A Concise Guide to the Life of Muhammad Ayman S. Ibrahim, 2022-05-17 An expert in the study of Islam answers thirty important questions about Muhammad offering a clear and concise guide to his life and religious significance This companion volume to the author's A Concise Guide to the Quran answers many of the key questions non Muslims have about Muhammad reveals the importance of Muhammad for Christian Muslim and Jewish Muslim interfaith relations and examines Muslim and non Muslim primary sources This introductory guide is written for anyone with little to no knowledge of Islam who wants to learn about Muslims their beliefs and their prophet Religion in Multicultural Education Farideh

Salili, Rumjahn Hoosain, 2006-05-01 The National Association for Multicultural Education in Washington D C listed a number of issues that the school curriculum should address with reference to multicultural education including racism sexism classism linguisticism ablism ageism heterosexism and religious intolerance It is noteworthy that of all these issues religion is about the only one that throughout history people are willing to die for although whether what is at issue is really religion or other things such as territory is another matter It is also interesting that all the others have isms in their names but religious issues are characterized by intolerance Perhaps we should try to understand this intolerance and look at what steps might help to alleviate it However while intolerance might seem a simple thing understanding what is behind it and how it plays such a crucial role in religion requires what we refer to in the Introduction chapter as a multifaceted approach at multiple levels It is not enough just to try to dispel stereotypes of followers of other religions or to point out commonalities in world religions We should for example try to understand and appreciate how adherents of other religions try to answer questions regarding their adaptation to the contemporary environment It is through understanding how different religions coexist side by side at various levels that we truly come to learn about religion in multicultural education **The Religious Life of**
