Concubinage and Servitude in Late Imperial China Hsieh Bao Hua, 2014-06-18 In the long course of late imperial Chinese history servants and concubines formed a vast social stratum in the hinterland along the Grand Canal particularly in urban areas Concubinage and Servitude in Late Imperial China is a survey of the institutions and practice of concubinage and servitude in both the general populace and the imperial palace with a focus on the examination of Ming Qing political and socioeconomic history through the lives of this particular group of distinct yet associated individuals The persistent theme of the book is how concubines appointed by patriarchal polygamy and servants laboring under the master servants hierarchy experienced interactions and mobility within each institution and in associating with the other While reviewing how ritual and law treated concubines and servants as patriarchal possessions the author explores the perspectives available for individual concubines and servants and the limitations in their daily circumstances searching for their positional powers and privilege of the inferiors in the context of Chinese culture during the Ming Qing time period For a list of the book s tables and their sources please see <http://www.wou.edu/wp/hsiehb>

Gender Policy and HIV in China Joseph Tucker, Dudley L. Poston, Jr., Qiang Ren, Baochang Gu, Xiaoying Zheng, Stephanie Wang, Chris Russell, 2009-05-08 China s concentrated HIV epidemic is on the brink of becoming a generalized one and syphilis infection has become a major public health threat Social factors relating to gender and gender inequality exacerbate the spread of HIV and sexually transmitted infections STI in China A better understanding of the

proximate social determinants of HIV related to gender will be crucial to effectively curbing HIV and other STIs in China. Aspects of China's governance including administrative procedures, the developing legal system, social institutions, and the public health infrastructure are instrumental in shaping strategies and responses to HIV. International studies suggest that women who are more economically and socially vulnerable may also have a greater risk of HIV infection, yet few initiatives have focused on discrete areas where achievable and sustainable gender policy measures could be linked to the public health response. This study presents perspectives ranging from criminology to social psychology to better understand how gender perspectives can inform HIV policy in the context of China.

The second section of the book, *Indigenous Psychology of Sexuality and Mental Health*, discusses indigenous aspects combined with sexuality and mental health.

Chinese Educated Youth Literature Gabriel F. Y. Tsang, 2024-10-14. This book explores the literary history of the zhiqing Chinese educated youth during the liberal 1980s era of the PRC. By incorporating personal experiences, literary representation, shared history, and theory, it argues that attention to bodies, physical, physiological condition as represented in their fictional works can reveal their attitudes toward the shifting and anomalous socio-political environments both at the time of their rustication in Mao Zedong's era and at the time of writing about their experiences in Deng Xiaoping's cities. It highlights the ideological transformation of educated youth writers, malleable fictional bodies which preserved and encoded their private ambivalence and dynamic compromises with political and literary dilemmas. By studying these fictional bodies, this book deciphers the specific significance of labor, hunger, disability, and sexuality, negating the simplification of the fabricated embodiment as only containing and delivering iconoclastic spirit, sincere patriotism, personal struggle, socialist ideological control, and feminine self-consciousness. Exploring the community of Chinese educated youth of which Xi Jinping was one, this will be a valuable resource to students and scholars of Comparative literature, Modern Chinese literature, and Modern Chinese history.

Cultural Politics of Gender and Sexuality in Contemporary Asia Tiantian Zheng, 2017-07-31. In globalizing Asia, sexual mores and gender roles are in constant flux. How have economic shifts and social changes altered and reconfigured the cultural meanings of gender and sexuality in the region? How have the changing political economy and social milieu influenced and shaped the inner workings and micro-politics of family structure, gender relationships, intimate romance, transactional sex, and sexual behaviors? This volume offers up-to-date, grounded critical analysis of the complex intersections of gender, sexuality, and political economy across a diverse array of Asian societies: China, Japan, Cambodia, Vietnam, India, Pakistan, Hong Kong, Thailand, and Taiwan.

Based on intense ethnographic fieldwork the chapters disentangle the ways in which gendered and sexual experiences are impinged upon by state policies economic realities cultural ideologies and social hierarchies Whether highlighting intimate relationships between elite businessmen and their mistresses in China nightclub performances by Thai men in Bangkok single women s views of romance motherhood and marriage in Hong Kong Shanghai and Tokyo or male same sex relationships in Pakistan each chapter centers around the stories of the gendered subjects themselves and how they are shaped by outside forces Taken together they provide a provocative entrance into the cultural politics of gender and sexuality in Asia By foregrounding cross cultural ethnographic research this volume sheds light on how configurations of gender and sexuality are constituted negotiated contested transformed and at times perpetuated and reproduced in private intimate experiences It will be of particular interest to students and scholars in anthropology sociology political science and women s and LGBTQ studies

Ethnographies of Prostitution in Contemporary China T. Zheng, 2009-07-20 This ethnographic study of prostitution in the metropolitan city of Dalian China explores the lives of rural migrant women working as karaoke bar hostesses delving into the interplay of gender politics nationalism and power relationships that inhere in practices of birth control disease control and control of women s bodies

