Pictures from the Heart Sandra A. Thomson, 2003-08-02 For hundreds of years, people have turned to the tarot for guidance and focus in seeking answers to life's questions. While millions use the Tarot regularly, much of its history, lore, and symbolism remain obscure, making it difficult for the user to get the deepest possible reading. Also, with hundreds of different decks available, drawing on several major traditions, finding the right deck, the one that the Tarot user will find most sympathetic to their needs, desires, and usage, can become an arduous task. *Pictures from the Heart* provides hundreds of entries detailing the symbolism of the Tarot, contrasting the various decks on the market, as well as issues, figures, and topics of interest to the Tarot user. For both the experienced and the neophyte user, this tarot dictionary is a long awaited and essential resource.

Taking the Tarot to Heart Mark McElroy, 2005 Waiting for Prince Charming may not be an effective strategy for finding love, just as ignoring relationship problems isn't always the best solution. Instead of letting chance rule romance, Mark McElroy suggests using the Tarot to improve your love life. No knowledge of the Tarot or belief in the supernatural is necessary. Anyone can use *Taking the Tarot to Heart* to take charge of their romantic destiny. For both singles and couples, this book provides Tarot spreads and exercises to answer questions like: How can I find my soulmate? and How can I spice up my love life? Emphasizing the practical, not the mystical, McElroy demonstrates how easy it is to find creative solutions to relationship issues without bleeding the mystery and meaning out of romance.
