Original Man Life Times Of Elijah Muha:

An Original Man Claude Andrew Clegg, 1997-01 The Life and Times of Elijah Muhammad The Life and Times of Elijah Muhammad Claude Andrew Clegg III, 2014-09-02 Elijah Muhammad 1897 1975 was one of the most significant and controversial black leaders of the twentieth century His followers called him the Messenger of Allah while his critics labeled him a teacher of hate Southern by birth Muhammad moved north eventually serving as the influential head of the Nation of Islam for over forty years Claude Clegg III not only chronicles Muhammad s life but also examines the history of American black nationalists and the relationship between Islam and the African American experience In this authoritative biography which also covers half a century of the evolution of the Nation of Islam Clegg charts Muhammad s early life his brush with Jim Crow in the South his rise to leadership of the Nation of Islam and his tumultuous relationship with Malcolm X Clegg is the first biographer to weave together speeches and published works by Muhammad as well as delving into declassified government documents insider accounts audio and video records and interviews producing the definitive account of an extraordinary man and his legacy **A Companion to African American History** Alton Hornsby, Jr., 2008-04-15 A Companion to African American History is a collection of original and authoritative essays arranged thematically and topically covering a wide range of subjects from the seventeenth century to the present day Analyzes the major sources and the most influential books and articles in the field Includes discussions of globalization region migration gender class and social forces that make up the broad cultural fabric of African American history *Black Crescent* Michael A. Gomez, 2005-03-21 Beginning with Latin America in the fifteenth century this book first published in 2005 is a social history of the experiences of African Muslims and their descendants throughout the Americas including the Caribbean The record under slavery is examined as is the post slavery period into the twentieth century The experiences vary arguably due to some extent to the Old World context Muslim revolts in Brazil are also discussed especially in 1835 by way of a nuanced analysis The second part of the book looks at the emergence of Islam among the African descended in the United States in the twentieth century with successive chapters on Noble Drew Ali Elijah Muhammad and Malcolm X with a view to explaining how orthodoxy arose from varied unorthodox roots The SAGE Encyclopedia of African Cultural Heritage in North America Mwalimu J. Shujaa, Kenya J. Shujaa, 2015-07-13 The Encyclopedia of African Cultural Heritage in North America provides an accessible ready reference on the retention and continuity of African culture within the United States Our conceptual framework holds first that culture is a form of self knowledge and knowledge about self in the world as transmitted from one person to another Second that African people continuously create their own cultural history as they move through time and space Third that African descended people living outside of Africa are also contributors to and participants in the creation of African cultural history Entries focus on illuminating Africanisms cultural retentions traceable to an African origin and cultural continuities ongoing practices and processes through which African culture continues to be created and formed Thus the focus is more

culturally specific and less concerned with the broader transatlantic demographic political and geographic issues that are the focus of similar recent reference works We also focus less on biographies of individuals and political and economic ties and more on processes and manifestations of African cultural heritage and continuity

Handbook of Hyper-real Religions, 2012-03-28 Today a new trend is clearly discernable that of hyper-real religions These are innovative religions and spiritualities that mix elements of religious traditions with popular culture If we imagine a spectrum of intensity of the merging of popular culture with religion we might find at one end groups practicing Jediism appropriated from the Star Wars movies Matrixism from the Matrix trilogy and neo pagan rites

based on stories from The Lord of the Rings and the Harry Potter series At the other end of the spectrum members of mainstream religions such as Christianity can be influenced or inspired by for example The Da Vinci Code Through various case studies this book studies the on and off line religious spiritual consumption of these narratives through a social scientific approach

New Perspectives on the Nation of Islam Dawn-Marie Gibson, Herbert Berg, 2017-02-17 New Perspectives on the Nation of Islam contributes to the ongoing dialogue about the nature and influence of the Nation of Islam NOI bringing fresh insights to areas that have previously been overlooked in the scholarship of Elijah Muhammad s NOI the Imam W D Mohammed community and Louis Farrakhan s Resurrected NOI Bringing together contributions that explore the formation practices and influence of the NOI this volume problematizes the history of the movement its theology and relationships with other religious movements Contributors offer a range of diverse perspectives making connections between the ideology of the NOI and gender dietary restrictions and foodways the internationalization of the movement and the civil rights movement This book provides a state of the art overview of current scholarship on the Nation of Islam and will be relevant to scholars of American religion and history Islamic studies and African American Studies

The debate on black civil rights in America Kevern Verney, 2024-01-16 This book examines the historiography of the African American freedom struggle from the 1890s to the present It considers how and why the study of African American history developed from being a marginalized subject in American universities and colleges at the start of the twentieth century to become one of the most extensively researched fields in American history today There is analysis of the changing scholarly interpretations of African American leaders from Booker T Washington through to Barack Obama The impact and significance of the leading civil rights organizations are assessed as well as the white segregationists who opposed them and the civil rights policies of presidential administrations from Woodrow Wilson to Donald Trump The civil rights struggle is also discussed in the context of wider political social and economic changes in the United States and developments in popular culture

Encyclopedia of American Religion and Politics Paul A. Djupe, Laura R. Olson, 2014-07 Presents an encyclopedia of religion and politics in America including short biographies of important political and religious figures like Ralph Abernathy civil rights leader and Ralph Waldo Emerson writer and synopses of religious entities like the Branch Davidians and the Episcopal church as well as important court cases of relevancy like Epperson et al v Arkansas having to do with evolution

Black Political Organizations in the Post-civil Rights Era Ollie A. Johnson, Karin L. Stanford, 2002 The first volume to investigate the accountability and relevance of African American political organizations since the end of the modern Civil Rights Movement in 1968

