Reflections Of My Mind:

Reflections of My Mind Herman Jones, 2019-12-03 When I was a small Lad growing up in Alabama my Grandmother used to tell me stories about different things and events she knew about She inspired me to be a storyteller This book is the end results of that inspiration My book is a composition of thoughts and ideas that reflect relationships between living creatures both human and animal I attempted to show the impact of these relationships both good and evil I firmly believe that we all need each other no matter how or at what level we relate to each other Being a Christian I tried to show these relationships from the perspective of equality and dependence of all upon the unfailing Love Grace and Mercy of The Lord Jesus Christ

Reflections of My Heart Ken Oswald, 2011-02 Life is an adventure sometimes we take it for granted Reflections of my heart are things emotions and feelings i have felt and lived through in my life that many of you may be able to relate to as well People come into your life for a reason a season or a lifetime When someone is in your life for a REASON it is usually to meet a need you have expressed They have come to assist you through a difficulty to provide you with guidance and support To aid you physically emotionally or spiritually They may seem like a godsend and they are They are there for the REASON you need them to be Some people come into your life for a SEASON because your turn has come to share grow or learn They bring you an experience of peace or make you laugh They may teach you something you have never done They usually give you an unbelievable amount of joy Believe it it is real But only for a SEASON LIFETIME relationships teach you lifetime lessons Things you must build upon in order to have a solid emotional Foundation Your job is to accept the lesson Love the person and put what you have learned to use in all other Relationships and areas of your life It is said that love is blind but friendship is clairvoyant Thank you for being a part of my life Whether you were a reason a season or a lifetime

Reflections of the Heart LeRon E. Easley, Winnifer Wilson, 2013-01-10 Reflections never fade they are only transparent and every time you look deep enough into your heart you never see what you really want but only a reflection and in due time your true desires would show itself to you and no longer be just a transparent reflection Every day we make the connection by touching It becomes a growth process where we learn to understand one another those contributions that we make are the distinct pieces of ourselves those things that expand our thoughts feelings and emotions The experiences of today are just more stumbling blocks I must

succeed in order to venture anywhere closer towards my endeavors the objective is more than just making it Its turning a bad situation around in order to create something worthwhile Rememberinginstills the desire to think about those pleasant things that at one time enriched our lives feeling touches upon the core of what had existed reminding the heart of all that was and all that is real These things enables a person to understand what was then and what is now Instilling the sense of direction towards what is to come Being is the acknowledgement of oneself It is a measure that characterizes not only the structure of that individual It also focuses on set reservations and intent upon ones life In this book we will come to know one another well come to learn that as well as the world revolves around us so do we evolve around each other LeRon Easley LeRon Everett Easley began writing in an effort to assist others who were literally challenged in order to help them construct emotional packed letters to their family and loved ones He envisioned how distant people were apart from one another within those relationships they shared and created a tool that would empower people to communicate what he believed that others felt inside LeRon Everett Easley is a man who rose from the pits of a correctional facility having obtained a Bachelors Degree in Organizational Management His passion has been to write various expressions based on thoughts feelings and emotions and expressions that would give interpretation to what many of us would feel deep within our hearts Winnifer Wilson Winnifer Wilson was born in Dayton Ohio Jan 22 1959 under studied at South Western Business College Ive always wanted to write Poetry or songs after the death of my youngest daughter with my granddaughter the pain was overwhelming so it encouraged me to put my pain to use With LeRon Easley being my biggest inspiration Who is the author of this book to help target our young adults who are the future for us all to stay in the right path of life stay in school stay focused and be yourself With the help of my mentor LeRon who has helped me focus and think clearly about the things that I have endured in my life One thing to remember in life is this Everything that you have went through and still going through makes you stronger even though it may seem like it gets worst at first My hope is that one day all children will be able to create their wonders and live out their dreams

Reflections on Blaxploitation David Walker,Andrew J. Rausch,Chris

Watson,2009-03-30 In the early 1970s a new breed of film emerged that would completely change the way black people were presented in movies With their afros picked to spherical perfection and their guns blazing big bad soul brothers and super sexy sisters lit up movie theaters across the country Never before had black men and women appeared on screen in quite this way In time these films would be called blaxploitation And while it has long been debated exactly which film launched the blaxploitation era the financial success of Melvin Van Peebles s Sweet Sweetback s Baadasssss Song and Gordon Parks s Shaft helped open the flood gates for the more than 200 films that are now considered blaxploitation Reflections on Blaxploitation Actors and Directors Speak is a collection of interviews with many of the men and women who defined the genre In candid conversations some of the most important figures of the era describe what it was like to work on these films and what impact they had on American culture Among those interviewed are such icons as Jim Brown Slaughter Antonio

Fargas Foxy Brown Gloria Hendry Hell Up in Harlem Jim Kelly Black Belt Jones Ron O Neal Superfly William Marshall Blacula and Fred Williamson Hammer Also featured here are some of the most influential names behind the scenes including Larry Cohen Black Caesar Oscar Williams Five on the Black Hand Side and Melvin Van Peebles This volume also includes a filmography of every known or rumored blaxploitation film including their availability on VHS and DVD

REFLECTIONS OF THE SOUL Karin M Neal,2025-07-23 In Reflections of the Soul Karin M Neal shares her powerful journey from despair to the light of faith and redemption Battling the grips of alcoholism Karin found herself in the unforgiving cycle of abuse homelessness and loss With her children and a broken spirit she fought for survival often relying on fleeting moments of relief through alcohol Yet amidst the darkness Karin found a glimmer of hope in her faith and the support of Alcoholics Anonymous As she began to rebuild her life Karin faced the harsh reality of her past choices yet she embraced a newfound commitment to sobriety and her family Through intense prayer spiritual awakening and soul wrenching realizations she discovered a guiding force that led her toward healing In a town where everyone knew her struggles Karin found the strength to overcome her past and forge a path toward peace and purpose Reflections of the Soul captures the rawness of Karin s trials from seeking refuge from an abuser in the dead of night to kneeling in prayer and feeling God s presence Her journey highlights the powerful transformation that faith and determination can bring painting a vivid portrait of resilience that leaves readers questioning what they would choose when facing their darkness
