Jaclyn Granick

Reluctant Ally United States Foreign Policy Toward The Jews From Wilson To Roosevelt:

Reluctant Ally Frank W. Brecher, 1991-06-30 Told in narrative form this story of the origins of United States policy towards European Jews Zionists and Israelis and the Jews reaction to that policy becomes a moving account of how the American outrage at mistreatment of European Jewry after World War I joined with an organized response to the Zionist movement to ultimately support the settling of Palestine Rapid policy changes from 1900 to mid century are carefully chronicled and the resulting history integrated into a comprehensive overview whose relevance to the current Gulf war and U S policy toward Israel cannot be overlooked *A Companion to Franklin D. Roosevelt* William D. Pederson, 2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars *A Companion to U.S. Foreign Relations* Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of U S foreign relations from the colonial period to the beginning of the 21st century A Companion to U S Foreign Relations is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth A Companion to U S

Foreign Relations Colonial Era to the Present is an important contribution to scholarship on the history of America's interactions with the world

Reluctant Ally Frank W. Brecher, 1991-06-30 Told in narrative form this story of the origins of United States policy towards European Jews Zionists and Israelis and the Jews reaction to that policy becomes a moving account of how the American outrage at mistreatment of European Jewry after World War I joined with an organized response to the Zionist movement to ultimately support the settling of Palestine Rapid policy changes from 1900 to mid century are carefully chronicled and the resulting history integrated into a comprehensive overview whose relevance to the current Gulf war and U S policy toward Israel cannot be overlooked

Ethnicity, Race, and American Foreign Policy Alexander DeConde, 1992 This book sheds a disconcerting light on a familiar history contending that ethnoracial considerations and especially British American ethnocentrism have often taken priority over morality ideology and other factors in determining U S foreign policy

The role of Jewish American Organizations in the Rescue, Rehabilitation and Reconstruction of Tunisia's Jewish Community between 1942 and 1967 Maissa Arfaoui, 2025-09-26 This book fills a major historical gap by investigating the role played by Jewish American organizations in the rescue rehabilitation and reconstruction of Tunisia's Jewish population during and after World War Two Using a variety of archival sources to explore the intricacies of this intervention and the dynamics of interactions between these organizations and local Jewish leaders as well as Tunisian government officials this book highlights that Jewish American organizations present in Tunisia during the wartime and postwar periods played a major role not only in the rescue and relief of the country's Jewish victims of war and German occupation but also in their educational vocational and medical rehabilitation which aimed to prepare them for immigration to Palestine

American Diplomacy and the Israeli War of Independence Frank W. Brecher, 2013-03-13 Events since the end of the Cold War have dashed hopes that the demise of the Soviet Union would ease the Arab Israeli conflict and help bring about a more stable Middle East the basic goal of American foreign policy toward that region Far from that the past two decades have seen an intensification of regional instability and have added further religious fuel to that conflict Moreover we have witnessed major new interventions by such non Arab states in the region as Iran and Turkey The consequence of all this for the U S is that its long term policy of seeking credible balance in its relations with the contesting countries is being tested as never before and at the center of the problem is the need to find a peaceful solution to the imbroglio involving Israel and the Palestinians an essential ingredient in any overall attainment of America's regional aspirations There is now a renewed focus on such categories of intra Palestinian issues as were experienced in 1948 at the inception of the State of Israel e g borders return of refugees status of Jerusalem policy at the U N etc It is the purpose of this book to give a fresh reading to these root issues in the Arab Israeli conflict mainly in the light of the most recently available primary sources from the U S U K Israel and the U N

International Jewish Humanitarianism in the Age of the Great War Jaclyn Granick, 2021-06-17 The untold story of how American Jews reinvented modern humanitarianism during the

Great War and rebuilt Jewish life in Jewish homelands Churchill's Promised Land David Makovsky, Michael Makovsky, New Republic, 2007-01-01 A comprehensive examination of Churchill's complex political, diplomatic and intellectual response to Zionism *Let My People Go* Pauline Peretz, 2017-07-05 American Jews mobilization on behalf of Soviet Jews is typically portrayed as compensation for the community's inability to assist European Jews during World War II. Yet as Pauline Peretz shows, the role Israel played in setting the agenda for a segment of the American Jewish community was central. Her careful examination of relations between the Jewish state and the Jewish diaspora offers insight into Israel's influence over the American Jewish community and how this influence can be conceptualized. To explain how Jewish emigration moved from a solely Jewish issue to a humanitarian question that required the intervention of the US government during the Cold War, Peretz traces the activities of Israel in securing the immigration of Soviet Jews and promoting awareness in Western countries. Peretz uses mobilization studies to explain a succession of objectives on the part of Israel and the stages in which it mobilized American Jews. Peretz attempts to reintroduce Israel as the missing yet absolutely decisive actor in the history of the American movement to help Soviet Jews emigrate in difficult circumstances.