Bodies in China Eva Kit Wah Man, 2019-01-15 This book seeks to engage Chinese philosophy to reframe existing Western scholarship in the fields of gender body and aesthetics The assembled essays cover traditional and current global issues related to Chinese female bodies by addressing the following questions Does Confucianism rule out the capacity of women as moral subjects and hence as aesthetic subjects Do forms of Chinese philosophy in some ways contribute or correspond to the patriarchal Confucian culture In what ways can Chinese philosophy provide alternative perspectives sought by Western feminist scholars Professor Man uses an interdisciplinary approach to explore feminist philosophy through the issues of the body aesthetic representation and gender politics which are simultaneously historical and contextual The first section of the book *Body Discourses in Chinese Philosophy* brings in theoretical and philosophical discussions of Western traditions such as those of Plato Descartes and Kant to examine their views on body and mind and how the Chinese philosophical ideas offered by Confucians and Daoists provide alternative body ontologies for critical feminist practices The second section *Chinese Bodies Aesthetics and Art* reviews female aesthetic representations in classical traditional Chinese works ranging from The Books of Songs women s embroidery sexuality and suggested ways of kissing and the contemporary body art represented by the controversial body artist He Chengyao These chapters demonstrate the intertwining relationship among body sexuality aesthetics and the ascribed gendered roles in social environments The third section *Chinese Bodies and Gender Matters* aims to unfold the changing perceptions of femininity from imperial China to contemporary China Case studies touch on female body ideals in the literary fantasies in late Ming in the iron girls in Communist China and in the Olympics Hoopla at the 2008 Beijing Olympics This section also discusses Hong Kong women s fashion in the 1960s and how their bodies were shaped by colonial politics Finally the subject of sex and

emotion in the development of ethical discourse of Chinese female sex workers from late Qing to contemporary society is discussed alongside the impact of the global economy on female beauty today Overall this book discusses new conceptual models that feminist scholars are using to displace dualism and emancipate notions of the body from Cartesian mechanistic models and metaphors The different chapters review traditional and contemporary alternatives to understanding female bodies in Chinese society Eva Man is professor of humanities and creative writing at Hong Kong Baptist University She publishes widely in comparative aesthetics feminist philosophy cultural studies art and cultural criticism

Queer Theory Now Hannah McCann, Whitney Monaghan, 2019-11-06 This short textbook provides an introduction to queer theory exploring its key genealogies and terms as well as its application across various academic disciplines and to contemporary life more generally The authors engage with a wide range of developments in queer theory thinking including discussions of identity politics transgender theory intersectionality post colonial theory Indigenous studies disability studies affect theory and more In offering an updated reflection on the present tensions that queer theory must negotiate as well as its unfolding future s Queer Theory Now is an ideal resource for anyone starting out on their queer theory journey for students who want to get a grasp of the basic concepts for teachers looking for a textbook for their queer theory course or for scholars who want a quick go to resource for key queer theory ideas and terms Emerging Critical Scholarship in Education Carol Mutch, Jean Rath, 2014-04-23 The doctoral journey is fraught with stops and starts crossroads and blind alleys surprises and epiphanies All successful doctoral students navigate a pathway through these events to reach their final destination Navigating the Doctoral Journey explores examples of these routes in ways that both honour individual stories and highlight the broader issues of uniting emergent research practices with doctoral candidates individual reflexive projects All the doctoral candidates included in this book work with critical topics theories and methods within the field of education they face particular challenges and rewards when pursuing work that will meet institutional and disciplinary expectations of good doctoral level research For them the doctoral process is required to culminate in more than the award of a qualification Their imperative is to demonstrate mastery of the disciplinary norms whilst simultaneously challenging dominant models and making authentic contributions to the benefit of broader society Navigating the Doctoral Journey addresses the isolation and challenges of what it means to conduct critical doctoral research within a highly contested domain of knowledge This is not a simplistic self help guide to clearly map a proven route to doctoral success rather the book provides a range of possible answers to the questions of how candidates experience doctoral studies what is critical about each contributor s research and how this affects what each person does as he or she researches A Newspaper for China? Barbara Mittler, 2020-03-23 In 1872 in the treaty port of Shanghai British merchant Ernest Major founded one of the longest lived and most successful of modern Chinese language newspapers the Shenbao His publication quickly became a leading newspaper in China and won praise as a department store of news a forum for intellectual discussion and moral challenge and an independent mouthpiece of the public voice Located in the International Settlement of Shanghai it was free of government regulation Paradoxically in a country where the government monopolized the public sphere it became one of the world s most independent newspapers As a private venture the Shenbao was free of the ideologies that constrained missionary papers published in China during the nineteenth century But it also lacked the subsidies that allowed these papers to survive without a large readership As a purely commercial venture the foreign managed Shenbao depended on the acceptance of educated Chinese who would write for it read it and buy it This book sets out to analyze how the managers of the Shenbao made their alien product acceptable

to Chinese readers and how foreign style newspapers became alternative modes of communication acknowledged as a powerful part of the Chinese public sphere within a few years In short it describes how the foreign Shenbao became a newspaper for China
