Remaking Governance Janet Newman, 2005-09-21 This book highlights the dynamics of the social cultural and institutional practices involved in remaking governance It is structured around three key themes the remaking of peoples publics and politics Remaking governance focuses on the dynamics of change as new strategies active citizenship public participation partnership working and democratic renewal encounter existing institutions It explores different sites and practices of governing from the remaking of Europe to the increasing focus on community and personhood in governing social life The authors critically engage with existing theory in a range of disciplines to explore how the social is constituted through governance practices This includes the ways in which the spaces and territories of governing are remade and the peoples constituted how the public domain is re imagined and new forms of state citizen relationships fostered how the remaking of governance shapes our understanding of politics changing the ways in which citizens engage with political power and the selves they bring to that engagement Remaking governance is essential reading for academics and students of political science social policy sociology and public administration and management and for those engaged in policy evaluation and reform Janet Newman is Professor of Social Policy at The Open University Her previous book Modernising governance New Labour policy and society is a key text on undergraduate and masters programmes across Europe Australasia and North America

Young People and Politics in the UK D. Marsh, T. O'Toole, S. Jones, 2006-11-28 This book examines how young people understand and live politics using innovative research methods It treats age class gender and ethnicity as political lived experiences It concludes that young people are alienated rather than apathetic and that their interests and concerns are rarely addressed within mainstream political institutions

Subversive Citizens Marian Barnes, David Prior, 2009-07-29 The idea of subversive citizenship is explored through theoretical and empirical analyses by a range of prominent social researchers

Expertise Jessica Gerrard, Jessica Holloway, 2023-01-26 This book offers an important and timely critique of expertise showing how it is a keyword shaped by social historical and political debates about what counts as knowledge and truth and who counts as experts Using teacher expertise as an illustrative case Jessica Gerrard and Jessica Holloway reflect on recent events including COVID 19 and the climate crisis to examine how expertise is never neutral objective or fixed They argue that getting political is not just an inevitable part of teacher expertise but a necessary basis of any claim to it Across the chapters Expertise explores how expertise is socially constructed in relation to governance uses of data and evidence understandings of ignorance and the unknown and ultimately power Using contemporary and historical examples from international contexts the authors address the political positioning of expertise

and how this creates boundaries between who is an expert and who is not and what is and is not expertise Gerrard and Holloway argue that ongoing policy debates about teacher expertise cannot be resolved by neutral definitions of good teaching Rather expertise is unavoidably political in its expression *Gender, Governance and Feminist Analysis* Christine M Hudson, Malin Rönblom, Katherine Teghtsoonian, 2017-07-14 This edited volume presents critical scholarship analysing governance practices in diverse jurisdictions in Europe and North America at multiple scales and in relation to several different arenas of policy and practice The contributors address shortcomings in the mainstream literature on governance within the discipline of political science The volume as a whole is marked by geographical and topical diversity However what the individual chapters have in common is that each considers whether and how gender racialized identity and or other axes of marginalization are visible within the conceptualizations and or practices of governance under discussion Drawing together insights and conceptual tools from both feminist and post structuralist frameworks in analysing governance practices this volume will be of great interest to scholars and graduates who engage with feminist and or post structural analysis of policy and governance It will also be of use to critical policy scholars in anthropology geography sociology and women s studies *Consolidating Developmental Local Government* Mirjam Van Donk, Isandla Institute, 2008 Documents the dynamics of local government transformation and captures the key themes of the debates about policy options lessons and key strategic decisions This text is suitable for government officials students researchers specialists community leaders businesses and the general reader **Political Representation in the European Union** Sandra Kröger, 2014-04-03 In recent years the financial and economic crisis of 2008 9 has progressed into an equally important political and democratic crisis of the EU These troubled times have set the framework to re assess a number of important questions in regard to representative democracy in the EU such as the normative foundation of political representation the institutional relationship between representatives and represented the link between democracy and representation and new arenas and actors This book examines the diverse avenues through which different sorts of actors have expressed their voices during the Euro crisis and how their various interests are translated into the decision making process It offers a state of the art assessment of what political representation means in this context as well as a contribution to the representative turn in democratic theory The authors address three key themes The main actors and channels of political representation in the EU Interlocking levels of representation in the EU and the way in which national and supranational representation works How the European institutional system represents EU citizens through law and administration Focusing on the importance of representation in the legitimation of democracy this book will be of interest to students and scholars of European Union politics European studies democratic theory representation studies civil society and transnational democracy Governing Cultures K. Coulter, W. Schumann, 2012-09-03 By assembling original ethnographically grounded research in legislatures executives and bureaucracies this volume illuminates and unpacks the structures practices and values of government actors in local regional

and national contexts **Performing Governance** H. Dickinson, 2014-06-10 Performing Governance sets out a new framework to assess the performance of partnerships and examines what these actually deliver This is applied to three areas of New Labour's welfare policy child safeguarding urban regeneration and the modernisation of health and social care This book contributes to understanding governance under New Labour
