Religious Liberty The Christian Roots Of Our Fundamental Freedoms:

Religious Liberty E. Glenn Hinson, 1991 *The Superiority of an Evangelical Model of Religious Liberty* Daniel J. Trippie, 2022-11-14 Religious liberty is America's first freedom But in recent years challenges to religious liberty have abounded For example some claim that religious freedom promotes intolerance and bigotry while others contend religious freedom condemns people to hell And others weaponize religious liberty for culture warring Nevertheless evangelicals believe that religious liberty is fundamentally a matter of human dignity thus religious liberty is a right we must preserve for all people This book will explore how evangelical anthropology cosmology and eschatology offer the most stable basis for religious freedom Secular and Roman Catholic theories may positively contribute to religious liberty but the evangelical model is superior because it answers fundamental questions left unanswered in other models Liberty for All Andrew T. Walker, 2021-05-04 Christians are often thought of as defending only their own religious interests in the public square They are viewed as worrying exclusively about the erosion of their freedom to assemble and to follow their convictions while not seeming as concerned about publicly defending the rights of Muslims Hindus Jews and atheists to do the same Andrew T Walker an emerging Southern Baptist public theologian argues for a robust Christian ethic of religious liberty that helps the church defend religious freedom for everyone in a pluralistic society Whether explicitly religious or not says Walker every person is striving to make sense of his or her life The Christian foundations of religious freedom provide a framework for how Christians can navigate deep religious difference in a secular age As we practice religious liberty for our neighbors we can find civility and commonality amid disagreement further the church's engagement in the public square and become the strongest defenders of religious liberty for all Foreword by noted Princeton scholar Robert P George **The Myth of Christian America** Mark Weldon Whitten, 1999 Whitten outlines what Christians need to know about proper relations between religion Christian or otherwise and government Far from being a myth or a lie church state separation is a constitutional principle and philosophy enshrined within the First Amendment **America's Christian History** Gary DeMar, 2005 From the founding of the colonies to the declaration of the Supreme Court America's heritage is built upon the principles of the Christian religion And yet the secularists are dismantling this foundation brick by brick attempting to deny the very core of our national life Gary DeMar presents well documented facts which will change your perspective about what it means to be a Christian in America the truth about America's Christian past as it relates to supreme court justices and presidents the Christian character of colonial charters state constitutions and the US Constitution the Christian foundation of colleges the Christian character of Washington D C the origin of Thanksgiving and so much more Publisher's description Hearings, Reports and Prints of the House Committee on the Judiciary United States.
