The Reluctant Republic Frederic F. Van de Water, 2020-04-23 History of Vermont as a republic separate from New York colony as an independent state from the beginning of the United States By the author of multiple historical fictions set in Vermont Print ed *The reluctant republic, Vermont, 1724 - 1791* Frederic Franklyn van de Water, 1974 *The Reluctant Republic; Vermont, 1724-1791* Frederic Franklyn 1890 Van de Water, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Vermont: A History** Charles T. Morrissey, 1984-12-17 For many Americans Vermont still seems what the United States at least in myth once was a bucolic landscape of wooded hills neat farms and handsome villages before modern forces transformed our agrarian nation into an urban industrial giant Vermonters have long been respected as sturdy Americans who prize hard work honest dealing town meeting government and dry humor Their way of life along with the beauty of their Green Mountains and quiet valleys remains immensely attractive to natives and newcomers who seek beauty and the satisfaction of self sufficiency in a natural environment where rocky soil and a varied climate have always compelled respect **The Reluctant Republic Vermont 1724-1791** Frederic F. Van De Water, 2012-04-01 Inventing Ethan Allen John J. Duffy, H. Nicholas Muller, III, 2014-06-03 Since 1969 Ethan Allen has been the subject of three biographical studies all of which indulge in sustaining and revitalizing the image of Allen as a physically imposing Vermont yeoman a defender of the rights of Americans an eloquent military hero and a master of many guises from rough frontiersman to gentleman philosopher Seeking the authentic Ethan Allen the authors of this volume ask How did that Ethan Allen secure his place in popular culture As they observe this spectacular persona leaves little room for a more accurate assessment of Allen as a self interested land speculator rebellious mob leader inexperienced militia officer and truth challenged man who would steer Vermont into the British Empire Drawing extensively from the correspondence in Ethan Allen and his Kin and a wide range of historical political and cultural sources Duffy and Muller analyze the factors that led to Ethan Allen's two hundred year old status as the most famous figure in Vermont's past Placing facts against myths the authors reveal how Allen acquired and retained his iconic image how the much repeated legends composed after his death coincide with his life why recollections of him are synonymous with the story of Vermont and why some Vermonters still assign to Allen their own cherished and idealized values **The Reluctant Republic**