Achieving Blackness Algernon Austin, 2006-04-10 Achieving Blackness offers an important examination of the complexities of race and ethnicity in the context of black nationalist movements in the United States By examining the rise of the Nation of Islam the Black Power Movement of the 1960s and 1970s and the Afrocentric era of the 1980s through 1990s Austin shows how theories of race have shaped ideas about the meaning of Blackness within different time periods of the

twentieth century *Achieving Blackness* provides both a fascinating history of Blackness and a theoretically challenging understanding of race and ethnicity Austin traces how Blackness was defined by cultural ideas social practices and shared identities as well as shaped in response to the social and historical conditions at different moments in American history Analyzing black public opinion on black nationalism and its relationship with class Austin challenges the commonly held assumption that black nationalism is a lower class phenomenon In a refreshing and final move he makes a compelling argument for rethinking contemporary theories of race away from the current fascination with physical difference which he contends sweeps race back to its misconceived biological underpinnings *Achieving Blackness* is a wonderful contribution to the sociology of race and African American Studies

Black Power Jeffrey O. G. Ogbar, 2019-03-19 Exploring the profound impact of the Black Power movement on African Americans Outstanding Academic Title Choice In the 1960s and 70s the two most important black nationalist organizations the Nation of Islam and the Black Panther Party gave voice and agency to the most economically and politically isolated members of black communities outside the South Though vilified as fringe and extremist these movements proved to be formidable agents of influence during the civil rights era ultimately giving birth to the Black Power movement Drawing on deep archival research and interviews with key participants Jeffrey O G Ogbar reconsiders the commingled stories of and popular reactions to the Nation of Islam Black Panthers and mainstream civil rights leaders Ogbar finds that many African Americans embraced the seemingly contradictory political agenda of desegregation and nationalism Indeed black nationalism he demonstrates was far more favorably received among African Americans than historians have previously acknowledged It engendered minority pride and influenced the political cultural and religious spheres of mainstream African American life for the decades to come This updated edition of Ogbar's classic work contains a new preface that describes the book's genesis and links the Black Power movement to the Black Lives Matter movement A thoroughly updated essay on sources contains a comprehensive review of Black Power related scholarship Ultimately Black Power reveals a black freedom movement in which the ideals of desegregation through nonviolence and black nationalism marched side by side

Encyclopedia of Muslim-American History Edward E. Curtis, 2010 A two volume encyclopedia set that examines the legacy impact and contributions of Muslim Americans to U S history

Down in the Chapel Joshua Dubler, 2025-10-16 A bold and provocative interpretation of one of the most religiously vibrant places in America a state penitentiary Baraka Al Teddy and Sayyid four black men from South Philadelphia two Christian and two Muslim are serving life sentences at Pennsylvania's maximum security Graterford Prison All of them work in Graterford's chapel a place that is at once a sanctuary for religious contemplation and an arena for disputing the workings of God and man Day in day out everything is in its twisted way rather ordinary And then one of them disappears *Down in the Chapel* tells the story of one week at Graterford Prison We learn how the men at Graterford pass their time care for themselves and commune with their makers We observe a variety of Muslims Protestants Catholics and others at prayer and in study and

song And we listen in as an interloping scholar of religion tries to make sense of it all When prisoners turn to God they are often scorned as con artists who fake their piety or pitied as wretches who cling to faith because faith is all they have left Joshua Dubler goes beyond these stereotypes to show the religious life of a prison in all its complexity One part prison procedural one part philosophical investigation Down in the Chapel explores the many uses prisoners make of their religions and weighs the circumstances that make these uses possible Gritty and visceral meditative and searching it is an essential study of American religion in the age of mass incarceration **The Nation of Islam** Steven Tsoukalas,2021-05-16 The Nation of Islam promises African Americans a new identity and purpose But can it deliver In this intriguing study Steven Tsoukalas helps us understand the struggle history and theology behind black nationalism so that we may respond with compassion and truth *Holy People of the World* Phyllis G. Jestice,2004-12-15 A cross cultural encyclopedia of the most significant holy people in history examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired The first reference on the subject to span all the world s major religions Holy People of the World A Cross Cultural Encyclopedia examines the impact of individuals who through personal charisma and inspirational deeds served both as glorious examples of human potential and as envoys for the divine Holy People of the World contains nearly 1 100 biographical sketches of venerated men and women Written by religious studies experts and historians each article focuses on the basic question How did this person come to be regarded as holy In addition the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam Buddhism and African religions as well as 64 comparative articles on aspects of holiness and veneration across cultures such as awakening and conversion experiences heredity gender asceticism and persecution Whether exploring by religion culture or historic period this extensively cross referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions Witnessing and Testifying Rosetta E. Ross,2003-01-01 The Civil Rights Movement was not only an epochal social and political event but also a profound moral turning point in American history Here for the first time social ethicist Ross examines the religiously motivated activism of black women in the movement and its moral import **The Dead Are Arising** Les Payne,Tamara Payne,2020-10-20 An epic award winning biography of Malcolm X that draws on hundreds of hours of personal interviews and rewrites much of the known narrative Les Payne the renowned Pulitzer Prize winning investigative journalist embarked in 1990 on a nearly thirty year long quest to create an unprecedented portrait of Malcolm X one that would separate fact from fiction The result is this historic National Book Award winning biography which interweaves previously unknown details of Malcolm X s life from harrowing Depression era vignettes to a moment by moment retelling of the 1965 assassination into an extraordinary account that contextualizes Malcolm X s life against the wider currents of American history Bookended by essays from Tamara Payne Payne s daughter and primary researcher who heroically completed the biography after her father s death in 2018 The Dead Are Arising

affirms the centrality of Malcolm X to the African American freedom struggle
