Reluctant Deceiver:

Reluctant Deceiver Dorothy Cork,1982 Dear Deceiver Mary Nichols,2007-06-01 The only thing that Dominic could be certain he knew about Emma was that she had been lying to him He wasn't even sure that Emma Woodhill was her real name So why on earth was he falling in love with her Especially when he was already engaged to someone else Despite all this Dominic was determined to discover the truth and give Emma all the help she needed **The Cassowary's Revenge**

Donald Tuzin,1997-09-02 Donald Tuzin first studied the New Guinea village of Ilahita in 1972 When he returned many years later he arrived in the aftermath of a startling event the village's men voluntarily destroyed their secret cult that had allowed them to dominate women for generations The cult's collapse indicated nothing less than the death of masculinity and Tuzin examines the labyrinth of motives behind this improbable self-devastating act The villagers' mythic tradition provided a basis for this revenge of Woman upon the dominion of Man and remarkably Tuzin himself became a principal figure in its

narratives The return of the magic bearing youngest brother from America had been prophesied and the villagers believed that Tuzin's return from the dead signified a further need to destroy masculine traditions The Cassowary's Revenge is an intimate account of how Ilahita's men and women think, emot, dream and explain themselves Tuzin also explores how the death of masculinity in a remote society raises disturbing implications for gender relations in our own society In this light Tuzin's book is about men and women in search of how to value one another and in today's world there is no theme more universal or timely **Deceiver's Web** Jane Rice-Oxley,2008 **Women and Deception** Beverly A. Callender,2011-03

This book is written to fulfill a two-fold purpose First to expose the spirit of deception and its companions denial, betrayal and seduction and revealing how they creep into the lives of a large majority of single women surrounded by secrecy, perversion and greed and cleverly hidden behind lust and seduction Secondly to sound the clarion call especially to those within the faith that there is a demonically inspired and crafty spirit lurking in the shadows waiting and plotting to attack any woman open to its ploys whose goal is to destroy their God-ordained purpose and curtail their destiny I believe that as you read this book understanding that deception works using lust to perform what appears to be true love but beyond the veil of denial there is a counterfeit monster of deception My prayers are that as you read and pray you won't fall to its prey
