and spiritual life and our vision of awakening to include the human shadow Zweig examines the yearning that sets us on the spiritual path showing how it can lead to ecstatic transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher priest or guru who abuses power She tells the stories of renowned teachers Sufi poet Rumi Hindu master Ramakrishna and Christian saint Catherine of Siena whose lives unfolded as they followed their spiritual yearning And she tells the cautionary tales of contemporary teachers of Buddhism Hinduism and Catholicism who acted out their shadows in devastating ways leaving their followers traumatized and lost She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality She describes how to use spiritual shadow work to separate from abusive teachers reclaim inner spiritual authority and heal from betrayal With guidance for both inspired and disillusioned seekers the author explores how to navigate the narrow path through the darkness toward the light rekindle the flame of longing and once again engage in fulfilling spiritual practice
