Remarriage In The Light Of Gods Grace:

The Heart of Remarriage Gary Smalley,Greg Smalley,Dan Cretsinger,Marci Cretsinger,2010-06-23 Too often couples enter remarriage unaware of potential problems and unprepared for the challenges stepfamily life will bring The Heart of Remarriage takes a unique approach to success in remarriage by going straight to the heart helping couples heal from the inside out rather than offering surface suggestions that may change circumstances but not the lives of couples and their families Drs Gary and Greg Smalley partner with remarried couple Dan and Marci Cretsinger to offer this marriage changing idea No matter what circumstances or challenges a remarried couple and their stepfamily face the solution starts in their hearts Remarried couples will learn how to examine their own hearts and heal them from the hurts of the past so that they can be filled with God s love and let that love overflow to their family members The Heart of Remarriage teaches readers how to create emotional security for every family member and offers practical ideas for connecting at the heart level with their spouse children and stepchildren Couples will be encouraged to keep their hearts open and challenged to leave a family legacy of love *Caring for Our Generations* John H. Patton,Brian H. Köstenberger,David W. Jones,2010-05-05 The release of the landmark first edition of *God Marriage and Family* provided an integrated biblical treatment of God s purposes for the home Since then explain authors Andreas K stenberger and David Jones the crisis confronting modern households has only intensified and yet the solution remains the same obedience to and application of God s Word In the second edition of *God Marriage and Family* K stenberger and Jones explore the latest controversies cultural shifts and teachings within both the church and society and further apply Scripture s timeless principles to contemporary issues This new edition includes an assessment of the family integrated church movement discussion of recent debates on corporal punishment singleness homosexuality and divorce and remarriage new sections on the theology of sex and the parenting of teens and updated bibliographies This book will prove to be a valuable resource for personal and group study Christian counseling and marriage and family courses *Unbinding the Ties that Bind* Hugh Basil Hamilton,2020-11-02 Marriage when undertaken in loving commitment is a wonderful estate to which many well meaning people aspire Sometimes despite the best of intentions people become wounded in marriages that destroy individual s self worth and dignity In this book Reverend Dr Hugh Hamilton senior pastor and pastoral counselor with

over twenty five years of experience explores theological ideas of God suffering sin and redemption in the context of marriage and divorce and exposes how the theology of the church supports a system of marital abuse Grounded in sound research and practice Reverend Hamilton recommends an editing of the oppressive narratives about God to relieve the suffering of those in abusive unions and compassionately offers balanced therapeutic approaches to help people heal from the inevitable pain and wounds that come from divorce The book suggests fresh new ways of thinking about marriage as the experience of reciprocal belonging and provides ethically defensible reasons why divorce and remarriage are responsible models of being family Readers from within and outside the church will find its contents enlightening encouraging uplifting and useful

Walking Tall in Babylon Connie Neal,2010-07-07 Courageous Parenting for Dangerous Times We live in frightening times when stories of terrorism and child abductions lead the evening news and kids regularly experiment with such dangers as drugs alcohol and premarital sex raves and the occult At such times it seems to many parents that the world is falling apart Nothing is more terrifying than sending our children out into a dangerous world But what can we really do to protect our kids You Can Lead Your Family Out of Fear and Into Effective Godly Living Scripture tells us that centuries ago Daniel and his friends also faced a hostile world Yet God provided a way for them to walk tall in Babylon Not only did God keep them safe he allowed them to profoundly affect the culture they touched and he can protect and strengthen your kids in the same way Includes Materials for Personal or Group Study

Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov,2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both

Christian communities and the larger society within its legislative system **Jesus and Divorce** Gordon Wenham, William E. Heth, 2010-01-01 We believe our conclusions are of vital concern to the individual Christian the church and the whole of Society May God give all of us the grace to know his will and live by it Divorce and remarriage in the Church have been subjects of debate and controversy for centuries and the issue is of ever increasing importance today With conflicting messages coming from different branches of the Church many Christians are confused to what the Bible really teaches William Heth and Gordan Wenham explore the different schools of interpretation and present a fresh consideration of the various statements of Jesus and Paul drawing on linguistic and contemporary cultural evidence They closely criticize the view that allows remarriage after divorce on the grounds of immorality widely held by evangelicals today Instead the authors turn to the early Church which permitted divorce but not remarriage Written with clarity and careful consideration Jesus and Divorce provides an important contribution to the ongoing debate on divorce It offers a positive way forward as the authors encourage us to apply the Bibles teachings to our lives and the lives of those around us
