Hmong Refugees in the New World Christopher Thao Vang, 2016-05-16 Almost no one in the West had heard of the Hmong before National Geographic ran a cover story on the Southeast Asian ethnic group that had allied with the United States in the Vietnam War and few knew of them before their arrival in the U S and other Western nations in 1975 Originating in China centuries ago they have been known by various names Miao Meo Miaozi Meng or San Miao some of them derogatory The Hmong in the West are war displaced refugees from China and Laos though they have been misidentified as belonging to other ethnic groups This mislabeling has caused confusion about the Hmong and their history This book details the history of the Hmong and their journey from Eastern to Western countries providing a clear understanding of an immigrant culture little understood by the American public Instructors considering this book for use in a course may request an examination copy here

The Jews in the Twentieth Century Martin Gilbert, 2001 What an extraordinary chronicle of upheaval sorrow and achievement is the story of the Jews in the twentieth century and who better to narrate it than the renowned British historian Sir Martin Gilbert whose lifework has been the study of the events and personages of our time In this richly illustrated volume he vividly describes the individuals the historic movements the watershed moments and the horrific years that so profoundly changed the world and the Jewish people In a text interwoven with and illuminated by more than 400 fascinating photographs many of them never before published or long forgotten we meet the widely dispersed turn of the century Jewish communities of Europe the Middle East and Asia Then we encounter with startling immediacy the impassioned Zionists who set out to reclaim Palestine and the immigrant waves that poured out of Eastern Europe in search of a better life in America among them the brilliantly creative writers composers actors and comedians who enthralled millions and the scientists judges legislators entrepreneurs

and intellectuals whose numbers can hardly be counted but whose thoughts and deeds shaped the modern world There is tragedy in this history the twentieth century saw many dark years during which the Jewish people suffered pogroms persecution and mass murder But the century also saw the renewal and flourishing of the Jewish community in America in Israel and throughout the Diaspora The observant the secular the people gathered from the ends of the earth all figure in the vivid portrait of the Jews at the dawn of the twenty first century Sir Martin relates this astonishing and deeply moving story with the erudition and empathy that have always distinguished his writing and with a masterful eye for the key point the telling anecdote the human detail that makes history come alive While our memories are still fresh he has fixed them indelibly in a volume that will be treasured pored over and passed down as the rich and definitive record of Jewish life in the twentieth century Global Rhythm ,2006 *Cesta labyrintem* Vladimír Fuka,1996 **National Republic** ,1938
