

Religious Belief And The Will

Brendan Sweetman

Religious Belief And The Will:

Religious Belief and the Will Louis P. Pojman, 1986 **Religious Belief and the Will** Louis P. Pojman, 2024-10-31 Can we ever achieve belief by a direct act of will If it will help us to be happier should we make ourselves believe propositions which the evidence alone does not warrant These are the sort of questions which Professor Pojman examines in *Religious Belief and the Will* originally published in 1986 He deals with a constellation of problems related to believing and willing to believe his main concern is with religious faith and belief though his analysis is also of interest to epistemology and ethics Pojman asks what is so important about believing propositions in the first place and why religious creeds have made propositional belief a necessary condition for salvation He considers whether one can be rational and still use the will to believe what the evidence alone does not warrant He also discusses whether faith and belief are generically related or distinct attitudes This is the first full length treatise on religious belief that approaches the subject from the viewpoint of volitional activity i e related to the will It presents a rethinking of the way the will interacts with belief a relationship often misconstrued in works of philosophy and theology Pojman believes that the will is central to religious commitment and that by understanding the relationship between the attitude of belief and the activity of willing we are enabled to get fresh insight into the classical problem of religious belief and the will **Evidentialism and the Will to Believe** Scott Aikin, 2014-05-22 Work on the norms of belief in epistemology regularly starts with two touchstone essays W K Clifford s *The Ethics of Belief* and William James s *The Will to Believe* Discussing the central themes from these seminal essays *Evidentialism and the Will to Believe* explores the history of the ideas governing evidentialism As well as Clifford s argument from the examples of the shipowner the consequences of credulity and his defence against skepticism this book tackles James s conditions for a genuine option and the structure of the will to believe case as a counter example to Clifford s evidentialism Exploring the question of whether James s case successfully counters Clifford s evidentialist rule for belief this study captures the debate between those who hold that one should proportion belief to evidence and those who hold that the evidentialist norm is too restrictive More than a sustained explication of the essays it also surveys recent epistemological arguments to evidentialism But it is by bringing Clifford and James into fruitful conversation for the first time that this study presents a clearer history of the issues and provides an important reconstruction of the notion of evidence in contemporary epistemology *The Will to Believe as a Basis for the Defense of Religious Faith* Ettie Stettheimer, 1907 *Challenges to Moral and Religious Belief* Michael Bergmann, Patrick Kain, 2014-05 Fourteen original essays by philosophers theologians and social scientists explore the challenges to moral and religious belief posed by disagreement and evolution The collection represents both sceptical and non sceptical positions about morality and religion cultivates new insights and moves the discussion forward in illuminating ways An Analysis of Religious Belief John Russell Amberley (viscount), 1877 **The Origin and Development of Religious Belief** Sabine Baring-Gould, 1878 **Religious Ambiguity and Religious Diversity** Robert

McKim, 2015 The religious ambiguity of the world has many aspects one of which is the hiddenness of God Theists have proposed a number of explanations of God's hiddenness Some putative explanations contend that the advantages of God's hiddenness goods of mystery outweigh whatever benefits would result if God's existence and nature were clear to us goods of clarity Goods of mystery that have received a lot of discussion include human moral autonomy and the ability on our part to exercise control over whether we believe in the existence of God The extent of the ambiguity that surrounds God's existence and indeed all important religious matters combined with our lack of an obviously correct and adequate explanation of this lack suggest that even if God exists it is not important that people believe in God Another central theme in the book is the significance of religious diversity for religious belief The character of this diversity is such that it provides people who take a position on religious matters with reason to adopt the Critical Stance which requires people in all the religious traditions to subject their religious beliefs to critical scrutiny and hold those beliefs in a tentative way Some contend that religious faith requires complete confidence in what is believed but tentative belief actually is sufficient to sustain many forms of religious commitment

Why Politics Needs Religion Brendan Sweetman, 2010-07-17 Can religion and politics mix Many voices reply No way Yet in this provocative and timely book Brendan Sweetman argues against this charge and the various sophisticated arguments that support it As we witness the clash of religious and secular worldviews he claims that our pluralistic democratic society will be best served when the faith elements of secularism are acknowledged and the rational elements of religious arguments are allowed to inform the momentous debates taking place in the public square In fact Sweetman contends that politics needs religion if it is to be truly democratic concerned with fairness among worldviews equality and a vigorous public discussion

Prolegomena to a Philosophy of Religion J. L. Schellenberg, 2005-09-29 There is no attempt here to lay down as inviolable or to legislate certain ways of looking at things or ways of proceeding for philosophers of religion only proposals for how to deal with a range of basic issues proposals that I hope will ignite much fruitful discussion and which in any case I shall take as a basis for my own ongoing work in the field from the Preface Providing an original and systematic treatment of foundational issues in philosophy of religion J L Schellenberg's new book addresses the structure of religious and irreligious belief the varieties of religious skepticism and the nature of religion itself From the author's searching analysis of faith emerges a novel understanding of propositional faith as requiring the absence of belief Schellenberg asks what the aims of the field should be setting out a series of principles for carrying out some of the most important of these aims His account of justification considers not only belief but also other responses to religious claims and distinguishes the justification of responses propositions and persons Throughout *Prolegomena to a Philosophy of Religion* Schellenberg is laying the groundwork for an elaboration of his own vision while at the same time suggesting how philosophers might rethink assumptions guiding most of today's work in analytic philosophy of religion

Religious Belief And The Will Introduction

In today's digital age, the availability of Religious Belief And The Will books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Belief And The Will books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Belief And The Will books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Belief And The Will versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Belief And The Will books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Belief And The Will books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Belief And The Will books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Belief And The Will books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Belief And The Will books and manuals for download and embark on your journey of knowledge?

FAQs About Religious Belief And The Will Books

1. Where can I buy Religious Belief And The Will books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
