

REMEMBERING AMERICA

*A Sampler of the
WPA American Guide Series*

*Edited by Archie Hobson
With Introductions by Bill Stott*

Remembering America A Sampler Of The Wpa American Guide Series

Gerald D. Jaynes

Remembering America A Sampler Of The Wpa American Guide Series:

Remembering America. a Sampler of the Wpa American Guide Series Archie Hobson, 1985 Shares a collection of approximately five hundred passages from the Guides written during the 1930 s by writers on relief who were paid by the federal government to write about the state city town or locale where they lived **The WPA Guides** Christine Bold, 1999 As regionalists jostled with federal officialdom the faultlines of the project gaped open Spotlighting the controversies between federal and state bureaucracies Bold concludes that the image of America that the WPA fostered is closer to fabrication than to actuality *A Companion to the Regional Literatures of America* Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature **Remembering Dixie** Susan T. Falck, 2019-08-23 Nearly seventy years after the Civil War Natchez Mississippi sold itself to Depression era tourists as a place Where the Old South Still Lives Tourists flocked to view the town s decaying antebellum mansions hoopskirted hostesses and a pageant saturated in sentimental Lost Cause imagery In *Remembering Dixie The Battle to Control Historical Memory in Natchez Mississippi 1865 1941* Susan T Falck analyzes how the highly biased white historical memories of what had been a wealthy southern hub originated from the experiences and hardships of the Civil War These collective narratives eventually culminated in a heritage tourism enterprise still in business today Additionally the book includes new research on the African American community s robust efforts to build historical tradition most notably the ways in which African Americans in Natchez worked to create a distinctive postemancipation identity that challenged the dominant white structure Using a wide range of late nineteenth and early twentieth century sources many of which have never been fully mined before Falck reveals the ways in which black and white Natchezians of all classes male and female embraced reinterpreted and contested Lost Cause ideology These memory making struggles resulted in emotional internecine conflicts that shaped the cultural character of the community and impacted the national understanding of the Old South and the Confederacy as popular culture Natchez remains relevant today as a microcosm for our nation s modern day struggles with Lost Cause ideology Confederate monuments racism and white supremacy Falck reveals how this remarkable story played out in one important southern community over several generations in vivid detail and richly illustrated analysis **Encyclopedia of African American Society** Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports How about African American Academy Award winners Or perhaps you re asked about more complex social issues regarding the unemployment rate among African Americans or the number of African American men on death row If these questions sound familiar the *Encyclopedia of African American Society* is a must have for your library This two volume reference seeks

to capture the ways in which the tenets and foundations of African American culture have given rise to today's society. Approaching the field from a street level perspective, these two volumes cover topics of universal interest in America: rap, music, sports, television, cinema, racism, religion, literature, and much more. The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends: slavery, segregation, separate but equal, that are often ignored in favor of mere facts. This is a definitive, reliable, and accessible entry point to learning the basics about African American society. The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism, affirmative action, and the civil rights movement. More than just a who's who, these volumes emphasize social issues and events those filled with significance and consequence through history. Civil Rights, economic growth, law and justice, and politics, with all of their numerous subcategories, receive substantial coverage. The encyclopedia naturally contains hundreds of articles on notable African Americans: Martin Luther King Jr., Jackie Robinson, Miles Davis, groundbreaking events: Emancipation Proclamation, Los Angeles Riots, sports and culture: Rap Music, Jazz, and significant heritage sites: Apollo Theater. This much-needed two-volume encyclopedia should become a staple in collections at school, public, and academic libraries. Readers of all ages, backgrounds, and ethnic or racial groups will find fascinating material on every page.

Key Features: Nearly 700 signed articles; Almost 50 photographs; Complete list of African Americans in sports; Halls of Fame; Cross-referenced for easy links from one topic to another; Reader's guide facilitates easy browsing for relevant articles; Clear, accessible writing style appropriate for high school and college students and interested lay readers; Comprehensive index and bibliography.

Topics Covered: Concepts and Theories; Fine Arts; Theater and Entertainment; Health and Education; History and Heritage; Literature; Media; Movements and Events; Music and Dance; Organizations and Institutions; Places; Politics and Policy; Popular Culture; Religion and Beliefs; The Road to Freedom; Science; Technology and Business; Social Issues; Special Populations; Sports.

Advisory Board: Sherri L. Barnes, Davidson Library, University of California, Santa Barbara; W. Maurice Shipley, Ph.D., Ohio State University; William H. Wiggins Jr., Ph.D., Indiana University.

