Reflections In Shattered Glass:

Shattered Reflections Laura Lee, The moon hung high in the midnight sky casting an ethereal glow upon the deserted streets of Lourdes a small town tucked away in the heart of the French countryside Simone Delacroix a young woman burdened by an unyielding sense of emptiness wandered through the winding alleys her footsteps echoing in the silence of the night In the shadows the remnants of shattered glass littered the cobblestones a stark reflection of the broken pieces of Simone s own life Her once vibrant spirit had been fractured by the weight of expectations and the suffocating conformity of her existence Trapped in a cycle of pleasing others she had lost touch with the true essence of her being A peculiar mirror caught Simone s attention standing alone in a dimly lit corner of an antiques shop Its ornate frame seemed to beckon to her whispering secrets from ages long past As she approached an irresistible pull drew her closer and before she knew it she stood before the mirror mesmerized by her own reflection But what she saw was not the familiar face she had grown accustomed to Instead a stranger stared back at her a woman with fiery eyes that mirrored her own inner turmoil with wild untamed hair that mirrored her desire for freedom It was a reflection that spoke of hidden depths and untapped potential of a dormant power waiting to be awakened A surge of curiosity and longing coursed through Simone s veins With trembling hands she reached out and touched the mirror s surface In that instant the world around her seemed to shift and dissolve giving way to a realm beyond her wildest imagination

Musings F. M. Bonevento, 2014-11-03 Where is this I find me How came I to this spot Methinks it seems familiar yet in truth I know it not A door with curtained windows all aflutter on the breeze A long and twisting staircase that spirals where it climbs A niche standing empty where once a statue stood A door leading to somewhere but it wont open for me F M Bonevento has been on a poetic journey since 1980 In his second collection of poetry he leads others through the musings of his mind across time and space people and a variety of settings As he darts into spaces sometimes known and often unexpected Bonevento casts a lyrical light on the sacred and the mundane as well as the mythic and the mind While exploring themes such as myths and legends the beauty of nature faith and prayer and the realm of dreams ideas and emotions Bonevento invites others to reflect on his introspective perspectives while taking their own unique journeys through the mind to explore ideas and feelings about the world Musings shares a journey in verse created from one mans life experiences and reflections over a twenty five year period
