Psychology of Sex v2 Havelock Ellis,2015-11-07 Sexual inversion as here understood means sexual instinct turned by inborn constitutional abnormality toward persons of the same sex It is thus a narrower term than homosexuality which includes all sexual attractions between persons of the same sex even when seemingly due to the accidental absence of the natural objects of sexual attraction a phenomenon of wide occurrence among all human races and among most of the higher animals It is only during recent years that sexual inversion has been recognized previously it was not distinguished from homosexuality in general and homosexuality was regarded as a national custom as an individual vice or as an unimportant episode in grave forms of insanity 1 We have further to distinguish sexual inversion and all other forms of homosexuality from another kind of inversion which usually remains so far as the sexual impulse itself is concerned heterosexual that is to say normal Inversion of this kind leads a person to feel like a person of the opposite sex and to adopt so far as possible the tastes habits and dress of the opposite sex while the direction of the sexual impulse remains normal This condition I term *sexo esthetic inversion* or *Eonism* The nomenclature of the highly important form of sexual perversion with which we are here concerned is extremely varied and most investigators have been much puzzled in coming to a conclusion as to the best most exact and at the same time most colorless names to apply to it The first in the field in modern times was Ulrichs who as early as 1862 used the appellation *Uranian Uranier* based on the well known myth in Plato s *Banquet* Later he Germanized this term into *Urning* for the male and *Urningin* for the female and referred to the condition itself as *Urningtum* He also invented a number of other related terms on the same basis some of these terms have had a considerable vogue but they are too fanciful and high strung to secure general acceptance If used in other languages than German they certainly should not be used in their Germanized shape and it is scarcely legitimate to use the term *Urning* in English *Uranian* is more correct

launching into the imagined world of a twenty eight year old I felt an intense need to tell another story the story of a woman I know through and through a woman with more wealth of experience a woman who's seen more real glamour known more fascinating people lived in a world of more sophistication and arrived at more hard won maturity than that twenty eight year old could hope for in short my own story I've tried to remain as unknowable as possible the better to let my heroines hold the stage but now I was ready to tell the truth about myself with no holding back I've had a different life from that of the majority of women of my generation and background While I seemed like another nice Jewish girl underneath that convenient cover I did travel my own inner directed path and had many a spicy and secret adventure I grew up in a complicated tangle of privilege family problems and tormented teenaged sexuality After a riotous education at Wellesley my life was turned upside down by a glorious year in Paris marked by an intense but ill starred romance I spent the next half decade in New York sowing lighthearted wild oats until I finally met my true love to whom I've been married for forty six years When I was fifty I had an utterly unexpected almost unbelievable success as a number one bestselling novelist that has continued for book after book Challenging lucky exciting and often devastatingly askew my life seems to have been lived under a wild and antic star I've had as much amazing fun as my heroines and here's the book to prove it Judith Krantz **Food, Sex, Sports & Silence**
