INDIVIDUAL TOOLKIT: WHAT RECENT SUPREME COURT DECISIONS MEAN FOR YOU

TOPLINE POINTS

- The June 2023 U. S. Supreme Court decisions in *303 Creative LLC v. Elenis* and *Groff v. DeJoy* were significant victories in securing freedom of speech and religion for future generations. It is important for individual Americans to know how these decisions impact their personal and professional lives.
- *303 Creative LLC v. Elenis* protected freedom of speech by prohibiting the government from compelling individuals and creative businesses into speech with which they strongly disagree.
- *Groff v. DeJoy* secured religious freedom by ensuring available and robust religious accommodations in the workplace for people of faith.

Introduction

This toolkit is intended to provide major takeaways, analyses, and concrete action steps following the recent Supreme Court decisions in *303 Creative LLC v. Elenis* and *Groff v. DeJoy*. The toolkit includes polling data showing current American public sentiment on freedom of speech and religion and messaging that supports the America First Agenda.

What the Decisions Mean for You

303 Creative LLC v. Elenis

In *303 Creative LLC*, website designer Lorie Smith wanted to create wedding websites, but under Colorado's Anti-Discrimination Act, she would have been compelled to create websites that violated her religious beliefs. The Colorado law would have forced Lorie to choose between violating her deeply held religious beliefs and shutting down her business. The Supreme Court's decision protected Lorie's freedom of speech by emphasizing that state governments cannot compel artists and creators like Lorie to produce and sell products that violate their convictions. The following list outlines some key aspects of the decision and how it protects your rights.

Religion and the Schools Eugene T. Connors, 1988 This fastback examines the U S Supreme Court decisions and a few lower court decisions concerning religion and education rendered in the 1980s and for background purposes it also includes some decisions prior to the 1980s The first of four parts discusses cases pertaining to prayer and religious activities in school Included in the discussion are cases concerning moment of silence posting the Ten Commandments school clubs and the Equal Access Act religious holidays and holiday observances Christmas pageants and other seasonal observances and prayers during school functions The second part discusses cases involving aid to parochial schools Litigation involving shared time programs and Chapter I services is discussed along with tax deductions for education expenses The third part addresses religion in the curriculum reviewing cases on religious objections to compulsory school attendance creationism and evolution using the Bible in the school curriculum teachers rights to refuse to teach objectionable material and textbooks and secular humanism A list of cases is appended TE

Religious Schools in the United States K-12 (1993) Thomas C. Hunt, James Carper, 2017-12-15 First published in 1993 this volume is an extension and revision of the 1986 book entitled Religious Schools in America A Selected Bibliography This new version contains additional annotated bibliographies of the various denominational schools as well as discussing governmental relation to each setting in the years from 1985 to 1992 This version also covers Greek Orthodox and Muslim schools that were not part of the previous volume and includes a chapter on the growth of home schooling which is often influenced by religion Finally unlike the previous edition this book only considers religious schools rather than the religious aspect or function of public schooling Each section includes a short chapter followed by an extensive annotated bibliography making it a useful source for anyone looking for information in the area

Having and Raising Children Uma Narayan, 2010-11-01 As the term family values achieves prominence in the rhetoric of political debate the social issues at the heart of today s political controversies deserve to be studied in depth This volume brings together a group of philosophers political scientists and legal scholars to explore a wide range of specific topics dealing with the legal ethical and political dimensions of familial relationships Topics addressed include the rights of unwed fathers the nature of children s autonomy children s rights to divorce their parents parental rights with respect to medical treatment and religious education of children surrogate parenting same sex parenting and single parent families Collectively the essays point out that many contemporary issues pertaining to the having and raising of children pose genuinely hard choices for public policy makers for those who make and enforce the laws and for citizens who would like to engage in informed and critical democratic debate on these issues
