Reflections Of A Life Up North:

Reflections of a Life Up North Deborah Wyatt Fellows, 2004 Reflections of My Life Betty Dawson, 2022-11-30 Living in a quiet corner of rural Northern Ireland in the 50s and 60s children had an idyllic freedom to explore plus a healthy respect for hard work and community spirit Moving from this to the bustle and confusion of London enjoying a short spell living in historic Bath to then living in the Far East was in itself a lifetime experience But follow this on with a broken marriage a protracted divorce and the harsh realities of living with the troubles in Northern Ireland was a route not experienced by everyone Starting again in the hitherto unknown world of a word smith in Public Relations which included working across the UK Europe Bosnia during and post conflict and in Kosovo post conflict was a new route This process was an accidental rather than a deliberate choice It flowed out of necessity drawn by instinctive reaction to circumstances rather than by design These experiences form the basis of this narrative Reflections of the North Kirk W. Sauer, 2021-09-28 The Canadian north is still a mystery to most Canadians What is it like to live in a constant winter temperature of 40 below zero with barely 2 to 3 hours of daylight What is it like to live in a community that lives off the land where a caribou hunt to provide the winter s meat is a matter of life or death The children are taught life saving proficiency skills in a very direct way by elders and grandparents Often the survival skills of hunting and fishing take precedent over learning the three R s Kirk accompanied them on hunts learning along with his students Kirk writes as he thinks in pictures Very visual he paints charming amusing and memorable tales of those who cross his path Who can forget the picture of a shaggy Cross Fox seizing a scrap of muffin racing away to bury it and then coming back for more Kirk s own illustrations highlight the book including portraits of his students and studies of everyday life in the north His words and his art capture a northern Canada that we may explore with him
