The Imposing Preacher Adam L. Bond, 2013-06-01 While many American religious historians have focused on a few mainstream black Christian thinkers from across the twentieth century the story of Samuel DeWitt Proctor has remained obscured Yet his voice is essential to understanding the black social gospel In the complex mix of voices from the Religious Right Protestant fundamentalism and black liberation theology Proctor brought black middle class understanding of America life and contributed a voice that was Black Christian and American Bond s exploration of the life of Samuel DeWitt Proctor adds a crucial piece to our understanding of twentieth century American church history Book jacket *Religious Studies, Theology, and the University* Linell E. Pragmatic Historicism Sheila Greeve Davaney, 2000-09-07 Sheila Greeve Davaney develops a bold new option in theology and religious reflection pragmatic historicism which emerges out of the historicist assumptions of human situatedness particularity and plurality that have come to characterize Western thought The major theological attempts by postliberal and revisionist theology to incorporate these insights have failed to contend fully with the historicist challenge Davaney s pragmatic historicism more clearly repudiates essentialism universalism and confessionalism The theology that emerges is constructive and critical resisting all forms of confessionalism without resorting to new forms of universalism In its academic mode it is interpreted not in opposition to religious studies but as one subdiscipline within the study of religion whose major concerns are the identification analysis and critical reconstruction of religious ideas As such it is a form of cultural analysis and criticism The work includes a detailed exploration of the thought of philosophical pragmatists Richard Rorty Cornel West and Jeffrey Stout and theologians Sallie McFague John B Cobb Jr Gordon Kaufman Delwin Brown and William Dean among others
