Queer Questions, Clear Answers Thomas S. Serwatka,2010-05-05 This provocative book examines the important issues
in contemporary debates on sexual orientation from our various religious beliefs to our stereotypes about homosexuals from
questions about the origin of sexual orientation to the lessons we can learn from history Queer Questions Clear Answers The
Contemporary Debates on Sexual Orientation offers an eye opening conversation about questions facts and fears relative to
sexual orientation The book is framed around a series of nine sets of queer questions including Who is queer and who is not
How do we interpret and use sacred scriptures to control behavior and set public policy What lessons can we learn from
history and psychology and What is the homosexual agenda The author himself a gay man and prominent academic combines
cross disciplinary research and personal anecdotes in his intriguing search for answers to questions that are central to
ongoing cultural and political debates In discussing each set of questions he examines perspectives and arguments from
across the political spectrum The clear articulate and wholly candid answers he offers will help readers get beyond the
headlines and the sound bites to better understand many important arguments about homosexuality and human rights

Love: Decoded Pamela Weintraub,2020-12-01 What makes for a healthy and lasting union in which love prevails Experts
give advcie on how to keep relationships strogn from initial attraction to lasting love Love Decoded provides everything you
need to ensure your passion thrives whether you re celebrating your first anniversary or your 50th As recently as the 19th
century marriage was largely a practical affair people married for financial security to create family to have a home If love
entered the picture it was by chance But starting in the 1900s through to today marriage and long term partnerships of all
kinds have gone through rapid radical continuous change Today enduring unions enable love creativity and the chance for
personal growth in the wake of a divorce rate at 50% researchers say those relationships that allow us to flourish as
individuals have the greatest chance of long success This book describes the 21st century reinvention of enduring unions
with input from researchers and therapists at the forefront of the field Stephanie Coontz the social historian known for her

seminal work on the transformation of marriage explains how love has conquered marriage David Sncharch who reinvented sex therapy for the 21st century in the wake of Master s and Johnson describes his new model of interconnectedness in which partners can be independent while pursuing a shared life And Aaron Ben Ze ev the preeminent philosopher of love and author of the upcoming Arc of Love explains how long term relationships can enable profound love and flourishing not possible when one skips from one passionate fling to the next Of course this book covers the gamut of pragmatic issues too How to get along with in laws how to collaborate on raising kids and how to rebuild the nest when kids have gone The book includes invaluable advice from couples who have been married for 50 years or more Dance one woman told us Keep talking a man said Our story about today s all star couples from Hollywood to royalty injects some fun while showing how it s done
