Red White And Blue Murder A Hilda Johansson Mystery:

Red, White, and Blue Murder Jeanne M. Dams, 2000 Hilda Johansson grows suspicious that a group of anarchists in South Bend Indiana may be connected in some way to the assassination of President McKinley and sets out to investigate

Red, White and Blue Murder Jeanne M. Dams, 2002-03-01 It's 1901 and President McKinley has just been murdered. Hilda, a servant in the Studebaker family's home, wonders if one of her coworkers may know more about the murder than he's letting on. [Mystery Women, Volume Three \(Revised\)](#) Colleen Barnett, 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of [Mystery Women](#), as currently updated, adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990, to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s, 298 of whom were covered in Volume 2, and easily exceeded the 347 series and some outstanding individuals described in Volume 1, which covered a 130-year period from 1860 to 1979. It also includes updates on those individuals covered in the first edition, changes in status, short reviews of books published since the first edition through December 31, 2008. [How to Write Killer Historical Mysteries](#) Emerson Kathy Lynn, 2019-06-11 The core of the book is Emerson's personal take on writing and selling historical mysteries, but it also includes contributions from over forty other historical mystery writers, practical advice, anecdotes, and suggestions for research and input from assorted editors, booksellers, and reviewers. For both historical mystery writers and readers, this book embodies its subtitle: *The Art Adventure of Sleuthing Through the Past*. Veteran author Emerson published her first mystery twenty-three years ago, and this is her thirty-sixth published book. It draws on her experience in researching, writing, selling, and sustaining both her Lady Appleton series, *Elizabethan England*, and her Diana Spaulding series, *1880s U.S.* This unique reference book also includes the contributions of more than forty other historical mystery writers. Their books, backgrounds, and settings are as diverse as Ancient Egypt and Rome, antebellum New Orleans, early Constantinople, Jazz Age England, and Australia, Depression-era California, turn-of-the-century New York, Victorian England, and eighteenth-century Venice. [Green Grow the Victims](#) Jeanne M. Dams, 2001 Features full-time housekeeper and part-time sleuth Hilda Johansson. *Red, White, and Blue Murder*
