Rachael's Training:

Rachael's Point R. I. King, 2017-07-07 Rod Strickland hasn't been home in twenty four years. He has been invited back to Rachael's Point to speak at a convention about angels. But as soon as he arrives he suspects the situation isn't right. Three people are dead and there are no suspects. Rod was very close to two of the deceased so his homecoming is anything but happy. The convention is being held on the twenty fourth anniversary of the murder of Darlene Poulard. The young beauty Rod was once accused of killing before he left town. He's beginning to wonder if this is a coincidence especially as he meets with his supposed best friends who turned on him all those years ago. Then there's Amy. Rod thinks she is some kind of protector or angel sent to Rachael's Point to help him battle whatever darkness has overtaken the people of his hometown. Rachael's Point the site of so many sins could be Rod and Amy's last stand as it seems a demon has come to visit and plans to stay.
