Politics In Postwar Japanese Society:

Politics in Postwar Japanese Society Joji Watanuki, 1977 Politics in Postwar Japanese Society Jōji Watanuki, 1977

The Post-war Roots of Japanese Political Malaise Dagfinn Gatu, 2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues **Politics in Postwar**

Japanese Society 山口・山崎, 1977 **Japanese Political Culture** Takeshi Ishida, This volume provides a perceptive background to modern Japanese culture Ishida attempts a balanced evaluation of modern Japan seeking to explain why the basic characteristics of Japanese society permit two almost opposite assessments He divides the development of modern Japan into two stages first the period starting from the Meiji Restoration 1868 up to the end of World War II second from the defeat of Japan in World War II up to the present Ishida investigates the essential features of the modern Japanese value system and the social structure which comprise both traditional and modern elements He examines how Japanese society has adapted Western influences to suit its own needs the real miracle of modern Japan As the Japanese economy grows and Japan becomes an economic superpower political self confidence is also emerging Ishida however remains critical of Japanese society because he feels that Japan lacked the internal resources to change the political system from within until its defeat by the Allies forced it to introduce various reforms ordered by the occupation authorities Despite the rapid changes taking place in Japanese society certain attitudes such as conformity and competition are common to both the prewar and postwar periods The final section is devoted to the field of peace research Ishida presents differences of meaning in the concepts of peace in ancient Hebrew Greek Roman Chinese and Indian cultures in order to characterize the Japanese concept of peace which akin to the Chinese emphasizes harmony rather than justice He goes on to discuss Japan's images of Gandhi which according to the author were projections of ultranationalist prejudice and missed the significance of his nonviolent direct action Ishida

emphasizes the importance of such nonviolent action as a means to carry out social change toward the realization of justice

Religion and Politics in Contemporary Japan Anne Mette Fisker-Nielsen, 2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level

Democracy in Post-War Japan Rikki Kersten, 2013-06-17 Democracy in Post War Japan assesses the development of democracy through the writings of the brilliant political thinker Maruyama Masao The author explores the significance of Maruyama's notion of personal and social autonomy and its impact on the development of a distinctively Japanese democratic ideal This book based on contemporary documents and on interviews with Maruyama is the only full scale analysis of his work and thought to be published in English

Environmental Protest and Citizen Politics in Japan Margaret McKean, 2023-11-15 Environmental Protest and Citizen Politics in Japan examines the development and significance of citizens movements in Japan particularly those centered around environmental activism from the early 1970s The author initially set out to study political behavior and participation believing that citizens movements were similar to other protest groups but the research led to surprising discoveries Contrary to initial expectations these movements proved to be a unique blend of protest and community organization defying conventional political structures and assumptions The book focuses on the political social and environmental changes that these movements initiated highlighting their role in fostering political participation and social transformation By conducting surveys in 1972 the author captures the emergence of these movements at their most vibrant when they were not yet institutionalized or following established trends Although the movements were largely successful in their immediate goals their broader influence on Japan's political landscape especially regarding electoral change and the nature of political conflict remains more modest The book reflects on the evolution of these movements their impact on political processes and the role of social movements in shaping democratic values while also analyzing the gaps between their goals and their practical achievements It ultimately presents a nuanced understanding of Japanese citizens movements and their political implications This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981

Revolution and Subjectivity in Postwar Japan J. Victor Koschmann, 1996-12

After World War II Japanese intellectuals believed that world history was moving inexorably toward bourgeois democracy and then socialism. But who would be the agents, the active subjects of that revolution in Japan? Intensely debated at the time, this question of active subjectivity influenced popular ideas about nationalism and social change that still affect Japanese political culture today. In a major contribution to modern Japanese intellectual history, J. Victor Koschmann analyzes the debate over subjectivity. He traces the arguments of intellectuals from various disciplines and political viewpoints and finds that despite their stress on individual autonomy they all came to define subjectivity in terms of deterministic historical structures, thus ultimately deferring the possibility of radical change in Japan. Establishing a basis for historical dialogue about democratic revolution, this book will interest anyone concerned with issues of nationalism, postcolonialism, and the formation of identities.

Parties and Politics in Contemporary Japan Junnosuke Masumi, **Parties and Politics in Contemporary Japan**

Robert A. Scalapino, Junnosuke Masumi, 1965 **A Nation of a Hundred Million Idiots?** Jayson Makoto Chun, 2006-12-06 This book offers a history of Japanese television audiences and the popular media culture that television helped to spawn. In a comparatively short period, the television industry helped to reconstruct not only postwar Japanese popular culture but also the Japanese social and political landscape. During the early years of television, Japanese of all backgrounds, from politicians to mothers, debated the effects on society. The public discourse surrounding the growth of television revealed its role in forming the identity of postwar Japan during the era of high speed growth, 1955-1973, that saw Japan transformed into an economic power and one of the world's top exporters of television programming. **The Political Economy of**

Reproduction in Japan Takeda Hiroko, 2004-09-23 This book analyzes the political economy of reproduction and its role in the process of Japanese modernization. Hiroko analyzes state attempts and policies to intervene into women's bodies and everyday lives to integrate them into the Japanese political economy. Based on Foucault's concept of governmentality, the author develops a model to assess reproduction in three forms: economic, biological, and socio-political, from 1868 until the present day. Images Of Japanese Society Hb Ross Mouer, Yoshio Sugimoto, 2013-10-28 The popular image of Japanese society is a stereotypical one, that of a people characterised by a coherent set of thought and behaviour patterns applying to all Japanese and transcending time. Ross Mouer and Yoshio Sugimoto found this image quite incongruous during their research for this book in Japan. They ask whether this stereotype of the Japanese is not only generated by foreigners but by the Japanese themselves. This is likely to be a controversial book as it does not contribute to the continuing mythologising of Japan and the Japanese. The book examines contemporary images of Japanese society by surveying an extensive sample of popular and academic literature on Japan. After tracing the development of holistic theories about the Japanese, commonly referred to as the group model, attention is focused on the evaluation of that image. Empirical evidence contrary to this model is discussed, and methodological lacunae are cited. A sociology of Japanology is also presented. In pursuit of other visions of Japanese society, the authors argue that certain aspects of Japanese behaviour can be explained by considering Japanese

society as the exact inverse of the portrayal provided by the group model. The authors also present a multi-dimensional model of social stratification arguing that much of the variation in Japanese behaviour can be understood within the framework as having universal equivalence.

