White Light/White Heat Richie Unterberger, 2009-06 A comprehensive history of the influential cult band draws on dozens of new interviews and previously undiscovered archive sources tracing their initial lack of success before they inspired and were championed by such artists as David Bowie Original **Twentieth-century Popular Culture in Museums and Libraries** Fred E. H. Schroeder, 1981 Although libraries and museums for many centuries have taken the lead under one rational or another in recovering storing and displaying various kinds of culture of their periods lately as the gap between elite and popular culture has apparently widened these repositories of artifacts of the present for the future have tended to drift more and more to what many people call the aesthetically pleasing elements of our culture The degree to which our libraries and museums have ignored our culture is terrifying when one scans the documents and artifacts of our time which if history in any wise repeats itself will in the immediate and distant future become valuable indices of our present culture to future generations As Professor Schroeder dramatically states it No doubt about it it is the contemporary popular culture that is the endangered species The essays in this book investigate the reasons for present day neglect of popular culture materials and chart the various routes by which conscientious and insightful librarians and museum directors can correct this disastrous oversight *Audio Preservation* Associated Audio Archives, 1988 **JEMF Quarterly** John Edwards Memorial Foundation, 1980 **Prince's Sign 'O' the Times** Michaelangelo Matos, 2004-03-31 One of the greatest double albums of the vinyl era Sign O the Times shows Prince at his peak Here Michaelangelo Matos tells the story of how it emerged from an extraordinary period of creativity to become one of the landmark recordings of the 1980s He also illustrates beautifully how if a record is great enough and lucky enough to hit you at the right time it can change your way of looking at the world **The Publishers' Trade List Annual**, 1981 **Books in Print**, 1982 **The Literature of Rock, II, 1979-1983** Frank W.
