takes someone else to show us the direction in which to proceed This book helps the reader create their own personalized roadmap to success It only takes a few weeks to cultivate a good habit and it has been said that we first make our habits and then our habits make us Just as millions of other Napoleon Hill readers have done for nearly one hundred years the message you are to receive if you are ready to receive it is that there is a roadmap to success You too can attain the success in life most people only dream of attaining But first you must study and then follow in the footsteps of those who have achieved their goals This book starts you on the process of planting an idea nurturing the idea and then harvesting your own victory garden