The Yankee Road: Tracing the Journey of the New England Tribe That Created Modern America James D. McNiven, 2015-03-14

Who is a Yankee and where did the term come from? Though shrouded in myth and routinely used as a substitute for American, the achievements of the Yankees have influenced nearly every facet of our modern way of life. Join author Jim McNiven as he explores the emergence and influence of Yankee culture while traversing an old transcontinental highway reaching from the Atlantic to the Pacific: US 20, which he nicknames The Yankee Road. The Yankee Road: Tracing the Journey of the New England Tribe that Created Modern America combines fascinating history with a travel narrative, taking the reader on a journey through the places Yankees and their descendants settled as they expanded westward. Using a physical road to connect locations important to the Yankee cultural road, McNiven takes us on twenty-two side trips into individual stories, introducing readers to the origins of such large-scale and diverse ideas as conservation, public education, telegraphy, mass production,

religion and labor reform See familiar places and stories in a Yankee light such as the fight for women's rights in Seneca Falls and Walden Pond that Thoreau made famous Learn about less familiar venues like Route 128's technology companies that led to the creation of the computer industry and incidentally the Internet and to the Worcester suburb of Shrewsbury where two old women changed the world by making possible the birth control pill McNiven's first tour goes as far west as the Pennsylvania New York border with more stories to come As we travel The Yankee Road we will meet some of the men and women who made these ideas happen Harry Truman once said I like roads I like to move This is a road book Come on along

Global West, American Frontier David M. Wrobel, 2013-10-15 This book examines how travel writers viewed the American West from the age of Manifest Destiny through the Great Depression In the nineteenth century the West was often presented as one developing frontier among many in the twentieth century travel writers often searched for American frontier distinctiveness Provided by publisher Provided by publisher Encyclopedia of American Folklore Linda Watts, 2020-07-01 Folklore has been described as the unwritten literature of a culture its songs stories sayings games rituals beliefs and ways of life Encyclopedia of American Folklore helps readers explore topics terms themes figures and issues related to this popular subject This comprehensive reference guide addresses the needs of multiple audiences including high school college and public libraries archive and museum collections storytellers and independent researchers Its content and organization correspond to the ways educators integrate folklore within literacy and wider learning objectives for language arts and cultural studies at the secondary level This well rounded resource connects United States folk forms with their cultural origin historical context and social function Appendixes include a bibliography a category index and a discussion of starting points for researching American folklore References and bibliographic material throughout the text highlight recently published and commonly available materials for further study Coverage includes Folk heroes and legendary figures including Paul Bunyan and Yankee Doodle Fables fairy tales and myths often featured in American folklore including Little Red Riding Hood and The Princess and the Pea American authors who have added to or modified folklore traditions including Washington Irving Historical events that gave rise to folklore including the civil rights movement and the Revolutionary War Terms in folklore studies such as fieldwork and the folklife movement Holidays and observances such as Christmas and Kwanzaa Topics related to folklore in everyday life such as sports folklore and courtship dating folklore Folklore related to cultural groups such as Appalachian folklore and African American folklore and more *Encyclopedia of the Harlem Renaissance: K-Y* Cary D. Wintz, Paul Finkelman, 2004 An interdisciplinary look at the Harlem Renaissance it includes essays on the principal participants those who defined the political intellectual and cultural milieu in which the Renaissance existed on important events and places **Soul of a People** David A. Taylor, 2010-04-15 Soul of a People is about a handful of people who were on the Federal Writer's Project in the 1930s and a glimpse of America at a turning point This particular handful of characters went from poverty to great things later and included John Cheever Ralph Ellison Zora Neale Hurston Richard Wright and

Studs Terkel In the 1930s they were all caught up in an effort to describe America in a series of WPA guides Through striking images and firsthand accounts the book reveals their experiences and the most vivid excerpts from selected guides and interviews Harlem schoolchildren truckers Chicago fishmongers Cuban cigar makers a Florida midwife Nebraskan meatpackers and blind musicians Drawing on new discoveries from personal collections archives and recent biographies a new picture has emerged in the last decade of how the participants individual dramas intersected with the larger picture of their subjects This book illuminates what it felt like to live that experience how going from joblessness to reporting on their own communities affected artists with varied visions as well as what feelings such a passage involved shame humiliation anger excitement nostalgia and adventure Also revealed is how the WPA writers anticipated and perhaps paved the way for the political movements of the following decades including the Civil Rights movement the Women s Right movement and the Native American rights movement

This book delves into Remembering America A Sampler Of The Wpa American Guide Series. Remembering America A Sampler Of The Wpa American Guide Series is an essential topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Remembering America A Sampler Of The Wpa American Guide Series, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Remembering America A Sampler Of The Wpa American Guide Series
 - Chapter 2: Essential Elements of Remembering America A Sampler Of The Wpa American Guide Series
 - Chapter 3: Remembering America A Sampler Of The Wpa American Guide Series in Everyday Life
 - Chapter 4: Remembering America A Sampler Of The Wpa American Guide Series in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Remembering America A Sampler Of The Wpa American Guide Series. This chapter will explore what Remembering America A Sampler Of The Wpa American Guide Series is, why Remembering America A Sampler Of The Wpa American Guide Series is vital, and how to effectively learn about Remembering America A Sampler Of The Wpa American Guide Series.
3. In chapter 2, the author will delve into the foundational concepts of Remembering America A Sampler Of The Wpa American Guide Series. The second chapter will elucidate the essential principles that need to be understood to grasp Remembering America A Sampler Of The Wpa American Guide Series in its entirety.
4. In chapter 3, this book will examine the practical applications of Remembering America A Sampler Of The Wpa American Guide Series in daily life. This chapter will showcase real-world examples of how Remembering America A Sampler Of The Wpa American Guide Series can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Remembering America A Sampler Of The Wpa American Guide Series in specific contexts. This chapter will explore how Remembering America A Sampler Of The Wpa American Guide Series is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Remembering America A Sampler Of The Wpa American Guide Series. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Remembering America A Sampler Of The Wpa American Guide Series.
