Snell,2004-10-12 In the mid nineteenth century the United States was musically vibrant Rising industrialization a growing middle class and increasing concern for the founding of American centers of art created a culture that was rich in musical capital Beyond its importance to the people who created and played it is the fact that this music still influences our culture today Although numerous academic resources examine the music and musicians of the Civil War era the research is spread across a variety of disciplines and is found in a wide array of scholarly journals books and papers It is difficult to assimilate this diverse body of research and few sources are dedicated solely to a rigorous and comprehensive investigation of the music and the musicians of this era This anthology which grew out of the first two National Conferences on Music of the Civil War Era is an initial attempt to address that need Those conferences established the first academic setting solely devoted to exploring the effects of the Civil War on music and musicians Bridging musicology and history these essays represent the forefront of scholarship in music of the Civil War era Each one makes a significant contribution to research in the music of this era and will ultimately encourage more interdisciplinary research on a subject that has relevance both for its own time and for ours The result is a readable understandable volume on one of the few understudied yet fascinating aspects of the Civil War era **The Northern Monthly** Allen Lee Bassett,1868 *The Billboard Book of Top 40 Hits, 9th Edition* Joel

McCabe,1884 Satisfaction Martin Popoff,2019-12-24 Discover the music that influenced some of the biggest stars in Music history in 10 Albums That Changed My Life a personal insightful and gloriously illustrated look at the music that matters the most to the artists who matter the most to you More than a hundred musicians invite you backstage each revealing in their own words the 10 albums that influenced their lives their music and their futures Artists from Punk to Classic Rock British Invasion to Pop and Heavy Metal to Modern Rock take the stage in this sonic coming of age adventure With more than 1 000 albums

illustrated and profiled 10 Albums That Changed My Life shares wonderfully intimate perspectives and surprising selections. Consider Henry Rollins the legendary front man for punk's Black Flag. Slipped into his list of heavy rockers, you'll find The Original Broadway Cast Recording of Hair. I had this record in 4th or 5th grade. It was my mother's. I knew it was subversive and I probably shouldn't be listening to it, and that's what made it irresistible to me. Besides, there is some great songwriting and performances on this album. Rollins says, "From the Beatles' Sgt. Pepper's Lonely Hearts Club Band to Pink Floyd's Wish You Were Here, Rolling Stone's Exile on Main Street to The Beach Boys' Pet Sounds, Flatt & Scruggs' The Original Sound to Jimi Hendrix's Are You Experienced, the book is packed with classics and cool revelations." Featuring a Foreword by Rock and Roll Hall of Fame artist Nancy Wilson of Heart, 10 Albums That Changed My Life is a fun and fabulous page-turner tuning into the music that made a difference. And still does.
