Remembrance Day:

The Remembrance Day and the Poppy Helen Cox Cannons, 2016 Describes the importance of Remembrance Day

Remembrance Day Molly Aloian, 2010 Each year on November 11th millions of people in Canada and other countries in the Commonwealth take time to remember the men and women who served their countries during times of war This book describes how people around the world hold similar services to make sure that the sacrifices they made for the world's security are remembered Poppies poems and special prayers are featured as important symbols and traditions *National Myth and the First World War in Modern Popular Music* Peter Grant, 2016-12-09 This book looks at the role of popular music in constructing the myth of the First World War Since the late 1950s over 1 500 popular songs from more than forty countries have been recorded that draw inspiration from the War National Myth and the First World War in Modern Popular Music takes an interdisciplinary approach that locates popular music within the framework of memory studies and analyses how songwriters are influenced by their country's national myths How does popular music help form memory and remembrance of such an event Why do some songwriters stick rigidly to culturally dominant forms of memory whereas others seek an oppositional or transnational perspective The huge range of musical examples include the great chansonniers Jacques Brel and Georges Brassens folk maestros including Al Stewart and Eric Bogle the socially aware rock of The Kinks and Pink Floyd metal legends Iron Maiden and Bolt Thrower and female iconoclasts Diamanda Galás and PJ Harvey

Professional's Diary (The) CCH Canadian Limited, *National Days* D. McCrone, G. McPherson, 2009-10-15 The book shows how national days are best understood in the context of debates about national identity It argues that national days are contested and manipulated as well as subject to political cultural and social pressure It brings together some of the most recent research on national days and sets it in a comparative context **History in Action 2 (5-7)** Karen Cooksey, 2004-11 Instant lesson plans with teacher notes on differentiation and engaging copiable activities for pupils Book 2 concentrates on popular topics for ages 5 to 7 matching the QCA Scheme of Work for History and meeting NC requirements More KS1 topics are covered in Book 1 *Great Britain. Customs and Traditions. Великобритания. Обычаи и традиции* И. Уолш, Н.

Конон, Т. Химунина, 2016-02-24 **Israeli Judaism** Å elomo A. DeÅ ien, Charles Seymour Liebman, Moshe Shokeid, 1995-01-01 This is an unusual and extremely timely collective effort It appears at a moment in which Israelis not only must confront their Arab neighbors but must deal with one another as Jews possessing radically different views on the present and future of the Jewish tradition With this seventh volume of the series the Israeli Sociological Society has turned its attention to religion an area that for many years has been of high importance but low profile in Israeli affairs and in the wider Middle Eastern context Chapters and contributors include Jewish Civilization Approaches to Problems of Israeli Society by Shmuel N Eisenstadt Life Tradition and Book Tradition in the Development of Ultraorthodox Judaism by Menachem Friedman Religious Kibbutzim Judaism and Modernization by Aryei Fishman The Religion of Elderly Oriental Jewish Women

by Susan Sered and Hanukkah and the Myth of the Maccabees in Ideology and in Society by Eliezer Don Yehiya The increasing presence of religious activism in contemporary Israel side by side with subtle changes in the religion of Israeli Sephardim makes the topic of religion essential for an understanding of Israel and much of the Middle East generally Israeli Judaism is a significant work and will be of interest to theologians philosophers sociologists anthropologists and political theorists Library of Congress Subject Headings Library of Congress,2012 *Big Book of Canadian Celebrations Gr. 4-6 ,*
