Meltsner, 2023-11-10 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 *The Politics of City Revenue* Arnold J. Meltsner, 1974-01-01 *Compendium of City Government Finances in ...*, 1952 *Local Politics and Social Policy in China* Kerry E. Ratigan, 2022-08-04 Due to uneven economic reforms Chinese provinces have developed distinct approaches to governing that impact social policy priorities and policy implementation Ratigan shows how coastal provinces tended to prioritize health and education and developed a pragmatic policy style which fostered innovation and professionalism in policy implementation Meanwhile inland provinces tended to prioritize targeted poverty alleviation and affordable housing while taking a paternalist top down approach to implementation This book provides a quantitative analysis of provincial social policy spending in the 2000s and qualitative case studies of provinces with divergent approaches to social policy It highlights healthcare but also draws on illustrative examples from poverty alleviation education and housing policy By showing the importance of local actors in shaping social policy implementation this book will appeal to scholars and advanced students of Chinese politics comparative welfare studies and comparative politics **City Government Finances in ...**, 1996 *Political* Alabama, 1923 **Annals of the American Academy of Political and Social Science**, 1916 *The Annals of the American Academy of Political and Social Science*, 1915 **Mobilizing Financial Resources of Urban Local Government in Bangladesh** Muhammad Sayadur Rahman, Shamima Akter, 2025-02-28 This book explains the dynamics of revenue generation and allocation reality of city corporations in Bangladesh It explores the state of five consecutive years of revenue generation and expenditure allocations of Dhaka North City Corporation and Gazipur City Corporation along with a discussion of to what extent the City Corporation is allowed to enjoy fiscal autonomy through the Local Government City Corporation Act of 2009 to generate and manage its local resources It also finds out the institutional blocks challenges that the city corporation faces in the process of revenue generation and mobilization even with the existence of a solid legislative foundation Central to the book's focus is the resource mobilizing scenario generation and allocation of revenue of City Corporation over the past five consecutive years It suggests some approaches that will serve as valuable resources for policymakers researchers and practitioners to take steps for strengthening the finance base of urban local government through revisiting and redefining revenue generation and allocation strategies **Political Crisis/fiscal Crisis** Martin Shefter, 1992 This study examines the factors that caused New York City's financial crisis in 1975 and demonstrates how these manifestations of newly evolved political alliances and systems continue to undermine the city's financial stability It shows how these problems which are enduring features of the

city's political system are not unique to New York but a threat to the financial stability of most major American cities. The volume won the American Political Science Association's Award for the Best Book on Urban Policy. Summary of City Government Finances in ..., 1963. *Municipal Government and Administration: Administration* William Bennett Munro, 1923. **Cities, Politics, and Policy** John P. Pelissero, 2002-10-01. Just because Milwaukee isn't Manhattan doesn't mean that those urban centers face completely unique challenges. Through effective comparative analysis of key issues in urban studies, how city managers share power with mayors, how spending policies affect economic development, and how school politics impact education policy, students can clearly see how scholars discern patterns and formulate conclusions to offer theoretical and practical insights from which all cities can benefit. Pelissero brings together an impressive team of contributors to explore variation among cities through case studies and cross-sectional analyses. Each author synthesizes the field's seminal literature while explaining how urban leaders and their constituents grapple with everything from city council politics to conflict and cooperation among minority groups. Authors identify both key trends and gaps in the scholarship and help set the research agenda for the years to come. Lively case material will hook your students while the accessible presentation of empirical evidence makes this reader the comprehensive and sophisticated text you demand. **Local Power and Post-Soviet Politics** Theodore H. Friedgut, Jeffrey W. Hahn, 2016-09-16. An analysis of local legislative and budgetary politics during the late Soviet and post-Soviet period with case studies of electoral behaviour, distribution processes, political contestation, and institutional development.
