## Rockefeller Billions:

**The Rockefeller Billions** Jules Abels, 1965 Studies the genesis of the estimated four billion dollar Rockefeller fortune and establishes how one man built the Standard Oil empire and accumulated the wealth **The Rockefeller Syndrome** Ferdinand Lundberg, 2017-12-17 In this monumental study Lundberg traces the illegal origins of the family fortune and follows its growth and effects down through today He is at his best when he zeroes in on the grandsons John the third Laurance Winthrop Nelson and David They are America's shadowy guides with their fingers into hundreds of pies And here is the carefully researched tale of who they are how they operate and what they're done with what they've won Won by inheritance that is Nor does Lundberg neglect the Cousins the great grandchildren of John D Senior who will one day inherit it all THE ROCKEFELLER SYNDROME is no mere chit chat biography It is a wide ranging study of wielded power and money in action It is the chronicle of the on going milking and deception of the American wage earner and taxpayer It explains clearly how those much hailed philanthropies are but one more heavy burden on the inflation laden tax weary backs of lower and middle class America *The Rockefellers: An American Dynasty* Peter Collier, David Horowitz, 2022-02-18 This is the story of an American dynasty the father who built the fortune the son who cleansed the name the brothers who manipulated both the name and the fortune to their own ends and the cousins who often wish they had inherited neither Cast against the backdrop of America's history is a spectacular array of characters a bigamist a robber baron a philanthropist a world weary cynic a drifting divorcee polluters environmentalists art lovers and money manipulators An absorbing history of the Rockefeller family a swiftly paced extensively researched work of social history a tale of family tensions and neuroses of successes and failures in private and in public all of it unfolding against a backdrop of money influence and power Steven R Weisman The New York Times A n exceptionally good book John Kenneth Galbraith The New York Review of Books Collier and Horowitz present a sensitive family biography more wistful than angry more concerned with the impact of immense wealth on individual personality than on society The authors received special access to the Rockefeller family archives Gaddis Smith Foreign Affairs A startling tale emerges shattering all we know and believe about the Rockefellers destroying the legend brutally with significant revelations and yet winning a depth of sympathy for Rockefellers which three generations of PR men have not been able to manufacture William Greider Washington Post Book World A skillful portrait of great wealth A vast sweep of world shaping episodes dates and names The Houston Chronicle Impressive and intelligent skillfully organized and presented so that it matters not only to those curious about Rockefellers but to anyone curious about money and power in our society Newsweek *Winthrop Rockefeller* John A. Kirk, 2022-03-04 Winner 2024 J G Ragsdale Book Award Arkansas Historical Association Winner 2024 Booker Worthen Literary Prize Why did Winthrop Rockefeller scion of one of the most powerful families in American history leave New York for an Arkansas mountaintop in the 1950s In this richly detailed biography of the former Arkansas governor John A Kirk delves into the historical record to fully unravel that mystery for the

first time Kirk pursues clues threaded throughout Rockefeller's life tracing his family background childhood and education his rise in the oil industry from roustabout to junior executive his military service in the Pacific during World War II including his involvement in the battles of Guam Leyte and Okinawa his postwar work in race relations health education and philanthropy his marriage to and divorce from Barbara Bobo Sears and the birth of his only child future Arkansas lieutenant governor Win Paul Rockefeller This careful examination of Winthrop Rockefeller's first forty four years casts a powerful new light on his relationship with his adopted state where his legacy continues to be felt more than half a century after his governorship

**The Myth of the Robber Barons** Burton W. Folsom,1991-01-01 In his book The Myth of the Robber Barons Folsom distinguishes between political entrepreneurs who ran inefficient businesses supported by government favors and market entrepreneurs who succeeded by providing better and lower cost products or services usually while facing vigorous competition

**Foundations of the American Century** Inderjeet Parmar,2012-03-20 Inderjeet Parmar reveals the complex interrelations shared mindsets and collaborative efforts of influential public and private organizations in the building of American hegemony Focusing on the involvement of the Ford Rockefeller and Carnegie foundations in U S foreign affairs Parmar traces the transformation of America from an isolationist nation into the world's only superpower all in the name of benevolent stewardship Parmar begins in the 1920s with the establishment of these foundations and their system of top down elitist scientific giving which focused more on managing social political and economic change than on solving modern society's structural problems Consulting rare documents and other archival materials he recounts how the American intellectuals academics and policy makers affiliated with these organizations institutionalized such elitism which then bled into the machinery of U S foreign policy and became regarded as the essence of modernity America hoped to replace Britain in the role of global hegemon and created the necessary political ideological military and institutional capacity to do so yet far from being objective the Ford Rockefeller and Carnegie foundations often advanced U S interests at the expense of other nations Incorporating case studies of American philanthropy in Nigeria Chile and Indonesia Parmar boldly exposes the knowledge networks underwriting American dominance in the twentieth century

**Nomination of Nelson A. Rockefeller to be Vice President of the United States** United States. Congress. House. Committee on the Judiciary,1974

**The Rockefeller Inheritance** Alvin Moscow,1977 **Taboo Genocide** Kris Dietrich,2015-09-11 This is a story of war and peace It may have been the greatest crime of the century after the Bolshevik coup and Russian Revolution and the murder of the Russian Romanov Tsar Nicholas II his wife Tsarina Alexandra and their five young children four Grand Duchesses Olga Anastasia Tatiana Marie and the Tsarevich Alexis It is our story And I want to share it with you now because it is your story too

**Conspiracies and Conspiracy Theories in American History** Christopher R. Fee,Jeffrey B. Webb,2019-05-24 This up to date introduction to the complex world of conspiracies and conspiracy theories provides insight into why millions of people are so ready to believe the worst about our political legal religious and financial institutions Unsupported theories provide

simple explanations for catastrophes that are otherwise difficult to understand from the U S Civil War to the Stock Market Crash of 1929 to the terrorist attacks on the World Trade Center in New York Ideas about shadowy networks that operate behind a cloak of secrecy including real organizations like the CIA and the Mafia and imagined ones like the Illuminati additionally provide a way for people to criticize prevailing political and economic arrangements while for society's disadvantaged and forgotten groups conspiracy theories make their suffering and alienation comprehensible and provide a focal point for their economic or political frustrations These volumes detail the highly controversial and influential phenomena of conspiracies and conspiracy theories in American society Through interpretive essays and factual accounts of various people organizations and ideas the reader will gain a much greater appreciation for a set of beliefs about political scheming covert intelligence gathering and criminal rings that has held its grip on the minds of millions of American citizens and encouraged them to believe that the conspiracies may run deeper and with a global reach **The Complete Family**
