

RENDEZVOUS EIGHTEENTH

A NOVEL

JAKE LAMAR

"A thriller intent to keep you up at night." —Entertainment Weekly

Rendezvous Eighteenth

United States. Navy Department

Rendezvous Eighteenth:

Rendezvous Eighteenth Jake Lamar, 2003-11-21 *Rendezvous Eighteenth* marks the emergence of an exciting voice in crime fiction. Ricky Jenks gave up life in the U.S. years ago and is content if not happy with his life as a piano player in a small caf in the Montmartre neighborhood of Paris. He has many friends among the other African Americans living in Paris and is happily if casually involved with a French Muslim woman. But then everything changes. His American life comes crashing down on him when his estranged cousin wants help finding his runaway wife whom he thinks might have come to Paris even though he's vague about why. That same night Ricky finds a prostitute dead in his apartment building in Paris's Eighteenth Arrondissement, one of the most multicultural sections of Paris. That these two events could be connected is something he never imagines. This intricate absorbing thriller is ultimately much more than a suspense novel. Lamar's detailed and vibrant portrait of life in Paris is as much the story of a black man's alienation and redemption as it is the story of an entire community searching for a home. As it is a taut thriller about revenge, obsession, and murder.

A History of the African American Novel Valerie Babb, 2017-07-31 This history is intended for a broad audience seeking knowledge of how novels interact with and influence their cultural landscape. Its interdisciplinary approach will appeal to those interested in novels and film, graphic novels, and popular culture. Transatlantic blackness and the interfacing of race, class, gender, and aesthetics.

Viper's Dream Jake Lamar, 2023-09-19 WINNER OF THE CWA HISTORICAL DAGGER AWARD 2024 For fans of Colson Whitehead and *Wild Women*, and the Blues, *Viper's Dream* is a gritty, daring look at the vibrant jazz scene of midcentury Harlem and one man's dreams of making it big and finding love in a world that wants to keep him down. Harlem 1936. Clyde The Viper Morton boards a train from Alabama to Harlem to chase his dreams of being a jazz musician. When his talent fails him, he becomes caught up in the dangerous underbelly of Harlem's drug trade. In this heartbreaking novel, one man must decide what he is willing to give up and what he wants to fight for. *Viper's Dream* is a fast-paced story that is charged with suspense. A snappy, provocative voice and a stark look at Viper's Black American experience weave with endless plot twists to offer readers a stunningly original, achingly beautiful read.

Masters of Empire Michael A. McDonnell, 2015-12-08 A radical reinterpretation of early American history from a native point of view. In *Masters of Empire*, the historian Michael McDonnell reveals the pivotal role played by the native peoples of the Great Lakes in the history of North America. Though less well known than the Iroquois or Sioux, the Anishinaabeg who lived along Lakes Michigan and Huron were equally influential. McDonnell charts their story and argues that the Anishinaabeg have been relegated to the edges of history for too long. Through remarkable research into 19th-century Anishinaabeg-authored chronicles, McDonnell highlights the long-standing rivalries and relationships among the great tribes of North America and how Europeans often played only a minor role in their stories. McDonnell reminds us that it was native people who possessed intricate and far-reaching networks of trade and kinship of which the French and British knew little. And as empire encroached upon their

domain the Anishinaabeg were often the ones doing the exploiting By dictating terms at trading posts and frontier forts they played a crucial role in the making of early America Through vivid depictions of early conflicts the French and Indian War and Pontiac s Rebellion all from a native perspective Masters of Empire overturns our assumptions about colonial America and the origins of the Revolutionary War By calling attention to the Great Lakes as a crucible of culture and conflict McDonnell reimagines the landscape of American history

Merchant Vessels of the United States , The Crisis,2006-01 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens *Regulations for the Government of the Navy of the United States* United States. Navy Department,1870

Regulations for the Government of the United States Navy United States. Navy Department,1870

Malcolm X at Oxford Union Saladin Ambar,2014-01-09 Malcolm X at Oxford Union tells one of the great unknown stories from the Civil Rights era capturing the powerful oratorical gifts of Malcolm X and the changing world of racial politics all from the vantage point of an old debate hall on the campus of Oxford in 1964

The Ancestor's Tale Richard Dawkins,Yan Wong,2016-04-28 A fully updated edition of one of the most original accounts of evolution ever written featuring new fractal diagrams six new tales and the latest scientific developments THE ANCESTOR S TALE is a dazzling four billion year pilgrimage to the origins of life Richard Dawkins and Yan Wong take us on an exhilarating reverse journey through evolution from present day humans back to the microbial beginnings of life It is a journey happily interrupted by meetings of fellow modern animals as well as plants fungi and bacteria similarly tracing their evolutionary path back through history As each evolutionary pilgrim tells their tale Dawkins and Wong shed light on topics such as speciation sexual selection and extinction Written with unparalleled wit clarity and intelligence taking in new scientific discoveries of the past decade and including new tales illustrations and fractal diagrams THE ANCESTOR S TALE shows us how remarkable we are how astonishing our history and how intimate our relationship with the rest of the living world
