Redeemer Friend And Mother Salvation In Antiquity And In The Gospel Of John:

Redeemer, Friend and Mother Josephine Massyngberde Ford, 1997 How wide a range of ideas was used by early Christians to proclaim redemption through Jesus Christ What did the followers of Jesus do about concepts of shame death suffering forgiveness and friendship And how did their beliefs relate to the lives and thoughts of actual persons in the Graeco Roman world including women Author J Massyngbaerde Ford opens a new vista on the ancient world of Bible times

Paroimia and Parrësia in the Gospel of John Thomas Tops, 2022-02-07 The language of the Gospel of John is known for its complexity On the basis of the modern standards of transparency and logic previous scholars have depicted this language as obscure confusing and mysterious Thomas Tops goes beyond these oversimplifications by providing an in depth historical study of John s characterisation of Jesus language with the terms paroimia and parr e sia By providing original insights in these terms the author offers a new perspective on the functioning of Johannine language As the Johannine Jesus teaches both through paroimia and parr e sia his language conceals and reveals at the same time His criticism is veiled and calls on its addressees to search for the hidden meanings of his words Veiled speech allows the Johannine Jesus to criticise his opponents and openly reveal his messianic identity to those who cannot accept the truth in any other way **Communal**

Holiness in the Gospel of John Musa Victor Mdabuleni Kunene, 2012-06-14 In this book the author contends that communal holiness is the central theme of the vine metaphor in John 15 1 17 Illumination of the Johannine vine metaphor is illustrated by drawing on background information on the vine and its metaphorical usage in the Ancient Near East Old Testament and Second Temple Period and to suggest understanding in light of the communal holiness of the covenant people of God Comparing the themes of holiness and corporateness pertinent to the covenant the book also reflects the covenant with Israel in relation to John s understanding of the people of God The notion of covenant which embraces reference to the people of God as vine vineyard in the Old Testament and Second Temple Period underlies John s vine metaphor The book focuses research on ANE viticulture to determine the context s of when the vine was used to refer to Israel in a covenant relationship with God In this historical context the Johannine vine metaphor receives fresh meaning and relevance for the people of God **Otherness and Identity in the Gospel of John** Sung Uk Lim, 2020-12-23 In this book Sung Uk Lim

examines the narrative construction of identity and otherness through ongoing interactions between Jesus and the so called others as represented by the minor characters in the Gospel of John This study reconfigures the otherness of the minor characters in order to reconstruct the identity of Jesus beyond the exclusive binary of identity and otherness The recent trends in Johannine scholarship are deeply entrenched in a dialectical framework of inclusion and exclusion perpetuating positive portrayals of Jesus and negative portrayals of the minor characters Read in this light Jesus is portrayed as a superior omniscient and omnipotent character whereas minor characters are depicted as inferior uncomprehending and powerless At the root of such portrayals lies the belief that the Johannine dualistic Weltanschauung warrants such a sharp differentiation

