Red Thread A Love Story:

The Red Thread Bernard Faure, 1998-10-26 Is there a Buddhist discourse on sex In this innovative study Bernard Faure reveals Buddhism's paradoxical attitudes toward sexuality His remarkably broad range covers the entire geography of this religion and its long evolution from the time of its founder Xvkyamuni to the premodern age The author's anthropological approach uncovers the inherent discrepancies between the normative teachings of Buddhism and what its followers practice Framing his discussion on some of the most prominent Western thinkers of sexuality Georges Bataille and Michel Foucault Faure draws from different reservoirs of writings such as the orthodox and heterodox doctrines of Buddhism and its monastic codes Virtually untapped mythological as well as legal sources are also used The dialectics inherent in Mahayana Buddhism in particular in the Tantric and Chan Zen traditions seemed to allow for greater laxity and even encouraged breaking of taboos Faure also offers a history of Buddhist monastic life which has been buffeted by anticlerical attitudes and by attempts to regulate sexual behavior from both within and beyond the monastery In two chapters devoted to Buddhist homosexuality he examines the way in which this sexual behavior was simultaneously condemned and idealized in medieval Japan This book will appeal especially to those interested in the cultural history of Buddhism and in premodern Japanese culture But the story of how one of the world's oldest religions has faced one of life's greatest problems makes fascinating reading for all

Booklist **The Chinese Love Story from the Tenth to the Fourteenth Century** Alister D. Inglis, 2023-04-01 Love stories formed a major part of the classical short story genre in China from as early as the eighth century when men of letters began to write about romantic encounters In later centuries such stories provided inspiration for several new literary genres

While much scholarly attention has been focused on the short story of both the medieval and late imperial eras comparatively little work has been attempted on the interim stage the Song and Yuan dynasties which spanned some five hundred years from the tenth to the fourteenth centuries Yet this was a crucial developmental period for many forms of narrative literature so much so that any understanding of late imperial narrative should be informed by the earlier tradition The first study of its kind in English *The Chinese Love Story from the Tenth to the Fourteenth Century* traces the development of the love story throughout this important yet overlooked era Using Tang dynasty stories as a point of comparison Alister D Inglis examines and appraises key new themes paying special attention to period hallmarks gender portrayal and textuality Inglis demonstrates that contrary to received scholarly wisdom this was a highly innovative period during which writers and storytellers laid a fertile foundation for the literature of late imperial China *The Red Thread of Fate* Yasuko Fujiyama, 2016-07-25 In the Orient there is a belief that the gods using an invisible red thread connect every person with their destined other In Japanese legend the thread is thought to be tied around the little finger of everyone on earth According to this myth the thread can travel everywhere regardless of time place and circumstances until finding its other end It is also said that the magical thread may be twisted or tangled but never broken This book follows the myth and consists of four parts representing the four seasons SPRING the birth SUMMER the flourishing AUTUMN the experience WINTER the knowledge On each illustration the invisible thread is hidden weaving through nature culture and the myths of traditional and contemporary Japanese life You the reader needs to find and transform the invisible thread into the magical red one while colouring the rest of the world it passes through using your imagination and follow the red thread to find its destiny Includes 6 pages of characters icons traditions and curiosities of Japanese arts and crafts *The Red Thread* Nicholas Jose, 2002-08 Set in contemporary Shanghai this elegant and seductive love story revolves around Shen an art appraiser and Ruth a young Australian woman who find their lives strangely mirrored in Six Chapters of a Floating Life an actual centuries old Chinese manuscript that is missing the final chapters Two color *Cloth* Cassandra Ellis, 2019-07-04 Organised into five sections Cotton Wool Silk Linen and Hide Cloth provides insight into their craftsmanship and history and includes striking projects that make the most of each fabric s properties such as using antibacterial hemp to make napkins Projects include cotton tote bag waxed cotton purses Liberty print cushions silk sari curtains a tie dyed silk scarf and antique silk wheat bags wool oven gloves pillow covers and a dog bed fashioned from a kilim linen bedcovers slippers and hand dyed cushions leather purses journals and a sheepskin stool With a resource guide containing all the information you need to indulge a passion for textiles such as where to buy antique fabrics suppliers of organic and well sourced cloth specialist shops and websites plus a toolkit of essential kit and instructions on hand dyeing fabric *The Ties That Bind* Mirriam Musonda Salati-Oppong, In the heart of the bustling city lies Caf Serenity a haven where love and destiny intertwine Eleanor with her hazel eyes reflecting the hues of autumn leaves and Daniel with his chestnut gaze mirroring the warmth of a

crackling fire find themselves drawn to its welcoming embrace Their journey begins with a collision of fate a serendipitous encounter that sets the stage for a love story as timeless as the city itself As seasons change and life unfolds Eleanor and Daniel navigate the complexities of career aspirations family dynamics and personal growth From the familiar corners of Caf Serenity to the cobblestone streets of the town their connection deepens weaving through shared laughter whispered confidences and unspoken understanding In *The Ties That Bind* love finds its voice in the symphony of everyday moments a glance a touch a shared silence Through challenges and triumphs Eleanor and Daniel discover that the ties that bind them are forged not only in passion but also in the quiet moments of connection and understanding Join them on a journey of love friendship and self discovery a journey that transcends the ordinary and celebrates the beauty of human connection in all its forms

Crossover Picturebooks Sandra L. Beckett, 2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children's genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries *Crossover Picturebooks* is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole

Beyond ambiguity John Kinsella, 2021-12-21 This volume completes John Kinsella's trilogy of critical activist poetics begun two decades ago It challenges familiar topoi and normatives of poetic activity as it pertains to environmental humanitarian and textual activism in the world at large it shows how ambiguity can be a generative force when it works from a basis of non ambiguity of purpose The book shows how there is a clear unambiguous position to have regarding issues of justice but that from that confirmed point ambiguity can be an intense and useful activist tool The book is an essential resource for those wishing to study Kinsella and for those with an interest in twentieth and twenty first century poetry and poetics and it will stand as an inspiring proclamation of the author's faith in the transformative power of poetry and literary activity as a force for good in the world
