Refreshing The Parts Electoral Reform And British Politics

Gareth Smyth

Refreshing The Parts Electoral Reform And British Politics:

Refreshing the Parts Gareth Smyth,1992 Gareth Smyth s collection of essays examines and develops many of the issues about the present electoral system s inadequacies raised in Can the Tories Lose his successful guide to Britain s marginal constituencies

The Labour Party and Electoral Reform Jasper Miles,2023-03-09 The issue of electoral reform has divided the Labour Party since its inception but only for a brief period in the early 20th century has the Party been committed to reforming first past the post FPTP Now having suffered four successive general election defeats the Labour Party will have to reconsider its electoral strategy if it is once again to become a party of government For some a commitment to electoral reform is an indispensable step to widen support transform the Party and unlock British Politics For others the present system still offers the best hope of majority Labour governments avoiding deals with the Party s rivals and the watering down of Labour s social democratic agenda This book explores the Labour Party s approaches towards reforming the Westminster electoral system and more widely its perception of electoral pacts and coalition government The opening chapters chart the debate from the inception of the Party up to the electoral and political impact of Thatcherism From there the book takes a closer look at significant recent events including the Plant Report the Jenkins Commission the end of New Labour the Alternative Vote Referendum and closing with the Labour leadership containing the matter at Party Conference 2021 Importantly it offers an assessment of the pressures and environment in which Labour politicians have operated Extensive elite level interviews and new archival research offers the reader a comprehensive and definitive account of this debate

Reforming the Constitution Peter Catterall,Wolfram Kaiser,Ulrike Walton-Jordan,2014-05-12 This collection takes as its subject how and why the British constitution developed during the course of the 20th century In chapters that analyse in detail the evolution of various aspects of the constitution this work explores debates about how the constitution ought to operate and the political goods it ought to secure among politicians jurists and academics In addition it looks at the influence of political parties nationalism social and economic change European integration and the contests in over particular reforms in Parliament courts media and on the hustings

The Failure of Political Reform in Venezuela Julia Buxton,2020-09-29 This title was first published in 2001 The victory of former lieutenant colonel Hugo Chavez in the Venezuelan presidential elections of 1998 was criticized as a blow against the country s deep seated democratic tradition It is claimed that this simplistic argument fails to recognize the extent of democratic deterioration in the country and the limitations imposed by discredited political actors on a meaningful democratic reform process The book aims to break new ground in providing unseen evidence of electoral fraud and offers a fresh perspective on the nature of democratic development

The Labour Party and Constitutional Reform P. Dorey,2008-06-17 Examines the Labour Party s approach to constitutional reforms in historical context and how these have been pursued more to modernize political institutions rather than radically transform them Explains the reasons for this constitutional conservatism and the debates which specific reform proposals have

prompted in the Party *Proportional Representation and the Constituency Role in Britain* Thomas Carl Lundberg, 2007-04-12 Lundberg critically examines the claim that party list elected members of Britain's devolved assemblies in Wales and Scotland are somehow second class representatives Although list elected representatives in Britain have a different constituency role these representatives add an important element of pluralism to Britain's politics **British Government and Politics** Robert Malcolm Punnett, 1994 This text is intended for students concerned with the institutions of British government This edition has been thoroughly revised to provide a comprehensive up to date account of the many facets of British government and politics in the 1990s *The Resilience of Democracy* Peter Burnell, Peter Calvert, 2022-09-27 This volume brings together studies of the small number of previously established states that have retained and or restored democracy despite in many cases formidable economic social or political challenges It seeks to establish common themes whether or not they appear to fit a grand casual theory It is after all the very adaptability of democratic systems that characterises their persistence durability and resilience Ibss: Political Science: 1992 British Library of Political and Economic Science, 1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Politics and the Constitution* Vernon Bogdanor, 1996 The British Constitution is once more a matter of political debate This book explains why It shows that the struggle over the constitution is in essence a political struggle It deals with such controversial issues as devolution and electoral change At a time when Britain may be on the brink of major constitutional change it is essential reading