between Jesus and the minor characters Lim argues to the contrary that the multiple constructions of otherness deriving from the minor characters make Jesus identity vulnerable to a constant process of transformation Consequently John s minor characters actually challenge and destabilize Johannine hierarchical dualism within a both and framework John and the Johannine Letters Prof. Colleen M. Conway,2017-11-15 While the book necessarily includes discussion of key concepts in Johannine scholarship e g the existence or not of a distinctive Johannine community questions regarding the gospel s sources and redactional layers it also takes into account more recent developments in New Testament studies It includes gender related issues with influence by postcolonial approaches as well as the influence of the Gospel s socio political context in shaping its Christology and theology Chapters focus on the different approaches to the Johannine texts and view the Gospel and letters through the lens of each respective approach Chapters also encourage observation and open with a brief scripture reading assignment followed by guiding questions to help students understand the key questions and themes for each approach *Towards Friendship-Shaped Communities* Anne-Marie Ellithorpe,2022-04-13 A unique and incisive exploration of the place and nature of friendship in both its personal and civic dimensions In *Towards Friendship Shaped Communities* A Practical Theology of Friendship distinguished theological researcher Anne Marie Ellithorpe delivers a constructive and insightful exploration of the place and nature of friendship as innate to being human to the human vocation and to life within the broader community Of particular interest to members and leaders of faith communities this book responds to contemporary concerns regarding relationality and offers a comprehensive theology of friendship The author provides an inclusive and interdisciplinary study that brings previous traditions and texts into dialogue with contemporary contexts and concerns including examples from Indigenous and Euro Western cultures Readers will reflect on the theology of friendship and the interrelationship between friendship and community think critically about their own social and theological imagination and develop an integrative approach to theological reflection that draws on Don Browning s *Fundamental Practical Theology Integrating philosophical anthropological and theological perspectives on the study of friendship* this book presents A thorough introduction to contemporary questions on friendship and discussions of co existing friendship worlds Comprehensive explorations of friendship in first and second testament writings as well as friendship within classical and Christian traditions Practical discussions of theology friendship and the social imagination including explorations of mutuality and spirit shaped friendships Considerations for outworking friendship ideals within communities of practice from the perspective of strategic or fully practical theology Perfect for graduate and advanced undergraduate students taking courses on friendship or practical theology *Towards Friendship Shaped Communities* A Practical Theology of Friendship will also earn a place in the libraries of scholars of practical theology and community practitioners including ministers priests pastors spiritual advisors and counselors Paul and the Ancient Celebrity Circuit James R. Harrison,2019-11-18 In this study James R Harrison compares the modern cult of celebrity to the quest for glory in late republican and early imperial society He

shows how Paul's ethic of humility based upon the crucified Christ stands out in a world obsessed with mutual comparison boasting and self sufficiency **Discovering John** Ruth B. Edwards, 2015 In this student friendly introduction to the Gospel of John Ruth B Edwards illuminates the biblical text's content interpretation and historical reception What is the purpose of John's Gospel How does John relate to the religious thought of its day What is distinctive about its message How does it speak to our world today Is it anti Semitic Edwards expertly guides readers through such questions helping those interested in this provocative sometimes enigmatic Gospel to discover the answers for themselves Back cover **Dwelling in the Household of God** Mary L. Coloe, 2017-07-27 In her remarkable first book God Dwells With Us Temple Symbolism in the Fourth Gospel Mary L Coloe P B V M explored the profound insight of John's Gospel expressed in Jesus invitation to his disciples Make your home in me as I make mine in you John 15 4 For the gospel's author and audience the dwelling of God among humans was above all the Jerusalem Temple The gospel traces how after the trauma of the destruction of the Temple the Johannine community came to expand and deepen its knowledge of God's dwelling among humans finding it now in the person of Jesus and in the community of believers Dwelling in the Household of God moves us from seeing God's dwelling place as the Temple to seeing God's dwelling place within the community of believers The starting point now is an image in John 14 2 my Father's house which is given its Old Testament meaning of my father's household Our awareness thus moves like that of the first Christians from understanding My father's house as the Temple John 2 16 to My Father's Household as a community of believers drawn into Jesus own divine filiation Coloe invites us to re read the gospel from the post Easter perspective of those who have become brothers and sisters of Jesus and living Temples of God's presence What emerges is nothing less than a profound mysticism of the mutual indwelling of God and believers Mary Coloe PBVM DTh holds a joint teaching position at the Australian Catholic University and St Paul's Seminary Brisbane Her publications include numerous articles and God Dwells With Us Temple Symbolism in the Fourth Gospel Liturgical Press 2001 *Early Church Understandings of Jesus as the Female Divine* Sally Douglas, 2016-05-19 Central to debates about Jesus is the issue of whether he uniquely embodies the divine While this discussion continues unabated both those who affirm and those who dismiss Jesus divinity regularly eclipse the reality that in many of the earliest strands of the Christian tradition when Jesus divinity is proclaimed Jesus is imaged as the female divine Sally Douglas investigates these early texts excavates the motivations for imaging Jesus as Woman Wisdom and the complex reasons that this began to be suppressed in the 2nd and 3rd centuries The work concludes with an exploration of the powerful implications of engaging with the ancient proclamation of Jesus Woman Wisdom in contemporary context
