Reflections Biblical And Otherwise About Sexuality:

Reflections Catherine Clark Kroeger, Tina J. Ostrander, 2001-10-01 One side takes a biblical position contrary to another side In the middle is a vast audience of people who really are looking for guidance on the subject beset by passion and politics on both sides Is it possible to present an understanding of the Bible's precepts in a way that is respectful of all people as well as faithful to Scripture Is it possible to sense the deep pain that some brought with them and the longing for healing of the wounds Is it possible to address the militants of both parties with a moderate and rational voice Is it possible to center on the will of God rather than the animosities of human beings *Reflections* provides a dispassionate thought provoking look at the issue without mudslinging name calling or outbursts of emotion The authors employ the Bible not as a weapon of war but as a light to our way and a lamp to our feet

The Erotic Word David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped

Who Told You that You Were Naked? Beverly Dale, 2024-10-15 A devotional for self image and self love In this collection of meditations and reflections Rev Beverly Dale critiques the theology and culture of shame that negatively impact so many lives She offers an alternative theology rooted in embracing who we are as sexual beings Both self help guide and theological and cultural criticism this volume will appeal to anyone interested in practical applicable engagement with the intersection between theology and sexuality

Sexual Hospitality in the Hebrew Bible Thalia Gur-Klein, 2014-10-20 A woman's life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves *Sexual Hospitality in the Hebrew Bible* examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife's sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance

Sexual Virtue Richard W. McCarty, 2015-01-08 Richard W McCarty offers a compassionate and inclusive conception of sexual virtue one that liberates Christians from traditional patriarchal requirements for heterosexuality marriage and procreation Daring to depart from ongoing debates about what Aristotle or Aquinas had to say this book sets a new course centered on virtue ethics It employs new insights from the sciences biblical scholarship analyses of church traditions and revisionist natural law thinking Eschewing simple deconstruction of traditional Christian norms for sexual morality McCarty offers constructive ideas about what might count as real human goods for people in a wide variety of sexual

relationships Recreation relational intimacy and selective acts of procreation are three ends of sexual virtue that promote human happiness and can be appreciated in a broad Christian framework While primarily referencing the Roman Catholic intellectual tradition McCarty's work is also vital and accessible to those from Protestant backgrounds Addressed to LGBT and straight readers *Sexual Virtue* provides a compassionate sexual ethics for our time *Sexual Reformation?* Manitza Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches **Readings in Christian Ethics** David K. Clark, Robert V. Rakestraw, 1994 Ethical interpretations meet real life Case studies and readings explore divergent views on morals in action *Loving the Body* D. Hopkins, 2004-12-09 In this book contributors argue that the Black Church must begin to address the significance of sexuality if it is to actually present liberation as a mode of existence that fully appreciates the body The contributors argue that we not only have to look at the Black Church in this discussion but also explore black Christianity in general *Sex, Gender, and Christian Ethics* Lisa Sowle Cahill, 1996-08-28 This book endorses feminist critiques of gender yet upholds the insight of traditional Christianity that sex commitment and parenthood are fulfilling human relations Their unity is a positive ideal though not an absolute norm Women and men should enjoy equal personal respect and social power In reply to feminist critics of oppressive gender and sex norms and to communitarian proponents of Christian morality Cahill argues that effective intercultural criticism of injustice requires a modest defence of moral objectivity She thus adopts a critical realism as its moral foundation drawing on Aristotle and Aquinas Moral judgment should be based on reasonable practical prudent and cross culturally nuanced reflection on human experience This is combined with a New Testament model of community centred on solidarity compassion and inclusion of the economically or socially marginalised **The**

New Testament on Sexuality William Loader, 2012-09-13 This is the fifth and final installment of William Loader's authoritative acclaimed series on attitudes toward sexuality in the ancient world. Sexual themes are never far beneath the surface where there are human beings. This was certainly the case for Christians in the first century world. Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage. Others had to work out their sexual ethics in a world strongly influenced by Greco-Roman ideals and practices. In *The New Testament on Sexuality*, William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality, highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union. He deals with specific themes such as divorce, same-sex relations, women and men in leadership, and celibacy. Individual behavior, gender roles, and rules, preferences, and hopes also fall under the scope of his investigation. Broad-ranging and thorough, this book engages both the biblical texts and the diverse ways in which they have been interpreted.

Embark on a transformative journey with Written by is captivating work, **Reflections Biblical And Otherwise About Sexuality** . This enlightening ebook, available for download in a convenient PDF format Download in PDF: , invites you to explore a world of boundless knowledge. Unleash your intellectual curiosity and discover the power of words as you dive into this riveting creation. Download now and elevate your reading experience to new heights .
