorship must still be seen as dangerous enemy of women Bad Girls Dirty Pictures is a much needed antidote to falsehoods shabby thinking and patronising sexism that have fuelled anti pornography campaigns and misled the women's movement

The Publishers Weekly, 1999 Dirty Girls Gillian Telling, 2010-09-01 The Naked Truth Isn't Always Pretty A no holds barred look at the hilarious underbelly of what it means to be female Dirty Girls lays bare the secrets of the fairer sex Women

don't come from a different planet than men. In fact both sexes want the exact same things: success, friendships, semifunctional families, semifunctioning relationships, good bodies, and lots and lots of great sex. But there's more. Even though we pluck, we wax, and we put on war paint to mask our blemishes, we also regularly watch porn. We wear our bikini bottoms when we run out of clean underwear. When we're alone, we eat Cheetos and peanut butter on a spoon for dinner. Women are fascinating, beautiful, and yes, disgusting creatures, and we shouldn't be ashamed of it. Dirty Girls exposes the filthy, lazy, fabulous truth that everything boys can do, girls can do better.

Playing Dirty Box Set Lane Hart, For the first time ever get the complete four book Playing Dirty football series in one box set. **BALLBUSTER** Out of all the football stadiums in the world, why did Roxanne The Ballbuster Benson have to plow through mine? Don't get me wrong, I'm all for women playing professional football. But what I'm not for is The Ballbuster waltzing onto my field, trying to take over my position as the Wildcats' starting kicker. The woman dislocated my knee with her freaking Jeep for chrissake, and yet all of my teammates love her. So what if Roxy's gorgeous and sweet and loves football more than anyone in the world. This is my team, and once I recover, she's gonna have to get used to sitting her fine ass on the bench. It's nothing personal. Football is a dirty sport where only the best survive. Now I just have to figure out how to survive a season without ending up with a busted heart, because despite how hard I try to avoid falling for Roxy, she keeps pulling me back into her bed. Forget her Jeep. With one look, the woman can bring me to my knees. And the worst part is I keep going back for more.

PERFECT SPIRAL I had the perfect life. Getting paid millions to play the sport I love and spending most of my nights with all the adoring female fans. What more could I possibly want? I sure as hell didn't want the baby boy someone dropped on me before running, leaving behind a note saying he's mine. If that's true, then I don't have a freakin' clue who his mother could be. Until I get the paternity test results, though, the kid's my responsibility. The sleepless nights with a crying baby have me crashing and burning on the football field, putting my superstar career in jeopardy. And suddenly, the only woman I want hates me with a fiery passion. I knew Callie wasn't going to be easy to win over. Not when she blames me for her sister's death. Oh, and if this baby turns out to be my son, Callie's determined to take him away from me. Somehow, I'll have to find a way to prove to her that there's more to me than my perfect spiral.

DELAY OF GAME My mom is dying. The cancer is eating away at her body a little more each day, and the worst part is I know she's so tired of fighting. She's starting to surrender to the sickness. That's why I stupidly blurted out at Thanksgiving that I had met a woman and was engaged. The truth is, there's no woman in my life, and never has been. I just wanted to give my mother something to live for: a few celebrations, an extravagant wedding, the possibility of grandchildren. Now I just need to find a nice girl to pretend to be my fiancée and walk down the aisle with me in a matter of weeks. Actually, that may be a piece of cake compared to trying to stay away from the one person who has managed to ignite something deep inside of me for the first time in my life. Something I

can't ignore or forget no matter how hard I try ELIGIBLE RECEIVERS When a newly single girl like me decides to play the field what's better than one big sexy rough and tumble professional football player How about two of them Cameron and Nixon have been best friends for years and now I've found myself in the middle of them Literally The two cocky wide receivers compete over everything who kisses me better who can last longer who has the biggest well you get the point At first it's all fun and games until I start to fall for both of them Hard But I'm just not the type of girl who sleeps with two men at the same time I would rather walk away from both rather than end up hurting one of them The problem is I'm pretty sure that decision is out of my hands Dirty Money, Last Man Martin B Chattelle,2017-04-30 Speculation was intense that the Russian Mafia in District 15 Moscow were laundering money via China to invest in London property Two names were on the radar The Russian Taras Petrov and Chinese businessman Xi Lang If the full facts about these two were known to Sarah Petri she would have probably refused to seduce Xi Lang as a means for her and Hackett to infiltrate the Russian Chinese syndicate The problem was that many involved wanted a cut of the dirty funds but did not appreciate the price they would have to pay
