Religion Intergroup Relations And Social Change In South Africa

Peter L. Berger

Religion Intergroup Relations And Social Change In South Africa:

Religion, Intergroup Relations, and Social Change in South Africa G. C. Oosthuizen, 1988 A complex and unpredictable factor in the explosive South African conflict the Christian churches will almost certainly play a key role in its ultimate resolution This book which is based on a four year research project explores the possible dimensions of that role through a systematic examination of the connections between religion and the social political and economic life of the nation Focusing on critical issues in the current debate the authors look at how religion and religious attitudes function in facilitating or restraining social change and what consequences this may hold for South Africa s future The authors begin by describing the social role fo religion in South Africa together with the particular issues that have drawn churches into the debate They provide comprehensive profiles of the patterns of religious affiliation and attitudes that characterize contemporary South Africa Next they assess the social impact of various denominations and movements including Afrikaner civil religion the Black indigenous churches and pietistic religious groups Ongoing theological debates on human rights racial equality the power structure of society and the question of violence are considered in detail The concluding chapter integrates the findings of the study and considers religious values as an instrument for developing social consciousness and a commitment to universal justice This authoritative analysis of the broader dimensions of religion in South Africa makes a significant contribution to our understanding of religion as a factor in contemporary social and political processes It will be of interest to students and specialists in African studies and to scholars concerned with the role of religion in the modern world

Religion, Intergroup Relations, and Social Change in South Africa HSRC Investigation into Intergroup Relations. Work Committee: Religion, Gerhardus Cornelis Oosthuizen, 1985 *Religion, Intergroup Relations, and Social Change in South Africa* G. C. Oosthuizen, 1988 A complex and unpredictable factor in the explosive South African conflict the Christian churches will almost certainly play a key role in its ultimate resolution This book which is based on a four year research project explores the possible dimensions of that role through a systematic examination of the connections between religion and the social political and economic life of the nation Focusing on critical issues in the current debate the authors look at how religion and religious attitudes function in facilitating or restraining social change and what consequences this may hold for South Africa s future The authors begin by describing the social role fo religion in South Africa together with the particular issues that have drawn churches into the debate They provide comprehensive profiles of the patterns of religious affiliation and attitudes that characterize contemporary South Africa Next they assess the social impact of various denominations and movements including Afrikaner civil religion the Black indigenous churches and pietistic religious groups Ongoing theological debates on human rights racial equality the power structure of society and the question of violence are considered in detail The concluding chapter integrates the findings of the study and considers religious values as an instrument for developing social consciousness and a commitment to universal justice This authoritative analysis of the

broader dimensions of religion in South Africa makes a significant contribution to our understanding of religion as a factor in contemporary social and political processes It will be of interest to students and specialists in African studies and to scholars concerned with the role of religion in the modern world Study of Religion in Southern Africa Johannes Smit,Pratap Kumar,2018-08-14 This collection of essays is brought together in the honour of Gerhardus Cornelis Pippin Oosthuizen on his eighty third birthday Pippin has been one of the most significant religion researchers and prolific Humanities publishers South Africa has ever produced Among his friends and colleagues are some of the most important scholars of religion in South Africa and elsewhere With his critical acumen and insightful understanding of the ebb and flow of the South African socio political landscape of the last fifty odd years he has been a distinguished leader in research and has been honoured with Honorary doctorates from South Africa s leading universities This collection constitutes a small token of appreciation for his more than fifty years in academia and his academic leadership The Church Struggle in South Africa John W. De Gruchy,2005 No more heartrending yet hopeful case study in Christian ethics exists than in the story of South African apartheid and its recent decisive transformation John de Gruchy s authoritative and newly updated account of Christian complicity with and then resistance to one of the world s most notoriously repressive regimes holds indispensable lessons and dangerous memories for all concerned about evil justice and racial reconciliation **Christianity Amidst Apartheid** Martin Prozesky,1990-03-15 This book contains chapters by 14 prominent figures offering information on key issues concerning the Christian faith in South Africa Three quarters of South Africans regard themselves as Christians The story of the gospel of love and its interplay with politics is the theme pursued here *Race, Class and Christianity in South Africa* Ibrahim Abraham,2021-07-31 This book explores the relationship between race and class among middle class Christians in South Africa The book provides a theoretically sophisticated and empirically rich study of middle class Christians in contemporary South Africa as they seek to live good lives and build a good society Focused on the city of Cape Town drawing upon ethnographic research in conservative and progressive multiracial Protestant churches furnished with critical analysis of South African literature and popular culture this timely study explores expressions of ambition and anxiety that are both spiritual and material Building upon debates over middle class identity and morality from sociology anthropology and cultural studies this book analyses congregational attempts at social unity through worship music and creative youth ministry discussions on white privilege and shame and the impact of middle class black activism in South African churches and society This book will be of interest to researchers of South African culture and society religion anthropology and sociology

Religion and Ethnocentrism Dave Dean Capucão,2010 Within the context of the Dutch civil religion and the diverse reactions to it by contemporary Catholic believers this book investigates the extent to which religious attitudes i e attitudes towards God Jesus Spirit salvation and church have an effect on ethnocentrism **Religious Plurality in Africa** Jacob K. Olupona,Sulayman S. Nyang,2013-03-01 The series Religion and Society RS contributes to the exploration of religions as

social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series *A Future South Africa* Peter L. Berger, 2019-08-22 This book identifies the key actors whose visions and strategies are crucial to the pattern which change will take in South Africa These actors their visions and strategic logic were subjected to a critique by their researchers in the light of contemporary South African realities

Religion Intergroup Relations And Social Change In South Africa Introduction

In today's digital age, the availability of Religion Intergroup Relations And Social Change In South Africa books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Intergroup Relations And Social Change In South Africa books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Intergroup Relations And Social Change In South Africa books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Intergroup Relations And Social Change In South Africa versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Intergroup Relations And Social Change In South Africa books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Intergroup Relations And Social Change In South Africa books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Intergroup Relations And Social Change In South Africa books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Intergroup Relations And Social Change In South Africa books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Intergroup Relations And Social Change In South Africa books and manuals for download and embark on your journey of knowledge?

FAQs About Religion Intergroup Relations And Social Change In South Africa Books

1. Where can I buy Religion Intergroup Relations And Social Change In South Africa books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
