reveals that the reason she knew so much about what went on behind the palace gates was because Diana herself was the source. Media Spectacle in the 21st Century: From the Stolen Election of 2000 to the Trump MAGA Horror Show Douglas Kellner, 2025-04-30 This book offers an original analysis of the primacy of media spectacle in the politics, social history and major events of the 21st century which highlights the importance of critical analysis and interpretation of broadcasting, the Internet and social meaning in understanding the key historical events and the multiple factors that produce them during the contemporary era. The text explores how broadcasting and digital media constitute the major media spectacles of our time and how they in turn present the key issues, challenges, conflicts and problems of the present era. Thus, understanding broadcasting and digital media help us to understand our contemporary society, politics and culture and to play a more active role in understanding and participating in our contemporary media societies and environments. Kellner argues throughout for the need for critical media and digital literacies to empower students and citizens to become active participants in our media society and technoculture and to understand the key events and challenges of contemporary life. Douglas Kellner has been researching, writing about and lecturing upon the major topics and studies in this book for the last several decades and this book brings together key aspects of his work on theorizing, analyzing and evaluating the role of effects of major media spectacles of the 21st century.

Yo Elton John, 2019-10-17 La primera y única autobiografía de Elton John. Un retrato sincero, alegre y profundo del compositor y cantante con la más larga y exitosa trayectoria musical de la historia. Nueva edición aumentada. Incluye un nuevo capítulo. Reginald Dwight, su verdadero nombre, fue un chico tímido con gafas a lo Buddy Holly que creció en Pinner, un pequeño municipio a las afueras de Londres, y soñaba con convertirse en una estrella del pop. Con solo veintitrés años dio su primer concierto en Estados Unidos ante un público sorprendido por su insólito aspecto: un mono amarillo, chillón, una camiseta estampada de estrellas y un par de botas aladas. Elton John había llegado y el mundo de la música jamás volvería a ser el mismo. Su vida está repleta de momentos dramáticos: desde el rechazo que sufrieron sus primeros trabajos con su colaborador y letrista Bernie Taupin hasta la locura que le envolvió cuando era una superestrella que dominaba las listas de ventas pasando por su flirteo con el suicidio en la piscina de su residencia en Los Ángeles por la noche en que bailó con la reina de Inglaterra en el castillo de Windsor por su amistad con John Lennon, Freddie Mercury y George Michael o por su decisión de montar una fundación contra el sida. Mientras tanto, Elton escondía una adicción que lo atrapó durante meses de una decadencia. En *Yo Elton John* también escribe de manera inspiradora sobre su proceso de rehabilitación y cómo cambió de vida sobre cómo encontró el amor en los brazos de David Furnish y se convirtió en padre. Su voz en este libro es cálida.

modesta y franca y nos habla de su música y de las personas que entraron en su vida de sus pasiones y de sus errores Esta historia permanecer contigo para siempre de la mano de una leyenda viva Lo mejor del rock and roll es que alguien como yo puede convertirse en una estrella
