Public Papers of the Presidents of the United States: Ronald Reagan, 1988-1989 Reagan, Ronald, 1990-01-01 Public Papers of the Presidents of the United States

A Twilight Struggle Robert Kagan, 1996 Kagan contends that the Carter administration's halfhearted intervention in Nicaragua was in response to American feelings of guilt for Washington's longtime support of the Somoza dynasty The Reagan era intervention on the other hand originated in American anxiety over Soviet encroachment in the Western hemisphere Kagan recounts how American popular aversion to the employment of U S military muscle in Central America led to the administration's covert support of the contras and goes

on to explain how the clash between the Reagan White House and Congress over freedom fighter funding led to the Iran contra affair in 1987 Although the surprising electoral victory of Violeta Chamorro over the Sandinistas was widely recognized as a success for American policy the U S remains caught in a continuous cycle of intervention and withdrawal in Nicaragua according to Kagan As a member of the State Department s Policy Planning Staff Kagan was a direct participant in many of the events described in this authoritative and definitive account of U S Publisher s description After the Cold War Arthur I. Cyr, 2000-08 The end of the Cold War provides challenges and opportunities for American foreign policy leadership that arguably have been equalled in modern times only by the period in which the Cold War began
