Mass For Arras:

Mass for Arras Andrzej Szczypiorski,2022-09-27 At the core of this novel is the true fifteenth century tragedy of first plague and hunger and later the brutal persecution of Jews and witches in the small French town of Arras A Mass for Arras explores the personal and political consequences of fear fanaticism and fascism in the story of Jan a young member of the intelligentsia Arrogantly pious and full of revolutionary zeal Jan wholeheartedly participates in the torments inflicted on the outsiders in the name of moral and political righteousness Yet when faced with escalating violence and ultimately his own downfall he must choose between sincere commitment to the isolated village that adopted him and horror at a society gone mad A Mass for Arras addresses themes of freedom and responsibility individualism and conformity and memory and loss It is a moving account of a young man s coming of age in a time of disease and death a profound political allegory of life in an emergent totalitarian state a chilling indictment of government sponsored repression and societal complicity and a cautionary tale about the tendency of history to repeat itself whether in fifteenth century France postwar Poland or somewhere still closer to our own time and place
