

The background of the book cover is an illustration of a two-story white house with a red roof, currently under renovation. Two wooden ladders are leaning against the house, one on the left and one on the right. In the foreground, there is a pile of construction materials, including wooden planks, a brick wall, and a circular object that looks like a wheel or a large spool. The title 'REMODELED TO DEATH' is written in large, yellow, serif capital letters on a red rectangular background with a decorative border.