Molding Japanese Minds Sheldon Garon, 1998-08-16 What actually unites the Japanese to achieve so many economic and social goals that have eluded other polities? In a series of five compelling case studies, Princeton scholar Sheldon Garon helps us to understand this mobilizing spirit as he taps into the intimate relationships everyday Japanese have with their government. 15 photos.

Japanese Society and the Politics of the North Korean Threat Seung Hyok Lee, 2016-02-24 In 1998 and in 2006 North Korea conducted ballistic missile tests that landed dangerously close to Japan. In the first case the North Korean tests provoked only Japanese alarm and severely constrained action. In the second the tests led to unilateral economic sanctions the first time since the end of the Second World War that Japan has used coercion against a neighboring state. What explains this dramatic shift in policy choice? Seung Hyok Lee argues that the 2006 sanctions were not a strategic response to the missile tests but a reflection of changing public attitudes towards North Korea, the result of the shocking revelation that the North Koreans had abducted at least seventeen Japanese citizens in the 1970s and 80s and secretly held them prisoner for decades. *Japanese Society and the Politics of the North Korean Threat* is the first book on this development in English and a valuable case study of public opinion's increasing influence on Japanese security policy.

The Japanese Economy and Economic Issues since 1945 Edward R. Beauchamp, 2021-10-14 First Published in 1999. The best scholarship on the development of contemporary Japan. This collection presents well over 100 scholarly articles on modern Japanese society written by leading scholars in the field. These selections have been drawn from the most distinguished scholarly journals as well as from journals that are less well known among specialists and the articles represent the best and most important scholarship on their particular topic.

An understanding of the present through the lens of the past. The field of modern Japan studies has grown steadily as Westerners have recognized the importance of Japan as a leading world economic force and an emerging regional power. The post-1945 economic success of the Japanese has however been achieved in the context of that nation's history, social structure, educational enterprise and political environment. It is impossible to understand the postwar economic miracle without an appreciation of these elements. Japan's economic emergence has brought about and in some cases exacerbated already existing tensions and these tensions have in turn had a significant impact on Japanese economic life. The series is designed to give readers a basic understanding of modern Japan, its institutions and its people as we stand on the threshold of a new century often referred to as the Pacific Century.

Postwar Japan as History Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history, the authors describe an ongoing historical process marked by unexpected changes such as Japan's extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule. From publisher's description.

Surveilling and Securing the Olympics Vida Bajc, 2016-04-29 This book

analyses the relationship between the Olympic Games with its ethos of openness and collectivism and the security concerns and surveillance technologies that are becoming increasingly prevalent in the organisation of public events *Law and Social Change in Postwar Japan* Frank K. Upham, 2009-06-01 Many people believe that conflict in the well disciplined Japanese society is so rare that the Japanese legal system is of minor importance Frank Upham shows conclusively that this view is mistaken and demonstrates that the law is extensively used on the one hand by aggrieved groups to articulate their troubles and mobilize political support and on the other by the government to channel and manage conflict after it has arisen This is the first Western book to take law seriously as an integral part of the dynamics of Japanese business and society and to show how an informal legal system can work in a complex industrial democracy Upham does this by focusing on four recent controversies with broad social implications first how Japan dealt with the world's worst industrial pollution and eventually became a model for Western environmental reforms second how the police and courts have allowed one Japanese outcast group to use carefully orchestrated physical coercion to achieve wide ranging affirmative action programs third how Japanese working women used the courts to force employers to eliminate many forms of discrimination and eventually convinced the government to pass an equal employment opportunity act and finally how the Ministry of International Trade and Industry and various sectors of Japanese industry have used legal doctrine to cope with the dramatic changes in Japan's economy over the last twenty five years Readers interested in the interaction of law and society generally those interested in contemporary Japanese sociology politics and anthropology and American lawyers businessmen and government officials who want to understand how law works in Japan will all need this unusual new book

Politics In Postwar Japanese Society Book Review: Unveiling the Magic of Language

Politics In Postwar Japanese Society Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics In Postwar Japanese Society free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics In Postwar Japanese Society free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Politics In Postwar Japanese Society free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Politics In Postwar Japanese Society. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics In Postwar Japanese Society any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics In Postwar Japanese Society Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics In Postwar Japanese Society is one of the best book in our library for free trial. We provide copy of Politics In Postwar Japanese Society in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics In Postwar Japanese Society. Where to download Politics In Postwar Japanese Society online for free? Are you looking for Politics In Postwar Japanese Society PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Politics In Postwar Japanese Society. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Politics In Postwar Japanese Society are for sale to free while some are

payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Politics In Postwar Japanese Society. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Politics In Postwar Japanese Society To get started finding Politics In Postwar Japanese Society, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Politics In Postwar Japanese Society So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Politics In Postwar Japanese Society. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Politics In Postwar Japanese Society, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Politics In Postwar Japanese Society is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Politics In Postwar Japanese Society is universally compatible with any devices to read.
